The dragons offered no threat during this period, and the Kargs had withdrawn into their own internal quarrels, but the disintegration of the society of the Archipelago worsened as the years went on. Moral and intellectual continuity lay only in the knowledge and teaching of The Creation and the other myths and hero-stories, and in the preservation of crafts and skills: among them the art magic used for right ends..the lanes or over the hills, feeling through the soles of his bare feet and throughout his body. "Pretty good, pretty good," his father said. "Keep practicing." And he went on. He was not sure what he ought to have said. He did not want to encourage the boy to spend any more time on music, or with this girl; he spent too much already, and neither of them would help him get anywhere in life. But this gift, this undeniable gift t the rock hovering, the unblown fife -- Well, it would be wrong to make too much of it, but probably it should not be discouraged..know that? No, I suppose I

Past events exist, after all, only in..centre of the world. And the leaves of the tree are carved so thin that the light shines through.the high green hill. There, striking down dragons claws and beating rust-red wings, he lighted..All we know of ancient times in Earthsea is to be found in poems and songs, passed down orally for..aware of her, concerned for her. She stood up and followed him..won't as can't. I thought of making plugs in the planking of that galley, near the keel-you know.Scattered references and tales from Gont and the Reaches, passages of sacred history in the Kargad Lands and of arcane mystery in the Lore of Paln, long ignored by the scholars of Roke, relate that in the earliest days dragons and human beings were all one kind. Eventually these dragon-people separated into two kinds of being, incompatible in their habits and desires. Perhaps a long geographical separation caused a gradual natural divergence, a differentiation of species. The Pelnish Lore and the Kargish legends maintain that the separation was deliberate, made by an agreement known as *verw nadan*, *Vedurnan*, the Division..like diamonds..farewell, knowing that with the last, dying sound more than the song would end. All the people say he ought to go. He's not canny.."..He had tried to look at Ember as untouchable while he longed to touch her soft brown skin, her..Next day he had Licky send him the boy. He looked forward to seeing him, to being kind to him, teaching him, petting him a bit as he had done yesterday. He sat down with him in the sun. Gelluk was fond of children and animals. He liked all beautiful things. It was pleasant to have a young creature about. Otter's uncomprehending awe was endearing, as was his uncomprehended strength. Slaves were wearisome with their weakness and trickery and their ugly, sick bodies. Of course Otter was his slave, but the boy need not know it. They could be teacher and prentice. But prentices were faithless, Gelluk thought, reminded of his prentice Early, too clever by half, whom he must remember to control more strictly. Father and son, that's what he and Otter could be. He would have the boy call him Father. He recalled that he had intended to find out his true name. There were various ways of doing it, but the simplest, since the boy was already under his control, was to ask him. "What is your name?" he said, watching Otter intently..if he was indeed in a plague-stricken place or an island under a curse. He went on.
