"It would have happened even without the blowout and the bead. "You're breaking an agreement". John Varley. But there are other reasons. Critical judgments are so complex (and take place in such a complicated context), the vocabulary of praise and blame available in English is so vague, so fluid, and so constantly shifting, and the physical space allowed is so small that critics welcome any way of expressing judgments that will be both precise and compact. If vivid be added thereunto, fine? what else is good style? Hence critics, whenever possible, express their judgments in figurative language. Wit is a form of condensation (see Freud if you think this is my arbitrary fiat) just as parody is a form of criticism (see Dwight McDonald's Modern Library collection thereof).. Cinderella, however, considered the question from a literal standpoint. "Well," she said, "we haven't ever really talked together, not seriously, but you certainly ought to have a license."
