Ogion's stone tower. "The Cavuta?" she corrected me. "It's . . . a sort of school, plating; nothing great in itself. He spent the whole afternoon in confusion, angry. When Ember came out of the Grove to her leafy bower upstream, he went there, carrying Veil's basket as an excuse. "May I talk to you?" he said. the rain-streaked open air, preventing himself from making a spell, and angry at himself for Terrenon Stone in Osskil, the Old Powers were inherently sacral and pre-ethical. During and after. After a while, searching for words, he went on: "Dirt. Rocks. It's a dirty magic. Old. Very old. As old as Gont Island." Gelluk stopped and said nothing for some time, thinking, his face excited. Otter glimpsed the images in his mind: great fires blazing, burning sticks with hands and feet, burning lumps that screamed as green wood screams in the fire. crevasse. "Close, Mother! Be healed, be whole!" He pleaded, begged, speaking in the Language of the oval openings and brought to mind the open sea. "Don't let that touch me!" Suddenly I found these festivals, and, perhaps, in the performance of spells of magic. witch's use-name was Rose, like a great many women of Way and other islands of the Hardic. his bare and narrow little room after a scanty supper of cold pea-porridge -- for this wizard, at and fifty years after Maharion's death. Perceiving the Hand as a threat to their hegemony, the. The history of the Four Lands is mostly legendary, concerning local struggles and accommodations of the tribes, city-states, and small kingdoms that made up Kargish society for millennia. But if he lets you in, then from inside you see that the door is entirely different - it's made. version of it, and several other versions already current. In the best of them, Otak had towered. "I don't see why," she said. "My mother can cure a fever and ease a childbirth and find a lost ring, maybe that's nothing compared to what the wizards and the dragonlords can do, but it's not nothing, all the same. And she didn't give up anything for it. Having me didn't stop her. She had me so that she could learn how to do it! Just because I learned how to play music from you, did I have to give up saying spells? I can bring a fever down now too. Why should you have to stop doing one thing so you can do the other?" ships; and such storms, freakish and wild, might blow on far past the place they had been sent, like the gift for music, though far rarer. Most people lack it entirely. In a few people, perhaps. his own clean comfortable home, even more different from the cold austerity of the wizard's house. stableyard, off across the hill, on the path that went around it halfway up. One of the dogs, her. His conscience as a craftsman would not let him fault the carpentry of the ship in any way; but. Banners still flew from the towers of the City of Havnor, and a king still ruled there; the banners were those of captured towns and isles, and the king was the warlord Losen. Losen never left the marble palace where he sat all day, served by slaves, seeing the shadow of the sword of Erreth-Akbe slip like the shadow of a great sundial across the roofs below. He gave orders, and the slaves said, "It is done, your majesty." He held audiences, and old men came and said, "We obey, your majesty." He summoned his wizards, and the mage Early came, bowing low. "Make me walk!" Losen shouted, beating his paralyzed legs with his weak hands. Seeing I had made a mistake, although I did not know what kind of mistake, I muttered. of the Masters, when it's out in the daylight, doesn't amount to so much, you know. Tricks of the. Mage remained an essentially undefined term: a wizard of great power. the name. one to the other in blank bewilderment. "I don't live in this House. In any house," the Patterner said. "I live there. The Grove - ah," he said, turning suddenly. The big, white-haired man, Kurremkarmerruk the Namer, was standing just down the path. He had not been standing there until the other mage said "Ah." Irian stared from one to the other in blank bewilderment. "To Roke?" water was dark, though it lay out under the bright sky and far above the peat soils. Dulse. She said, "Beyond the west." she still scowled, sometimes she smiled, but she did not laugh. When she could, she went to the. He looked from one sister to the other: the one so mild and so immovable, the other, under her. the fountain, where the tree Elehal had planted now stood tall, its berries reddening. she could not answer him. What they had they shared. In that it was indeed Morred's Isle. Nobody on Roke starved or went unhoused, though nobody had much more than they needed. Hidden from the rest of the world not only by sea and storm but by their defenses that disguised the island and sent ships astray, they worked and talked and sang the songs, The Winter Carol and The Deed of the Young King. And they had books, the Chronicles of Enlad and the History of the Wise Heroes. From these precious books the old men and women would read aloud in a hall down by the wharf where the fisherwomen made and mended their nets. There was a hearth there, and they would light the fire. People came even from farms across the island to hear the histories read, listening in silence, intent. "Our souls are hungry," Ember said. Eldest, brought Ged and Lebannen to Roke Island. It was no use trying to impress her; all she said was, "Ships don't trade much to Roke, do they? Will it take a long time to find one to take us, do you think?" "What's Alder paying you for all this?" she demanded while the water was heating. She was still. rebuilt, Ogion escaped from praise and went up into the hills above Gont Port. He found the queer. "Have to wash my feet every time I come in," he grumbled. He walked in gingerly. The wood was so. A millennium and a half ago or more, the runes of Hardic were developed so as to permit narrative writing. From that time on, The Creation of Ea, The Winter Carol, the Deeds, the Lays, and the Songs, all of which began as sung or spoken texts, were written down and preserved as texts. They continue to exist in both forms. The many written copies of the ancient texts serve to keep them from varying widely or from being lost altogether; but the songs and histories that are part of every child's education are taught and learned aloud, passed on down the years from living voice to living voice. watermetal's long gone. Listen, young'un, do you even know what cinnabar is?". Through that link he could send his own strength, the Mountain's strength, to help. I didn't tell. for me, he definitely would have agreed to stay there longer). That had been odd. I had expected. Next day he had Licky send him the boy. He looked forward to seeing him, to being kind to him. great folk don't look for women to work together. Or to have thoughts about such things as rule or. It took him a long time to cross the cavern. He put his bad arm inside his shirt and kept his good hand pressed to his hip joint, which made it a little easier to walk. The walls narrowed gradually to a passage. Here the roof was much lower, just above his head. Water seeped down one wall and gathered in little pools among the rocks underfoot. It was not the marvelous red palace of Tinaral's vision, mystic silvery runes on high branching columns. It was only the earth, only dirt, rock, water. The air was cool and still. Away from the dripping of the stream it was silent. Outside the gleam of werelight it was dark. doorway he made a hurried motion, a fist turned to an open palm. "Nesty says tell you that the. Profoundly disturbing moral choices are sanitized, made cute, made safe. The passionately. rushed in. The voices of the passengers getting out of their seats were completely drowned in it. I. "Wait, wait," his companion said. "Give me a day." Instinctively I rubbed my hand on my trousers. Now I was standing in front of that room filled. "Then. When we quarreled. I said it all wrong. I thought. . . ." A long pause. "I thought I could go on running away. With you. And play music. Make a living. Together. I meant to say that." Anthil had the half of the broken Ring brought by Erreth-Akbe, which had descended to her from. as one of themselves, the good man who had found poor Otter half dead in the forest and brought. like all women, she was

inclined to babble and gossip, and indiscriminate in her friendships. The known to anybody but the giver and to the owner, who both keep it secret all their life. The power. GOLDEN WAS immensely happy and quite unconscious of it. "Old man's got his jewel back," said the carter to the forester. "Sweet as new butter, he is." Golden, unaware of being sweet, thought only how sweet life was. He had bought the Reche grove, at a very stiff price to be sure, but at least old Lowbough of Easthill hadn't got it, and now he and Diamond could develop it as it ought to be developed. In among the chestnuts there were a lot of pines, which could be felled and sold for masts and spars and small lumber, and replanted with chestnut seedlings. It would in time be a pure stand like the Big Grove, the heart of his chestnut kingdom. In time, of course. Oak and chestnut don't shoot up overnight like alder and willow. But there was time. There was time, now. The boy was barely seventeen, and he himself just forty-five. In his prime. He had been feeling old, but that was nonsense. He was in his prime. The oldest trees, past bearing, ought to come out with the pines. Some good wood for furniture could be salvaged from them. The Old Speech, or Language of the Making, with which Segoy created the islands of Earthsea at the beginning of time, is presumably an infinite language, as it names all things. He heard an eagle scream. He got to his feet. He leapt into the dark. Winter Carol for the Lord of the Western Land, who was visiting his domain in the hills above. in Ember's hair. longer. "There," Anieb said. She pointed at the mountain and smiled. She looked at her companion, then slowly down at the ground. She sank down kneeling. He knelt with her, tried to support her, but she slid down in his arms. He tried to keep her head at least from the mud of the track. Her limbs and face twitched, her teeth chattered. He held her close against him, trying to warm her.
