on the list of compromises has already become ready. Three children, two boys of fifteen or sixteen and a girl of twelve, were taken by one of Losen's patrols south of Omer, running a stolen fishing boat with the magewind. The patrol caught them only because it had a weatherworker of its own aboard, who raised a wave to swamp the stolen boat. Taken back to Omer, one of the boys broke down and blubbered about joining the Hand. Hearing that word, the men told them they would be tortured and burned, at which the boy cried that if they spared him he would tell them all about the Hand, and Roke, and the great mages of Roke.. "Well, this boy did learn at last to tame his anger and control his power. And a very great power it was. Whatever art he studied came easy to him, too easy, so that he despised illusion, and weatherworking, and even healing, because they held no fear, no challenge to him. He saw no virtue in himself for his mastery of them. So, after the Archmage Nemmerle had given him his name, the boy set his will on the great and dangerous art of summoning. Ambition, arrogance, and."Pretty good, pretty good," his father said. "Keep practicing." And he went on. He was not sure what he ought to have said. He did not want to encourage the boy to spend any more time on music, or with this girl; he spent too much already, and neither of them would help him get anywhere in life. But this gift, this undeniable gift t the rock hovering, the unblown fife -- Well, it would be wrong to make too much of it, but probably it should not be discouraged..She kept his hand and led him in. He was always a little reluctant to enter the witch's house, a pungent, disorderly place thick with the mysteries of women and witchcraft, very different from his own clean comfortable home, even more different from the cold austerity of the wizard's house. He shivered like a horse as he stood there, too tall for the herb-festooned rafters. He was very highly strung, and worn out, having walked forty miles in sixteen hours without food.. "There's people all

over these parts, and maybe beyond, who think, as you said, that nobody can be wise alone. So these people try to hold to each other. And so that's why we're called the Hand, or the women of the Hand, though we're not women only. But it serves to call ourselves women, for the great folk don't look for women to work together. There's an old pallet in the woodhouse. Air it. Don't bring mice in with it." And he stalked off towards the Overfell, angry with the boy for coming and with himself for giving in; but it was not anger that made his heart pound. Striding along- he could stride, then- with the seawind pushing at him always from the left and the early sunlight on the sea out past the vast shadow of the mountain, he thought of the Mages of Roke, the masters of the art magic, the professors of mystery and power. "He was too much for 'em, was he? And he'll be too much for me," he thought, and smiled. He was a peaceful man, but he did not mind a bit of danger. No, not for her. We can do nothing for the dead. But for..." Dulse had the big lore-book open on the table. He had been trying to reweave one of the Acastan Spells, much broken and made powerless by the Emanations of Fundaur centuries ago. He had just begun to get a sense of the missing word that might fill one of the gaps, he almost had it, and- "You might keep some goats," Silence said. "Yes," said Ember. "We must hide, and forever if need be. Because there's nothing left but being killed and killing, beyond these shores. You say it, and I believe it."
