We're the place to get for the publication that is called. And today, your time to acquire this specific guide as among the compromises has been ready. Favourite and her Lover, The, iii. 165..? ? ? ? ? When clear'd my sky was by the sweet of our foregathering And not a helper there

remained to disuniting Fate., 118. The Merchant of Cairo and the Favourite of the Khalif El Mamoun El Hikim bi Amrillak M. Midmost that meadow was a palace soaring high into the air, with battlements of red gold, set with pearls and jewels, and a two-leaved gate; and in the gateway thereof were much people of the chiefs of the Jinn, clad in sumptuous apparel. When they saw the old man, they all cried out, saying, 'The Lady Tuhfeh is come!' And as soon as she reached the palace-gate, they came all and dismounting her from the horse's back, carried her into the palace and fell to kissing her hands. When she entered, she beheld a palace whereof never saw eyes the like; for therein were four estrades, one facing other, and its walls were of gold and its ceilings of silver. It was lofty of building, wide of continence, and those who beheld it would be puzzled to describe it. At the upper end of the hall stood a throne of red gold, set with pearls and jewels, unto which led up five steps of silver, and on the right thereof and on its left were many chairs of gold and silver; and over the dais was a curtain let down, gold and silver wrought and brodered with pearls and jewels.. Now the king had a brother, whom he had imprisoned in that pit of old time, and he had died [there]; but the folk of the realm thought that he was alive, and when his [supposed] imprisonment grew long, the king's officers used to talk of this and of the tyranny of the king, and the report spread abroad that the king was a tyrant, wherefore they fell upon him one day and slew him. Then they sought the well and brought out Abou Sabir therefrom, deeming him the king's brother, for that he was the nearest of folk to him [in favour] and the likeliest, and he had been long in the prison. So they doubted not but that he was the prince in question and said to him, 'Reign thou in thy brother's room, for we have slain him and thou art king in his stead.' But Abou Sabir was silent and spoke not a word; and he knew that this was the issue of his patience. Then he arose and sitting down on the king's throne, donned the royal raiment and discovered justice and equity and the affairs [of the realm] prospered [in his hand]; wherefore the folk obeyed him and the people inclined to him and many were his troops..? ? ? ? f. King Bekhtzeman cccclxi.? ? ? ? I'll say. If for my loved ones' loss I rent my heart for dole., On this wise we abode a whole year, at the end of which time she was absent (185) from me a month's space, wherefore fire raged in my heart on her account. When it was the next month, behold, a little eunuch presented himself to me and said, "I am a messenger to thee from such an one," [naming my mistress], "who giveth thee to know that the Commander of the Faithful hath sentenced her to be drowned, her and those who are with her, six-and-twenty slave-girls, on such a day at Deir et Tin, (186) for that they have confessed against one another of lewdness, and she biddeth thee look how thou mayst do with her and how thou mayst contrive to deliver her, even if thou gather together all her money and spend it upon her, for that this is the time of manhood." (187) Quoth I, "I know not this woman; belike it is other than I [to whom this message is addressed]; so beware, O eunuch, lest thou cast me into stress." Quoth he, "Behold, I have told thee [that which I had to say,] and went away, leaving me in concern [on her account]. When it was the fifth day, the fifth Vizier, whose name was Jehrbaur, came in to the king and prostrating himself before him, said, "O king, it behoveth thee, if thou see or hear that one look on thy house, (111) that thou put out his eyes. How then should it be with him whom thou sawest midmost thy house and on thy very bed, and he suspected with thy harem, and not of thy lineage nor of thy kindred? Wherefore do thou away this reproach by putting him to death. Indeed, we do but urge thee unto this for the assurance of thine empire and of our zeal for thy loyal counselling and of our love to thee. How can it be lawful that this youth should live for a single hour?". 132. Sindbad the Sailor and Sindbad the Porter dxxxvi. EL ABBAS AND THE KING'S DAUGHTER OF BAGHDAD. (46). There was once a man, a headman [of a village], by name Abou Sabir, and he had much cattle and a fair wife, who had borne him two sons. They abode in a certain village and there used to come thither a lion and devour Abou Sabir's cattle, so that the most part thereof was wasted and his wife said to him one day, 'This lion hath wasted the most part of our cattle. Arise, mount thy horse and take thy men and do thine endeavour to kill him, so we may be at rest from him.' But Abou Sabir said, 'Have patience, O woman, for the issue of patience is praised. This lion it is that transgresseth against us, and the transgressor, needs must Allah destroy him. Indeed, it is our patience that shall slay him, and he that doth evil, needs must it revert upon him.' A little after, the king went forth one day to hunt and falling in with the lion, he and his troops, gave chase to him and ceased not [to follow] after him till they slew him. This came to Abou Sabir's knowledge and he said to his wife, 'Said I not to thee, O woman, that whoso doth evil, it shall revert upon him? Belike, if I had sought to slay the lion myself, I had not availed against him, and this is the issue of patience.'. 45. Ali Shir (230) and Zumurrud dlxix. When I had made an end of washing, I cried out, saying, "Harkye, my lady Rihaneh!" But none answered me. So I went out and found her not; and indeed she had taken my clothes and that which was therein of money, to wit, four hundred dirhems. Moreover, she had taken my turban and my handkerchief and I found not wherewithal to cover my nakedness; wherefore I suffered somewhat than which death is less grievous and abode looking about the place, so haply I might espy wherewithal to hide my shame. Then I sat a little and presently going up to the door, smote upon it; whereupon up came the housekeeper and I said to her, "O my sister, what hath God done with the woman who was here?" Quoth she, "She came down but now and said, 'I am going to cover the boys with the clothes and I have left him sleeping. If he awake, tell him not to stir till the clothes come to him.'" Then said I, "O my sister, secrets are [safe] with the worthy and the freeborn. By Allah, this woman is not my wife, nor ever in my life have I seen her before this day!" And I recounted to her the whole affair and begged her to cover me, informing her that I was discovered of the privities..? ? ? ? A sun [is my love;] but his heat in mine entrails still rageth, concealed; A moon, in the hearts of the folk he riseth, and not in the sky.. Still do I yearn, whilst passion's fire flames in my liver are, iii. 111. He returned them the most gracious of answers and bade carry the Magian forth of the town and set him on a high scaffold that had been builded for him there; and he said to the folk, 'Behold, I will torture him with all kinds of fashions of torment.' Then he fell to telling them that which he had wrought of knavery with the daughter of his father's brother and what he had caused betide her of severance between her and her husband and how he had required her of herself, but she had sought refuge against him with God (to whom belong might and majesty) and chose rather humiliation than yield to his wishes, notwithstanding stress of torment; neither recked she aught of that which he lavished to her of wealth and raiment and jewels.. When the poor man heard the merchant's story, he became desirous of marrying his daughter. So he took her to wife and was vouchsafed of her exceeding love. Nor," added the vizier, "is this story more extraordinary than that of the rich man and his wasteful heir." ? ? ? ? ? ? ? ? ? ? ea. Story of the Barber's First Brother cxlv. When the vizier came to the King of Samarcand [and acquainted him with his errand], he submitted himself to the commandment [of his brother and made answer] with 'Harkening and obedience.' Then he equipped himself and made ready for the journey and brought forth his tents and pavilions. A while after midnight, he went in to his wife, that he might take leave of her, and found with her a strange man, sleeping with her in one bed. So he slew them both and dragging them out by the feet, cast them away and set forth incontinent on his journey. When he came to his brother's court, the latter rejoiced in him with an exceeding joy and

lodged him in the pavilion of entertainment, [to wit, the guest-house,] beside his own palace. Now this pavilion overlooked a garden belonging to the elder king and there the younger brother abode with him some days. Then he called to mind that which his wife had done with him and remembered him of her slaughter and bethought him how he was a king, yet was not exempt from the vicissitudes of fortune; and this wrought upon him with an exceeding despite, so that it caused him abstain from meat and drink, or, if he ate anything, it profited him not. Now the four women who thus accosted Tuhfeh were the princess Kemeriyeh, daughter of King Es Shisban, and her sisters; and Kemeriyeh loved Tuhfeh with an exceeding love. So, when she came up to her, she fell to kissing and embracing her, and Iblis said, 'Fair befall you! Take me between you.' At this Tuhfeh laughed and Kemeriyeh said, 'O my sister, I love thee and doubtless hearts have their evidences, (197) for, since I saw thee, I have loved thee.' 'By Allah,' replied Tuhfeh, 'hearts have deeps, (198) and thou, by Allah, art dear to me and I am thy handmaid.' Kemeriyeh thanked her for this and said to her, 'These are the wives of the kings of the Jinn: salute them. This is Queen Jemreh, (199) that is Queen Wekhimeh and this other is Queen Sherareh, and they come not but for thee.' So Tuhfeh rose to her feet and kissed their hands, and the three queens kissed her and welcomed her and entreated her with the utmost honour. . . . . How long will ye admonished be, without avail or heed? The shepherd still his flocks forbids, and they obey his rede. . . . . d. The Fourth Voyage of Sindbad the Sailor cclix. . . . . To whom save thee shall I complain, of whom relief implore, Whose image came to visit me, what while in dreams I lay? . . . . . Meanwhile, the people of the city rejoiced and were glad and blessed the vizier's daughter, marvelling for that three days had passed and that the king had not put her to death and exulting in that, [as they deemed,] he had turned [from his purpose] and would never again burden himself with blood-guiltiness against any of the maidens of the city. Then, on the fourth night, she related to him a still more extraordinary story, and on the fifth night she told him anecdotes of kings and viziers and notables. On this wise she ceased not [to do] with him [many] days and nights, what while the king still said in himself, 'When I have heard the end of the story, I will put her to death,' and the people waxed ever in wonder and admiration. Moreover, the folk of the provinces and cities heard of this thing, to wit, that the king had turned from his custom and from that which he had imposed upon himself and had renounced his heresy, wherefore they rejoiced and the folk returned to the capital and took up their abode therein, after they had departed thence; yea, they were constant in prayer to God the Most High that He would stablish the king in that his present case; and this," said Shehrzad, "is the end of that which my friend related to me." Then she took leave of me and I of her, after I had strained her to my bosom and embraced her and we had kissed awhile. So she went away and I abode expecting the appointed day, till it came, when I arose and went forth, intending for the trysting-place; but a friend of mine met me by the way [and would have me go home with him. So I accompanied him to his house] and when I came up [into his sitting-chamber] he locked the door on me and went forth to fetch what we might eat and drink. He was absent till mid-day, then till the hour of afternoon-prayer, whereat I was sore disquieted. Then he was absent till sundown, and I was like to die of chagrin and impatience; [and indeed he returned not] and I passed my night on wake, nigh upon death, for that the door was locked on me, and my soul was like to depart my body on account of the tryst. . . . . Nay, though ye read therein discourse that sure should speak To heart and soul, no word thereunto ye replied, . . . . . Yet, I conjure thee, blame me not for passion and desire, Me whom estrangement long hath brought to sick and sorry plight. . . . . Now there accosted him once, on his day of ill-omen, an Arab of the Benou Tai, (170) and En Numan would have put him to death; but the Arab said, "God quicken the king! I have two little girls and have made none guardian over them; so, if the king see fit to grant me leave to go to them, I will give him the covenant of God (171) that I will return to him, whenas I have appointed them a guardian." En Numan had compassion on him and said to him, "If a man will be surety for thee of those who are with us, [I will let thee go], and if thou return not, I will put him to death." Now there was with En Numan his vizier Sherik ben Amrou; so the Tai (172) looked at him and said, . . . . . Haroun er Reshid and the Woman of the Barmecides, i. 57. . . . . Would God thou knewst what I endure for love of thee and how My vitals for thy cruelty are all forspent and dead! . . . . . o. The King's Son and the Merchant's Wife dccccxciii
