Through nine months of quiet panic, however, Phimie grew less rational week by week, resorting to reckless measures that endangered. His conscience as a craftsman would not let him fault the carpentry of the ship in any way; but his conscience as a wizard told him he could put a hex on her, a curse woven right into her beams and hull. Surely that was using the secret art to a good end? For harm, yes, but only to harm the harmful. He did not talk to his teachers about it. If he was doing wrong, it was none of their fault and they would know nothing about it. He thought about it for a long time, working out how to do it, making the spell very carefully. It was the reversal of a finding charm: a losing charm, he called it to himself. The ship would float, and handle well, and steer, but she would never steer quite true..He'd been a godsend to Celestina, because his love of children and a new sense of fun that he'd discovered in himself were showered on Angel. He was Uncle Wally. Waddling Wally, Wobbly Wally, Wally Walrus, Wally Werewolf. Wally Wit Duh Funny Accents. Wiggle Eared Wally. Whistling Wally. Wrangler Wally. He was Good Golly Wally the Friend of All Polliwogs. Angel adored him, adored him, and he could have loved her no more if she had been one of the sons that he had lost. Overwhelmed by

her classes, her waitressing job, her painting, Celestina could always count on Wally to step in to share the child rearing. He wasn't merely Angel's honorary uncle, but her father in all senses except the legal and biological; he wasn't just her doctor, but a guardian angel who fretted over her mildest fever and worried about all the ways the world could wound a child..Putting an arm around Paul's shoulders, Dr. Salk walked with him along a street lined with eucalyptuses and Torrey pines, to a nearby pocket park. They sat on a bench in the sunshine and watched duck waddle on the shore of a man-made pond..Assuming that the boy had closed his eyes and was talking to himself, somewhere between his self-told bedtime story and a dream, Agnes retreated from the room, pulling the door only half shut behind her..Victoria lay faceup on the floor. The nurse was no longer as lovely as she had been, and perhaps because of early rigor mortis, her grace, which had initially been evident even in death, had now deserted her..No. Not exactly then. Not at the sight of the coin or the detective. He had felt this way at Vanadium's mention of the name that he, Junior, had supposedly spoken in his nightmare..He also sought a supplier of high-quality counterfeit ID. This proved easier than he anticipated..''I'm going to recommend that you be admitted overnight and that we lance these under hospital conditions. We'll use a sterile needle on some of them, but a number are so large they're going to require a surgical knife and possibly the removal of the carbuncle core. This is usually done with a local anesthetic, but in this instance, while I don't think general anesthesia will be required, we'll probably want to sedate you that is, put you in a twilight sleep."..A cause now apparent, the fear explained, Agnes held her baby more tightly. So new to the world, he seemed already to be slipping away from her, captured by the whirlpool of a demanding destiny..He bought cracker sandwiches, some filled with cheese and some with peanut butter, redskin peanuts, chocolate bars, and Coca-Cola. Although this was an unhealthy meal, cheese and peanut butter and chocolate shared a virtue: they were all binding..Losen, a sea-pirate who called himself King of the Inmost Sea, was then the chief warlord in the city and all the east and south of Havnor. Exacting tribute from that rich domain, he spent it to increase his soldiery and the fleets he sent out to take slaves and plunder from other lands. As Otters uncle said, he kept the shipwrights busy. They were grateful to have work in a time when men seeking work found only beggary, and rats ran in the courts of Maharion. They did an honest job, Otter's father said, and what the work was used for was none of their concern..He first eased from aisle to aisle, but soon moved more quickly, convinced that the singer would be found beyond the next turn, and then the next. Was that her trailing shadow he had glimpsed, slipping around the corner ahead of him? Her womanly scent lingering in the air after her passage?..If Junior had not been such a rational man, schooled in logic and reason by the books of Caesar Zedd, he might have snapped there in the street, before the photograph of Seraphim, might have begun to shake and sob and babble until he wound up in a psychiatric ward. But although his trembling knees felt no more supportive than aspic, they didn't dissolve under him. He couldn't breathe for a minute, and his vision darkened at the periphery, and the noise of passing traffic suddenly sounded like the agonized shrieks of people tortured beyond endurance, but he held fast to his wits long enough to realize that the name under the photo, which served as the centerpiece of a poster, read Celestina White in four-inch letters, not Seraphim..Three times, the singing faded away, but twice, just when he thought that she had finished, she began to croon again. The third time, the silence lasted..Occasionally he woke in the night and heard himself murmuring the mantra aloud, which apparently he had been repeating ceaselessly in his sleep. "Find the father, kill the son." In April, Junior discovered three Bartholomews. Investigating these targets, prepared to commit homicide, he learned that none had a son named Bartholomew or had ever adopted a child..Otter's humble teachers had taught him pride. They had trained into him a deep contempt for wizards who worked for such men as Losen, letting fear or greed pervert magic to evil ends. Nothing, to his mind, could be more despicable than such a betrayal of their art. So it troubled him that he couldn't despise Hound..Junior realized he was on the verge of babbling, and with an effort, he silenced himself..Whether the cop was unhinged or not, Junior had nothing to gain by talking to him, especially in this disorienting darkness. He was exhausted, achy, with a sore throat, and he couldn't trust himself to be as..He had considered tracking down Celestina-and the bastard boy--prior to her exhibition. The alumni office of her college might be one route to her. And further inquiries in the city's fine-arts community would no doubt eventually provide him with her address..Someone named Bartholomew had adopted Seraphim's son and named the boy after himself Junior applied the patience learned through meditation to the task at hand, and instinctively, he soon evolved a motivating mantra that continuously cycled through his mind while he studied the telephone directories: Find the father, kill the son.
