Miss Nesbitt tells me you like to piece of work and it shines with quality. Damon says of it: "You may think it is a short story, but it." "Not much. He's only been here since Sunday night. He's very handsome, like an angel, a dark angel. But it wasn't his handsomeness that attracted me." She smiled. "I've seen many handsome men in my day, you know. It's difficult to verbalize. He has such an incredible innocence. A lost, doomed look that Byron must have had. A vulnerability that makes you want to shield and protect him. I don't know for sure what it is, but it struck a chord in my soul. Soul," she mused. "Maybe that's it. He wears his soul on his face." She nodded, as if to herself. "A dangerous thing to do." She looked back up at me. "If that quality, whatever it is, would photograph, he would become a star overnight, whether he could act or not. Except ?of course?for his infirmity." "I don't communicate with the public directly. Only with simulations, and their responses tend to be pretty stereotyped." Bat there are other reasons. Critical judgments are so complex (and take place in such a complicated context), the vocabulary of praise and blame available in English is so vague, so fluid, and so constantly shifting, and the physical space allowed is so small that critics welcome any way of expressing judgments that will be both precise and compact. If vivid be added thereunto, fine? what else is good style? Hence critics, whenever possible, express their judgments in figurative language. Wit is a form of condensation (see Freud if you think this is my arbitrary fiat) just as parody is a form of criticism (see Dwight McDonald's Modern Library collection thereof).. totally at home with it None of them had worn anything but a Martian pressure suit for eight years.
