We're the place to get for the referred publication. And your time to obtain this specific guide as on the list of compromises has been ready. When the morning morrowed, he recited the following verses:..Prince who fell in Love with the Picture, The, i. 256..The folk of the quarter heard him and assembled under the window; and when he was ware of them, he opened the window and said to them, "Are ye not ashamed, O pimps? Every one in his own house doth what he will and none hindereth him; but we drink one poor day and ye assemble and come, cuckoldy varlets that ye are! To-day, wine, and to-morrow

[another] matter; and from hour to hour [cometh] relief." So they laughed and dispersed. Then the girl drank till she was intoxicated, when she called to mind her lord and wept, and the old man said to her, "What maketh thee weep, O my lady?" "O elder," replied she, "I am a lover and separated [from him I love]." Quoth he, "O my lady, what is this love?" "And thou," asked she, "hast thou never been in love?" "By Allah, O my lady," answered he, "never in all my life heard I of this thing, nor have I ever known it! Is it of the sons of Adam or of the Jinn?" She laughed and said, "Verily, thou art even as those of whom the poet speaketh, when as he saith ..." And she repeated the following verses:..Meanwhile the messenger had reached the opposite camp with the news of Tuhfeh's deliverance, whereat the Sheikh Aboutawaf rejoiced and bestowed on the bringer of good tidings a sumptuous dress of honour and made him commander over a company of the Jinn. Then they fell upon Meimoun's troops and destroyed them to the last man; and when they came to Meimoun, they found that he had slain himself and was even as we have said. Presently Kemeriyeh and her sister [Wekhimeh] came up to their grandfather and told him what they had done; whereupon he came to Tuhfeh and saluted her and gave her joy of her deliverance. Then he delivered Meimoun's palace to Selheb and took all the former's riches and gave them to Tuhfeh, whilst the troops encamped upon the Crescent Mountain. Moreover, the Sheikh Aboutawaf said to Tuhfeh, 'Blame me not,' and she kissed his hands. As they were thus engaged, there appeared to them the tribes of the Jinn, as they were clouds, and Queen Es Shuhba flying in their van, with a drawn sword in her hand..55. The Poor Man and his Generous Friend dclxiii. Then Selim turned to Selma and said to her, 'O sister mine, how deemest thou of this calamity and what counsellest thou thereanent?' 'O my brother,' answered she, 'indeed I know not what I shall say concerning the like of this; but he is not disappointed who seeketh direction [of God], nor doth he repent who taketh counsel. One getteth not the better of the traces of burning by (68) haste, and know that this is an affliction that hath descended on us; and we have need of management to do it away, yea, and contrivance to wash withal our shame from our faces.' And they gave not over watching the gate till break of day, when the young man opened the door and their mother took leave of him; after which he went his way and she entered, she and her handmaid..? ? ? ? ? Th' Amir (quoth it) am I whose charms are still desired; Absent or present, all in loving me consent..?OF TRUST IN GOD..Then she went away, and when the girl's master came, she sought his leave to go with the old woman and he granted her leave. So the beldam took her and carried her to the king's door. The damsel entered with her, unknowing whither she went, and beheld a goodly house and chambers adorned [with gold and colours] that were no idol's chambers. Then came the king and seeing her beauty and grace, went up to her, to kiss her; whereupon she fell down in a fit and strove with her hands and feet. When he saw this, he was solicitous for her and held aloof from her and left her; but the thing was grievous to her and she refused meat and drink, and as often as the king drew near her, she fled from him in affright, wherefore he swore by Allah that he would not approach her, save with her consent, and fell to guerdoning her with trinkets and raiment, but she only redoubled in aversion to him..See, then, O august king," continued the youth, "what envy doth and injustice and how God caused the viziers' malice revert upon their own necks; and I trust in God that He will succour me against all who envy me my favour with the king and show forth the truth unto him. Indeed, I fear not for my life from death; only I fear lest the king repent of my slaughter, for that I am guiltless of offence, and if I knew that I were guilty of aught, my tongue would be mute..? ? ? ? ? Wherefore, by Him who letteth waste my frame, have ruth on me And quench my yearning and the fires by passion in me fed.. "He shall not come in to me. Who is at the door, other than he?" "Heman ben Ghalib el Ferezdec," (55) answered Adi; and Omar said, "It is he who saith, glorying in adultery ..." [And he repeated the following verses:].When the prince came before him, he sought of him his daughter in marriage, and the king said, 'Indeed, thou art her equal, but none dare name a man to her, because of her aversion to men.' So the prince pitched his tents under the windows of the princess's palace, till one day he got hold of one of her favourite slave-girls and gave her wealth galore. Quoth she to him, 'Hast thou a wish?' 'Yes,' answered he and acquainted her with his case; and she said, 'Indeed thou putttest thyself in peril.' Then he abode, flattering himself with false hopes, till all that he had with him was gone and the servants fled from him; whereupon quoth he to one in whom he trusted, 'I am minded to go to my country and fetch what may suffice me and return hither.' And the other answered, 'It is for thee to decide.' So they set out to return, but the way was long to them and all that the prince had with him was spent and his company died and there abode but one with him, on whom he loaded what remained of the victual and they left the rest and fared on. Then there came out a lion and ate the servant, and the prince abode alone. He went on, till his beast stood still, whereupon he left her and fared on afoot till his feet swelled..The old woman went out, running, whilst the Khalif and Mesroul laughed, and gave not over running till she came into the street. Aboulhusn saw her and knowing her, said to his wife, "O Nuzhet el Fuad, meseemeth the Lady Zubeideh hath sent to us to see who is dead and hath not given credence to Mesroul's report of thy death; so she hath despatched the old woman, her stewardess, to discover the truth; wherefore it behoveth me to be dead in my turn, for the sake of thy credit with the Lady Zubeideh." Accordingly, he lay down and stretched himself out, and she covered him and bound his eyes and feet and sat at his head, weeping..Jest of a Thief, A Merry, ii. 186..Accordingly, the king bade fetch the girl [and she came]. Then there befell that which befell of his foregathering with the elder sister, and when he went up to his couch, that he might sleep, the younger sister said to the elder, 'I conjure thee by Allah, O my sister, an thou be not asleep, tell us a story of thy goodly stories, wherewithal we may beguile the watches of our night, against morning come and parting.' 'With all my heart,' answered she and fell to relating to her, whilst the king listened. Her story was goodly and delightful, and whilst she was in the midst of telling it, the dawn broke. Now the king's heart clave to the hearing of the rest of the story; so he respited her till the morrow, and when it was the next night, she told him a story concerning the marvels of the lands and the extraordinary chances of the folk, that was yet stranger and rarer than the first. In the midst of the story, the day appeared and she was silent from the permitted speech. So he let her live till the ensuing night, so he might hear the completion of the story and after put her to death..When Nouredin heard these his slave-girl's verses, he fell a-weeping, what while she strained him to her bosom and wiped away his tears with her sleeve and questioned him and comforted his mind. Then she took the lute and sweeping its strings, played thereon, after such a wise as would move the phlegmatic to delight, and sang the following verses:..Then they displayed Shehrzad in the sixth and seventh dresses and clad her in youths' apparel, whereupon she came forward, swaying coquettishly from side to side; and indeed she ravished wits and hearts and ensorcelled with her glances [all who looked on her]. She shook her sides and wagged her hips, then put her hair on the hilt of her sword and went up to King Shehriyar, who embraced her, as the hospitable man embraces the guest, and threatened her in her ear with the taking of the sword; and indeed she was even as saith of her the poet in these verses:..EL ABBAS AND THE KING'S DAUGHTER OF BAGHDAD. (46).There was once a man of the drapers, who had a fair wife, and she was curtained (54) and chaste. A certain

young man saw her coming forth of the bath and loved her and his heart was occupied with her. So he cast about [to get access to her] with all manner of devices, but availed not to win to her; and when he was weary of endeavour and his patience was exhausted for weariness and his fortitude failed him and he was at an end of his resources against her, he complained of this to an old woman of ill-omen, (55) who promised him to bring about union between him and her. He thanked her for this and promised her all manner of good; and she said to him, "Get thee to her husband and buy of him a turban-cloth of fine linen, and let it be of the goodliest of stuffs." TABLE OF CONTENTS OF THE UNFINISHED CALCUTTA (1814-18) EDITION (FIRST TWO HUNDRED NIGHTS ONLY) OF THE ARABIC TEXT OF THE BOOK OF THE THOUSAND NIGHTS AND ONE NIGHT..It befell one day that the king's son came to me, after his father had withdrawn, and said to me, "Harkye, Ibn Nafil" "At thy service, O my lord," answered I; and he said, "I would have thee tell me an extraordinary story and a rare matter, that thou hast never related either to me or to my father Jemhour." "O my lord," rejoined I, "what story is this that thou desirest of me and of what kind shall it be of the kinds?" Quoth he, "It matters little what it is, so it be a goodly story, whether it befell of old days or in these times." "O my lord," said I, "I know many stories of various kinds; so whether of the kinds preferrest thou, and wilt thou have a story of mankind or of the Jinn?" "It is well," answered he; "if thou have seen aught with thine eyes and heard it with thine ears, [tell it me."Then he bethought himself] and said to me, "I conjure thee by my life, tell me a story of the stories of the Jinn and that which thou hast heard and seen of them!" "O my son," replied I, "indeed thou conjurest [me] by a mighty conjuration; so [hearken and thou shalt] hear the goodliest of stories, ay, and the most extraordinary of them and the pleasantest and rarest." Quoth the prince, "Say on, for I am attentive to thy speech." And I said, "Know, then, O my son, that
