exposing part of the clean, but dingy, sheet. All I could see of Harry come, to mate with men. "I shall surely come." He bowed, turned, and then was gone, walking swiftly, a man's stride, through the woods. His animals were at his heels. A highly depressing idea, but he did not on that account roll out the console to select a remedy from. They circled so high they cleared the clouds, and once again the stars were like diamonds dusting the sky. Some people fear clones, on the other hand, because they imagine that morons will be cloned in order to make it possible to build up a great army of cannon fodder that despots will use for world conquest. Half an hour later the curtains over the barred open window moved. I had squatted down in the over Jain's shoulder. "Which?" He looked at me sharply, fear creeping back. "Please. No!" Even organisms as complex as insects can in some cases give birth to parthenogenetic young and, in. With the tip of his thin grey sword he cut Amos' ropes, thrusting him into the jewel garden and closing the small door firmly behind him. the small door firmly behind him. Damon Knight. Again those black and burning eyes of his seemed to absorb the Project from its bottommost brick to its topmost one. There was a purposefulness about his mien that had been lacking on his previous visit; a fierce, almost an awesome, determination that made him seem larger than life. His black eyebrows were like the wings of a hawk; his lips were set like bitumen. He was wearing a maroon turtleneck with a big N on the front, blue Levis and thick-soled chukka boots. "Sure. You have about two months. After that, the chemicals aren't safe." to walk in. "I have some people here. Can it possibly wait?" We know his name. Patient researchers, using advanced scanning techniques, followed his letters. "Okay, but you'll have to think of what we do talk about I'm no good at coming up with topics for conversation." Nolan had shrugged, too, and dismissed her from his mind. But that night as he lay on his bed, He laughed. "That lets me out. Sit down. Move the stuff." come early to exercise. wrong man for me. And now it's too late. Would you like to hear a long story, Larry? A long and very. I looked around to make sure I hadn't disturbed anything, turned off the bathroom light, and got in the closet, leaving the door open a crack. It was the only possible place to hide. I sincerely hoped Detweiler wouldn't need anything out of it before I found out what was going on. If he did, the only thing I could do was confront him with what Td found out. And then what, Mallory, a big guilty confession? With what you've found out, he could laugh hi your face and have you arrested for illegal entry. We cut and I dealt "How long have you been in Hollywood?" art but bad for you, not only bad for you but ridiculous. I didn't do it to be mean, honest Nor did I do it together, and it still runs. It has a high-impact polystyrene carapace, nontoxic paint on the outside?" wrong with the Megalo Banking Network, a program bug that appears to have taken roughly ten percent out of every account in the six major banks on the system. The funds have been transferred to some unknown account. This place is, needless to say, Panic City, with vice-presidents screaming for action all over the place. With my own little clone. "PolySensitives," she said. "I haven't seen any of these since I was a little girl." She sat down in the chair, watching the color change spread over the entire surface and the contours alter to a deeper, softer look. "How fun." "It's a fascinating magazine. I look at it almost every week. Sometimes I'm just too busy, but usually I." You never have time for anything but exercising. Will you ever? We played gin the rest of the afternoon and talked-talked a lot Detweiler seemed eager to talk or, at. He Has a Hole in His Head and His Teeth Glow in the Dark, ROGER. "Hey, he hears me! Uh, that is, this is Song Sue Lee, and I'm right in front of you. If you look real. At dusk the sun began to fade and the cottage darken. Hinda got up. She went out to the clearing's. Lee Kittaugh. Identical twins are very like each other and often display mirror-image characteristics. (I once had a chemistry professor with his nose canted to the left. His identical-twin brother had his nose canted to the right, I was told.) "It's a big gate tonight Can you do it?" a bit tight, considering that the only documentation available from Hazeldorf was a picture of a Zorph he. identical twins, each with the same genetic equipment and each of the same sex, of course. In a sense, sloppiness, that appealing tale partly marred by (but also made possible by) naivete, that complicated. "Nonsense," said the grey man smoothing his grey gloves over his wrists. "If you're going to be up this. The make-up around her mouth cracked. the clearing's edge, looking at Hinda, measuring her with his eyes. Then he laughed and crossed to her. woman in the foreground. He realized with a little zing of elation that he had just administered his first. I picked up Janice at her apartment in Westwood early Saturday morning. She was waiting for me. Amos and Jack were happy as they had ever been, and the North Wind roared to the edge of the dead, and decided to disappear. Can't say as I blame him. The police might've gotten some funny ideas. "Do you mind my giving you some honest advice, Barry? We might even dream of finding a frozen mammoth with some cell nuclei not entirely dead. We might then clone one by way of an elephant's womb. If we could find a male and a female mammoth?" This is what would kill us, Crawford. What's your first name? Matt. Matt, this baby is a flyer for the first forty thousand meters. It doesn't have the juice to orbit on the jets alone. The wings are folded up now. You probably didn't see them on the way in, but you saw the models. They're very light, supercritical, and designed for this atmosphere. Lou said it was like flying a bathtub, but it flew. And it's a skQI, almost an art. Lou practiced for three years on the best simulators we could build and still had to rely on things you can't learn in a simulator. And he barely got us down in one piece. We didn't noise it around, but it was a damn close thing. Lou was young; so was Cantrell. They were both fresh from flying. They flew every day, they had the feel for it. They were tops." She slumped back into her chair. "I haven't flown anything but trainers for eight years." ?Darnel P. Dern. dirt of kingdoms she had never seen. He sang songs she had never heard before, singing them softly into. The payoff. The precision-engineered and carefully timed upslope leading to climax. The Big Number. I've kept the stim tracks pla-teaued for the past three sets. "Coining," I say. "It's coming. There's time." meadows, with red and white houses, and far off a golden castle against a blue sky.. "?love you. Every single one of you." general inefficiency down to the detailed operation of the Computer Center. Someone immediately spilled. She had given a lot of thought to the last emergency, which she still saw as partly a result of her lag in responding. This time she was through the door almost before the reverberations had died down, leaving Crawford to nurse the leg she had stepped on in her haste. "Then come with me," said the grey man, and the rough sailors with cutlasses rose about him and hoisted the trunk to their grimy shoulders? Onvbpmf, came the thick sound from the trunk? and the grey man flung out his cape, grabbed Amos by the hand, and ran out into the street. "It is safer," Michelle said, "to work through a professional introduction service than to try and peddle them on your own. Even though everyone breaks it, the law is still the law. Individuals operating on their own are liable to get caught, since they don't have an arrangement with the authorities. We do. That's why, for instance, it would do you no good to report us to the Communications Control Office. Others have done so in the past, and it did them no good." First, there is the reactive pain. Only those who have reviewed, year in and year out, know how truly abominable most fiction is. And we can't remove ourselves from the pain. Ordinary readers can skip, or read every third word, or quit in the middle. We can't We must read carefully, with our sensitivities at full operation and our critical-historical apparatus always in high gear? or we may miss that subtle satire which disguises itself as cliché?, that first novel whose beginning, alas, was never revised,

that gem of a quiet story obscured in a loud, flashy collection, that experiment in form which could be mistaken for sloppiness, that appealing tale partly marred by (but also made possible by) naivete¹, that complicated situation that only pays off near the end of the book. Such works exist but in order not to miss them, one must continually extend one's sensitivity, knowledge, and critical care to works that only abuse such faculties. The mental sensation is that of eating garbage, I assure you, and if critics' accumulated suffering did not find an outlet in the vigor of our language, I don't know what we would do. And it's the critics who care the most who suffer the most; irritation is a sign of betrayed love. As Shaw puts it: Just then, behind the bars, Amos saw the pile of grubby grey blankets move. A corner fell away and he saw just the edge of something as red as his own bright hair. But this evening as Amos came into the tavern, Billy was quiet, and so was everyone else. Even Hidalgo, the woman who owned the tavern and took no man's jabbering seriously, was leaning her elbows on the counter and listening with opened mouth.
