"You can sleep in the nook under the west window..The Master said that such gifts or capacities, untrained, are not only wasted, but may be dangerous. The art must be learned, and practiced, he said..So at last he summoned his own master, the Summoner of Roke, taking him unawares..Weren't human? ".with rage. Tern hurried him back to the boat before he exploded..You didn't say it..afoot, then?" "So far as we can see, they are. And no new sickenings." So now she's not a child, and she has no name. So then you wait. You open your mind up, like. Like opening the doors of a house to the wind. So it comes. Your tongue speaks it, the name. Your breath makes it. You give it to that child, the breath, the name. You can't think of it. You let it come to you. It must come through you to her it belongs to. That's the power, the way it works. It's all like that. It's not a thing you do. You have to know how to let it do. That's all the mastery..".I am not a witch," she said.
