We're the ideal location to get for the book. And your time to obtain this specific guide since on the list of compromises has already become ready. ALPHABETICAL TABLE OF THE FIRST LINES OF THE VERSE IN THE "TALES FROM THE ARABIC." Like the full moon she shows upon a night of fortune fair, iii. 191..It chanced one day that he fell in upon a company of folk and they overcame him by dint of numbers and taking him prisoner, pinioned him and carried him to the lord of that country. The latter saw his fashion and grace and misdoubting of him, said, 'This is no robber's favour. Tell me truly, O youth, who thou art.' Bihzad thought shame to acquaint him with his condition and chose rather death for himself; so he answered, 'I am nought but a thief and a bandit.' Quoth the king, 'It behoveth us not to act hastily in the matter of this youth, but that we look into his affair, for that haste still engendereth repentance.' So he imprisoned him in his palace and assigned him one who should serve him..Then he bade fetch the youth; so they brought him before him and the viziers said, "O base of origin, out on thee! Thy term is at hand and the earth hungereth for thy body, so it may devour it." But he answered them, saying, "Death is not in your word nor in your envy; nay, it is an ordinance written upon the forehead; wherefore, if aught be written upon my forehead, needs must it come to pass, and neither endeavour nor thought-taking nor precaution will deliver me therefrom; [but it will surely happen] even as happened to King Ibrahim and his son." Quoth the king, "Who was King Ibrahim and who was his son?" And the youth said, "O king, n. The Man and his Wilful Wife dcccxxviii. The eunuch heard the smiting of the lute within the chamber and said, 'By Allah, that is my lady Tuhfeh's touch!' So he arose and went, as he were a madman, falling down and rising up, till he came to the eunuch on guard at the door at the Commander of the Faithful and found him sitting. When the latter saw him, and he like a madman, falling down and rising up, he said to him, 'What aileth thee and what bringeth thee hither at this hour?' Quoth the other, 'Wilt thou not make haste and awaken the Commander of the Faithful?' And he fell to crying out at him; whereupon the Khalif awoke and heard them bandying words together and Tuhfeh's servant saying to the other, 'Out on thee! Awaken the Commander of the Faithful in haste.' So he said, 'O Sewab, what aileth thee?' And the chief eunuch answered, saying, 'O our lord, the eunuch of Tuhfeh's lodging hath taken leave of his wits and saith, "Awaken the Commander of the Faithful in haste!"' Then said Er Reshid to one of the slave-girls, 'See what is to do.' When the evening evened, the king sat in his sitting-chamber and sending for his vizier, bade him relate the story of the wealthy man who lost his wealth and his wit. So he said, "Know, O king, that ? I shut myself up with my love; no spy betwixt us was; We feared no enemies' despite, no envious neighbour's hate.. . . . That I am the pledge of passion still and that my longing love And eke my yearning do overpass all longing that was aye..The Twenty-Fourth Night of the Month.. . . . I'll lay Upon their threshold's dust my cheeks and to my soul, k. The Serpent-Charmer and his Wife dcccvii. Whenas we saw the cup, forthright we signed to past it round And sun and moon unto our eyes shone sparkling from it straight..As for the vizier, the sultan discovereth unto him his affairs, private and public; and know, O king, that the similitude of thee with the people is that of the physician with the sick man; and the condition (169) of the vizier is that he be truthful in his sayings, trustworthy in all his relations, abounding in compassion for the folk and in tender solicitude over them. Indeed, it is said, O king, that good troops (170) are like the druggist; if his perfumes reach thee not, thou still smellst the sweet scent of them; and ill troops are like the black-smith; if his sparks burn thee not, thou smellst his nauseous smell. So it behoveth thee take unto thyself a virtuous vizier, a man of good counsel, even as thou takest unto thee a wife displayed before thy face, for that thou hast need of the man's righteousness for thine own amendment, (171) seeing that, if thou do righteously, the commons will do likewise, and if thou do evil, they also will do evil." Some misconception seems to exist as to the story of Seif dhoul Yezen, a fragment of which was translated by Dr. Habicht and included, with a number of tales from the Breslau Text, in the fourteenth Vol. of the extraordinary gallimaufry published by him in 1824-5 as a complete translation of the 1001 Nights (224) and it has, under the mistaken impression that this long but interesting Romance forms part of the Book of the Thousand Nights and One Night, been suggested that a complete translation of it should be included in the present publication. The Romance in question does not, however, in any way, belong to my original and forms no part of the Breslau Text, as will be at once apparent from an examination of the Table of Contents of the latter (see post, p. 261), by which all the Nights are accounted for. Dr. Habicht himself tells us, in his preface to the first Vol. of the Arabic Text, that he found the fragment (undivided into Nights) at the end of the fifth Volume of his MS., into which other detached tales, having no connection with the Nights, appear to have also found their way. This being the case, it is evident that the Romance of Seif dhoul Yezen in no way comes within the scope of the present work and would (apart from the fact that its length would far overpass my limits) be a manifestly improper addition to it. It is, however, possible that, should I come across a suitable text of the work, I may make it the subject of a separate publication; but this is, of course, a matter for future consideration..Old Sharper, Story of the, ii. 187.. . . . g. The Crows and the Hawk dcccvi. 129. The King of the Island cccclxxix. When it was the sixth day, the viziers' wrath redoubled, for that they had not compassed their desire of the youth and they feared for themselves from the king; so three of them went in to him and prostrating themselves before him, said to him, "O king, indeed we are loyal counsellors to thy dignity and tenderly solicitous for thee. Verily, thou persistest long in sparing this youth alive and we know not what is thine advantage therein. Every day findeth him yet on life and the talk redoubleth suspicions on thee; so do thou put him to death, that the talk may be made an end of." When the king heard this speech, he said, "By Allah, indeed, ye say sooth and speak rightly!" Then he let bring the young treasurer and said to him, "How long shall I look into thine affair and find no helper for thee and see them all athirst for thy blood?" So the prefect carried him up to the Sultan and he said, "I have an advertisement for thee, O my lord." "What is thine advertisement?" asked the Sultan; and the thief said, "I repent and will deliver into thy hand all who are evildoers; and whomsoever I bring not, I will stand in his stead." Quoth the Sultan, "Give him a dress of honour and accept his profession of repentance." So he went down from the presence and returning to his comrades, related to them that which had passed and they confessed his subtlety and gave him that which they had promised him. Then he took the rest of the stolen goods and went up with them to the Sultan. When the latter saw him, he was magnified in his eyes and he commanded that nought should be taken from him. Then, when he went down, [the Sultan's] attention was diverted from him, little by little, till the case was forgotten, and so he saved the booty [for himself]. The folk marvelled at this and the fifteenth officer came forward and said, 'Know that among those who make a trade of knavery are those whom God the Most High taketh on their own evidence against themselves.' 'How so?' asked they; and he said..Meanwhile, the news

spread abroad that Bihzad, son of the king, was lost, whereupon his father sent letters in quest of him [to all the kings and amongst others to him with whom he was imprisoned]. When the letter reached the latter, he praised God the Most High for that he had not anydele hastened in Bihzad's affair and letting bring him before himself, said to him, 'Art thou minded to destroy thyself?' Quoth Bihzad, '[I did this] for fear of reproach;' and the king said, 'An thou fear reproach, thou shouldst not practise haste [in that thou dost]; knowest thou not that the fruit of haste is repentance? If we had hastened, we also, like unto thee, we had repented.' When the king heard this, he bowed [his head] in perplexity and confusion and said, "Carry him back to the prison till the morrow, so we may look into his affair." Barmecides, Haroun er Reshid and the Woman of the, i. 57. When she had made an end of her song, all who were in the assembly wept for the daintiness of her speech and the sweetness of her voice and El Abbas said to her, "Well done, O Merziyeh I Indeed, thou confoundest the wits with the goodness of thy verses and the elegance of thy speech." All this while Shefikeh abode gazing upon her, and when she beheld El Abbas his slave-girls and considered the goodness of their apparel and the nimbleness of their wits and the elegance of their speech, her reason was confounded. Then she sought leave of El Abbas and returning to her mistress Mariyeh, without letter or answer, acquainted her with his case and that wherein he was of puissance and delight and majesty and veneration and loftiness of rank. Moreover, she told her what she had seen of the slave-girls and their circumstance and that which they had said and how they had made El Abbas desirous of returning to his own country by the recitation of verses to the sound of the strings. The billows of thy love o'erwhelm me passing sore, ii. 226. The Sandalwood Merchant and the Sharps dccccxviii. There was once a king named Suleiman Shah, who was goodly of polity and judgment, and he had a brother who died and left a daughter. So Suleiman Shah reared her on the goodliest wise and the girl grew up, endowed with reason and perfection, nor was there in her time a fairer than she. Now the king had two sons, one of whom he had appointed in himself that he would marry her withal, and the other purposed in himself that he would take her. The elder son's name was Belehwan and that of the younger Melik Shah, and the girl was called Shah Khatoun. So he repaired to the scribe, who wrote him the scroll, and he brought it to his master, who set it on the door and said to the damsel, "Art thou satisfied?" "Yes," answered she. "Arise forthright and get thee to the place before the citadel, where do thou foregather with all the mountebanks and ape-dancers and bear-leaders and drummers and pipers and bid them come to thee to-morrow early, with their drums and pipes, what time thou drinkest coffee with thy father-in-law the Cadi, and congratulate thee and wish thee joy, saying, 'A blessed day, O son of our uncle! Indeed, thou art the vein (266) of our eye! We rejoice for thee, and if thou be ashamed of us, verily, we pride ourselves upon thee; so, though thou banish us from thee, know that we will not forsake thee, albeit thou forsake us.' And do thou fall to strewing dinars and dirhems amongst them; whereupon the Cadi will question thee, and do thou answer him, saying, 'My father was an ape-dancer and this is our original condition; but out Lord opened on us [the gate of fortune] and we have gotten us a name among the merchants and with their provost.' ed. Story of the Barber's Fourth Brother clii. After your loss, nor trace of me nor vestige would remain, iii. 41. na. A Merry Jest of a Thief dccccxi. And aloes-wood, to boot, he brought and caskets full of pearls And priceless rubies and the like of costly gems and bright; Whenas the fire of passion flamed in my breast, with tears, Upon the day of wailing, to quench it I was fain. On this wise he abode a space of days, after which he made himself at home in the land and took to himself comrades and got him friends galore, with whom he addressed himself to diversion and good cheer. Moreover, he went a-pleasuring with his friends and their hearts were solaced [by his company] and he entertained them with stories and civilities (161) and diverted them with pleasant verses and told them abundance of histories and anecdotes. Presently, the report of him reached King Jemhour, lord of Cashghar of Hind, and great was his desire [for his company]. So he went in quest of him and Abdallah repaired to his court and going in to him, kissed the earth before him. Jemhour welcomed him and entreated him with kindness and bade commit him to the guest-house, where he abode three days, at the end of which time the king sent [to him] a chamberlain of his chamberlains and let bring him to his presence. When he came before him, he greeted him [with the usual compliment], and the interpreter accosted him, saying, "King Jemhour hath heard of thy report, that thou art a goodly boon-companion and an eloquent story-teller, and he would have thee company with him by night and entertain him with that which thou knowest of anecdotes and pleasant stories and verses." And he made answer with "Hearkening and obedience." Forbear thy verse-making, O thou that harbourest in the camp, Lest to the gleemen thou become a name of wonderment. O amir of justice, be kind to thy subjects, iii. 24.
