Thomas Disch is one of the handful of writers whose work is as much admired by critics (and readers) of mainstream as well as science fiction. He wrote six fine stories for F&SF in the 1960s. I also promised to call her the next day to see if she needed anything. She's older than I am, four, maybe five years; but she looks like she's in her middle teens. Jain's tall, with a tumbleweed bush of red hair; her face isn't so much pretty as it is intense. I've never known anyone who didn't want to make love to her. "When you're a star," she said once, half drunk, "you're not hung up about taking the last cookie on the plate." She nodded. "And go berserk. It was awful. No one can live that way."
