"He died, eh?" "Well, well, well," he said to his wife, frequently, "all rosy again, eh? Got the apple of your eye back home, eh? No more moping, eh?". After Maharion's death in 452, several claimants contested the throne; none prevailed. Within a few years their struggles had destroyed all central governance. The Archipelago became a battleground of hereditary feudal princes, governments of small islands and city-states, and piratic warlords, all trying to increase their wealth and extend or defend their borders. Trade and ship traffic dwindled under piracy, cities and towns withdrew inside defensive walls; arts, fisheries, and agriculture suffered from constant raids and wars; slavery, which had not existed under the Kings, became common. Magic was the primary weapon in forays and battles. Wizards hired themselves out to warlords or sought power for themselves. Through the irresponsibility of these wizards and the perversion of their power, magic itself came into disrepute. change being. But this was different, this slow enlargement. I am vastening, he thought. He watched the staff that stood on the shining floor. In a little while he saw it quiver very to absolute chastity, enforced by self-cast spells. At the school on Roke, the students lived. "Change, change," said the Patterner. Transformation. That is not what the otter was thinking as it swam fast down the Yennava. It was not thinking anything much but speed and direction and the sweet taste of river water and the sweet power of swimming. But something like that is what Medra had been thinking as he sat at the table in his grandmother's house in End-lane, talking with his mother and sister, just before the door was flung open and the terrible shining figure stood there. neighbor had made herself useful and was gathering up blood-soaked cloths scattered by the bed.
