Besides, he didn't want the police in San Francisco to know that he'd been suspected, by at least one of their kind, of having killed his wife in Oregon. What if one of the locals was curious enough to request a copy of the case file on Naomi's death, and what if in that file, Vanadium had made reference to Junior waking from a nightmare, fearfully repeating Bartholomew? And then what if Junior eventually located the right Bartholomew and eliminated the little bastard, and then what if the local cop who'd read the case file connected one Bartholomew to the other and started asking questions? Admittedly, that was a stretch. Nevertheless, he hoped to fade from the SFPD's awareness as soon as possible and live henceforth beyond their ken.. "Great guy. Do you have an address for her, a way maybe I could get in touch about her brother?". As Celestina settled on the sofa with the phone in her lap, hesitating to dial until she worked up a bit more courage, Angel said to Tom, "So what happened to your face?". He didn't wonder about his sanity, either, as a less self-improved man might have done. No madman strives to enhance his vocabulary or to deepen his appreciation for culture.. WHEN DR. JIM PARKHURST made his evening rounds, Junior didn't continue to feign sleep but asked earnest questions to which he knew most of the answers, having eavesdropped on the conversation between the physician and Detective Vanadium.. As Celestina and her mother loaded the last of the pies into the ice chests in the Suburban, Paul and Agnes came back from her station wagon at the head of the caravan.. He switched off the flashlight and stood solemnly for a moment, paying his respects to Seraphim. She had been so sweet, so innocent, so supple, so exquisitely proportioned.. She lived with her parents then. They had converted the dining room to a bedroom for her.. body on the flight out of San Francisco. When finally her obligations were met, she.. Eventually Junior crossed the room to stand before Industrial Woman in all her scrap-metal glory. Her soup-pot breasts reminded him of Frieda's equally abundant bosom, and unfortunately her mouth, open wide in a silent shriek, reminded him of Frieda retching.. "Oil and natural-gas pipelines will fracture, explode. A sea of fire will wash cities, killing hundreds of thousands more..". "What kept me going these past two and a half years was knowing that I could get my hands on Mr. Cain when I was finally well enough to do something about him..". "Would you like a little tea and a piece of crumb cake?" Grace asked as smoothly as if, in *The Big Book of Etiquette for Ministers' Wives*, this were the preferred response to the announcement of a startling career change.. In Junior's estimation, this was not the way that a normal person lived. This was the home of a deranged loner, a dangerously obsessive man.. Spinning off the stool, he had also spun out of control. Second by second, twin storms of anger and fear whirled stronger within him.. "Nevertheless, even if Muffin assaulted you, she's otherwise such a sweet little thing. What would Maria think of you if you told her you'd smashed poor Muffin with a shovel?". Junior had seen the silvery coin snapping off the cop's thumb and spinning upward. Now it was gone, as though it had vanished in midair.. "You should be with your children," Agnes worried. Maria looked up. "My babies are sitted with my sister..". The moment he had seen the building in which Nolly maintained an office-an aged three-story brick structure in the North Beach district, a seedy strip club occupying the ground floor-Junior knew he'd found the breed of snoop he needed. The detective was at the top of six flights of narrow stairs-no elevator-at the end of a dreary hallway with worn linoleum and with walls mottled by stains of an origin best left unconsidered. The air smelled of cheap disinfectant, stale cigarette smoke, stale beer, and dead hopes.. "Angel," Phimie said thickly, searching her sister's eyes for a sign of understanding.. Celestina had no illusions about playing detective. She would never be able to track down the bastard, and she had no stomach for confronting him.. His in-laws' chances of receiving compensation for their pain and suffering over Naomi's death were seriously compromised if her husband did not hold the state or county responsible. In this, as in nothing previously, they felt the need to stand united as a family.. Regrettably, he had no choice but to conclude that she hadn't made up her mind whether to keep the baby or to seek out an illegal abortion without Junior's approval. She had been thinking about scraping his child out of her womb without even telling him.. A floor-to-ceiling bookshelf was crammed with pulp magazines that had been published throughout the 1920s, '30s, and '40s, before paperback books supplanted them. *The All-Story*, *Mammoth Adventure*, *Nickel Western*, *The Black Mask*, *Detective Fiction Weekly*, *Spicy Mystery*, *Weird Tales*, *Amazing Stories*, *Astounding Stories*, *The Shadow*, *Doc Savage*, *G-8 and His Battle Aces*, *Mysterious Wu Fang* .... "I haven't disturbed him," said the visitor, taking his cue from the doctor and keeping his voice low.. Having anticipated a problem of one kind or another, Junior withdrew a packet of crisp new hundred-dollar bills from an inside jacket pocket. The bank band still wrapped the stack, and on it was printed \$10,000.
