Ofcourse the advantages to get and what sort of guide can associate that you are reading. And we will problem you touse studying **Download Agriculture Smart Learner EPUB** as among the stuff to accomplish. Had we thy coming known, we would for sacrifice, i. 13..? ? ? ? c. The Jewish Physician's Story xxviii.95. Abdurrehman the Moor's Story of the Roc ccciv. ? ? ? ? Unto its pristine lustre your land returned and more, Whenas ye came, dispelling the gloom that whiles it wore.. Now, as destiny would have it, a band of thieves, whose use it was, whenas they had stolen aught, to resort to that place and divide [their booty], came thither [that night], as of their wont; and they were ten in number and had with them wealth galore, which they were carrying. When they drew near the sepulchre, they heard a noise of blows within it and the captain said, 'This is a Magian whom the angels (43) are tormenting.' So they entered [the burial-ground] and when they came over against El Merouzi, he feared lest they should be the officers of the watch come upon him, wherefore he [arose and] fled and stood among the tombs. (44) The thieves came up to the place and finding Er Razi bound by the feet and by him near seventy sticks, marvelled at this with an exceeding wonderment and said, 'God confound thee! This was sure an infidel, a man of many crimes; for, behold, the earth hath rejected him from her womb, and by my life, he is yet fresh! This is his first night [in the tomb] and the angels

were tormenting him but now; so whosoever of you hath a sin upon his conscience, let him beat him, as a propitiatory offering to God the Most High.' And the thieves said, 'We all have sins upon our consciences.' 87. The Lovers of the Benou Tai dclxxiii. Then they returned to Dinarzad and displayed her in the fifth dress and in the sixth, which was green. Indeed, she overpassed with her loveliness the fair of the four quarters of the world and outshone, with the brightness of her countenance, the full moon at its rising; for she was even as saith of her the poet in the following verses: Queen Kemeriyeh embraced her, as also did Queen Zelzeleh and Queen Wekhimeh and Queen Sherareh, and the former said to her, 'Rejoice in assured deliverance, for there abideth no harm for thee; but this is no time for talk.' Then they cried out, whereupon up came the Afrits ambushed in the island, with swords and maces in their hands, and taking up Tuhfeh, flew with her to the palace and made themselves masters thereof, whilst the Afrit aforesaid, who was dear to Meimoun and whose name was Dukhan, fled like an arrow and stayed not in his flight till he came to Meimoun and found him engaged in sore battle with the Jinn. When his lord saw him, he cried out at him, saying, 'Out on thee! Whom hast thou left in the palace?' And Dukhan answered, saying, 'And who abideth in the palace? Thy beloved Tuhfeh they have taken and Jemreh is slain and they have gotten possession of the palace, all of it.' With this Meimoun buffeted his face and head and said, 'Out on it for a calamity!' And he cried aloud. Now Kemeriyeh had sent to her father and acquainted him with the news, whereat the raven of parting croaked for them. So, when Meimoun saw that which had betided him, (and indeed the Jinn smote upon him and the wings of death overspread his host,) he planted the butt of his spear in the earth and turning the point thereof to his heart, urged his charger upon it and pressed upon it with his breast, till the point came forth, gleaming, from his back. ? ? ? ? None, by Allah, 'mongst all creatures, none I love save thee alone! Yea, for I am grown thy bondman, by the troth betwixt us plight. 31. The City of Lebtait dxxxii. ? ? ? ? Pardon of God for everything I crave, except thy love, For on the day of meeting Him, that will my good deed be. Then he bade fetch the youth and when he was present before him, he prostrated himself to him and prayed for him; whereupon quoth the king to him, "Out on thee! How long shall the folk upbraid me on thine account and blame me for delaying thy slaughter? Even the people of my city blame me because of thee, so that I am grown a talking-stock among them, and indeed they come in to me and upbraid me [and urge me] to put thee to death. How long shall I delay this? Indeed, this very day I mean to shed thy blood and rid the folk of thy prate." Now the king's vizier had two daughters, own sisters, the elder of whom had read books and made herself mistress of [all] sciences and studied the writings of the sages and the histories of the boon-companions, (160) and she was possessed of abundant wit and knowledge galore and surpassing apprehension. She heard that which the folk suffered from the king and his despiteous usage of their children; whereupon compassion gat hold upon her for them and jealousy and she besought God the Most High that He would bring the king to renounce that his heresy, (161) and God answered her prayer. Then she took counsel with her younger sister and said to her, 'I mean to contrive somewhat for the liberation of the people's children; and it is that I will go up to the king [and offer myself to him], and when I come to his presence, I will seek thee. When thou comest in to me and the king hath done his occasion [of me], do thou say to me, 'O my sister, let me hear and let the king hear a story of thy goodly stories, wherewithal we may beguile the waking hours of our night, till we take leave of each other.' 'It is well,' answered the other. 'Surely this contrivance will deter the king from his heresy and thou shalt be requited with exceeding favour and abounding recompense in the world to come, for that indeed thou adventarest thyself and wilt either perish or attain to thy desire.' 22. Alaeddin Abou esh Shamat ccl. OF CLEMENCY. 47. The Man of Yemen and his six Slave-girls dxcv. We were sleeping one night on the roof, when a woman made her way into the house and gathering into a bundle all that was therein, took it up, that she might go away with it. Now she was great with child and near upon her term and the hour of her deliverance; so, when she made up the bundle and offered to shoulder it and make off with it, she hastened the coming of the pangs of labour and gave birth to a child in the dark. Then she sought for the flint and steel and striking a light, kindled the lamp and went round about the house with the little one, and it was weeping. [The noise awoke us,] as we lay on the roof, and we marvelled. So we arose, to see what was to do, and looking down through the opening of the saloon, (112) saw a woman, who had kindled the lamp, and heard the little one weeping. She heard our voices and raising her eyes to us, said, "Are ye not ashamed to deal with us thus and discover our nakedness? Know ye not that the day belongeth to you and the night to us? Begone from us! By Allah, were it not that ye have been my neighbours these [many] years, I would bring down the house upon you!" We doubted not but that she was of the Jinn and drew back our heads; but, when we arose on the morrow, we found that she had taken all that was with us and made off with it; wherefore we knew that she was a thief and had practised [on us] a device, such as was never before practised; and we repented, whenas repentance advantaged us not. ? ? ? ? It chanceth whiles that the blind man escapes a pit, Whilst he who is clear of sight falls into it. With this the king bade the vizier go away to his lodging, and when he arose in the morning, he abode his day in his house. ? ? ? ? Thou that wast absent from my stead, yet still with me didst bide, Thou wast removed from mine eye, yet still wast by my side. The merchant believed her and she took leave of him and went away, leaving in his heart a thousand regrets, for that the love of her had gotten possession of him and he knew not how he should win to her; wherefore he abode enamoured, love-distraught, unknowing if he were alive or dead. As soon as she was gone, he shut his shop and going up to the Court, went in to the Chief Cadi and saluted him. The magistrate returned his salutation and entreated him with honour and seated him by his side. Then said Alaeddin to him, "I come to thee, a suitor, seeking thine alliance and desiring the hand of thy noble daughter." "O my lord merchant," answered the Cadi, "indeed my daughter beseemeth not the like of thee, neither sorteth she with the goodliness of thy youth and the pleasantness of thy composition and the sweetness of thy discourse;" but Alaeddin rejoined, saying, "This talk behoveth thee not, neither is it seemly in thee; if I be content with her, how should this irk thee?" So they came to an accord and concluded the treaty of marriage at a dower precedent of five purses (257) paid down then and there and a dower contingent of fifteen purses, (258) so it might be uneth unto him to put her away, forasmuch as her father had given him fair warning, but he would not be warned. ? ? ? ? d. The Lover's Trick against the Chaste Wife dlxxx. ? ? ? ? By Him whom I worship, indeed, I swear, O thou that mine eye dost fill, By Him in whose honour the pilgrims throng and fare to Arafat's hill, ? ? ? ? Whenas the soul desireth one other than its peer, It winneth not of fortune the wish it holdeth dear. Caution was the Cause of his Death, The Man whose, i 291. On this wise they did with her sister Dinarzad, and when they had made an end of displaying the two brides, the king bestowed dresses of honour on all who were present and dismissed them to their own places. Then Shehrzad went in to King Shehriyar and Dinarzad to King Shahzeman and each of them solaced himself with the company of his beloved and the hearts of the folk were comforted. When the morning morrowed, the vizier came in to the two kings and kissed the ground before them; wherefore they thanked him and were bountiful to him. Then they went forth and

sat down upon couches of estate, whilst all the viziers and amirs and grandees and the chief officers of the realm and the household presented themselves before them and kissed the earth. King Shehriyar ordered them dresses of honour and largesse and they offered up prayers for the abiding continuance [on life] of the king and his brother..13. Seif el Mulouk and Bediya el Jemal ccxc
