They crowded into the airlock, carefully not looking at each other's faces as they waited for the automatic machinery. The inner door opened and Lang pushed forward?and right back into the airlock. Crawford had a glimpse of Ralston and Lucy McKillian; then Mary shut the door..and the prince's return. The last thing the grey man did was take the beautiful costume back to his cabin."I think so," said Amos. "But that is a terribly grey swamp. I might blend into the scenery so completely I might never get out of it again." "What's happening on Five-E, Horace?" he asked the empty room around him..?I've tried living with you," Amanda said, "but it doesn't work. Now I won't have anything more to do." "Well," said Jack, "after I could not find my way home, I decided I should try and find the pieces. So I began to search. The first person I met was the thin grey man, and with him was his large black trunk in which, he said, was his nearest and dearest friend. He said if I would work for him and carry his trunk, he would pay me a great deal of money with which I could buy a ship and continue my search. He told me that he himself would very much like to see a woman worthy of a prince. 'Especially,' he said, 'such a colorful prince as you.' I carried his trunk for many months, and at last he paid me a great deal of

"Oh, I'm afraid it's not much good. I can usually do better. I guess I don't trust you enough. Though.I have tried to speak to general issues rather than "defend" my own criticism. Issues are, in any case, more important than personalities, although there is a (small) section of fandom which sees in aesthetic or political disagreement nothing but personal squabbling motivated by envy. It's not for me to judge how good my criticism is; if enough readers think it's bad, and the editor thinks so too, presumably hell stop printing it although writing book reviews (except for places like the New York Times) is underpaid, overworked, and a labor of love. The problem is usually to recruit reviewers, not discourage them..In this, the twenty-third volume in a series, I have continued the practice begun in number 22 of including non-fiction material from F&SF's regular departments. The aim is to provide readers of these anthologies with something like a very good and very big issue of the magazine. Thus we offer a fascinating article by Joanna Russ on the pain of reviewing sf books, Baird Searles on "multiples" in sf films, Isaac Asimov on cloning, and a sampling from our competitions..
