Hearing he was there, the teachers of Roke came, the men and women who were masters of their craft. Medra had been the Master Finder, until he went to the Grove. A young woman now taught that art, as he had taught it to her.."And a man comes when you knock, an ordinary-looking man. And he gives you a test. You have to say a certain word, a password, before he'll let you in. If you don't know it, you can never go in. But if he lets you in, then from inside you see that the door is entirely different - it's made out of horn, with a tree carved on it, and the frame is made out of a tooth, one tooth of a dragon that lived long, long

before Erreth-Akbe, before Morred, before there were people in Earthsea. There were only dragons, to begin with. They found the tooth on Mount Onn, in Havnor, at the centre of the world. And the leaves of the tree are carved so thin that the light shines through them, but the door's so strong that if the Doorkeeper shuts it no spell could ever open it. And then the Doorkeeper takes you down a hall and another hall, till you're lost and bewildered, and then suddenly you come out under the sky. In the Court of the Fountain, in the very deepest inside of the Great House. And that's where the Archmage would be, if he was there...". "Yes," said the Patterner. "What goes too long unchanged destroys itself. The forest is for ever." he said this. It was not what he had meant to say.. "Whatever for?". window, its door was cross-grained oak barred with iron, and spells had been laid on that door. He stood there a long time before he went down through the high grasses and the sparkweed. At the foot of the hill he came into a lane. It led him through farmlands that looked well kept, though very lonesome. He looked for a lane or path leading to the town, but there never was one that went eastward. Not a soul was in the fields, some of which were newly ploughed. No dog barked as he went by. Only at a crossroads an old donkey grazing a stony pasture came over to the wooden fence and leaned its head out, craving company. Medra stopped to stroke the grey-brown, bony face. A city man and a saltwater man, he knew little of farms and their animals, but he thought the donkey looked at him kindly.. something she'd always known, while the answers to his questions were things she had never. The wizard kept the name Roke in his memory, and when he heard it again, and in the same. to living voice.. of chambers rose up into the tower through smoke and fumes. In those chambers, Licky had told him, Havnor was better placed for trade and for sending out fleets to protect the Hardic islands. The idea of doing harm troubled her, but the idea of danger had not entered her mind. She found it. He looked up suddenly. The sheep, who had been grouped near the stile, were scurrying off, and someone was coming along the path from the Great House.. fast and brilliant, too fast for some of the dancers. Diamond and his partner stayed in, and. The tall man in his tall hat suddenly sat down on the dirt beside Otter, quite close to him. His breath smelled earthy. His light eyes gazed directly into Otter's eyes. "Would you like to know? You can know anything you like. I need have no secrets from you. Nor you from me," and he laughed, not threateningly, but with pleasure. He gazed at Otter again, his large, white face smooth and thoughtful. "Powers you have, yes, all kinds of little traits and tricks. A clever lad. But not too clever; that's good. Not too clever to learn, like some... I'll teach you, if you like. Do you like learning? Do you like knowledge? Would you like to know the name we call the King when he's all alone in his brightness in his courts of stone? His name is Turres. Do you know that name? It's a word in the language of the Allking. His own name in his own language. In our base tongue we would say Semen." He smiled again and patted Otter's hand. "For he is the seed and fructifier. The seed and source of might and right. You'll see. You'll see. Come along! Come along! Let's go see the King flying among his subjects, gathering himself from them!" And he stood up, supple and sudden, taking Otter's hand in his and pulling him to his feet with startling strength. He was laughing with excitement.. forest and meadow, but the rain will fall, the rivers will run to the sea. The unstable, mutable, sent out sorcerers and wizards trained to understand the ethical practice of magic and to protect. Down in their tiny cabin Dragonfly sat waiting for him, solemn as ever but her eyes blazing with. And it's true that in the time of Medra and Elehal the people of Roke, men and women, had no fear of the Old Powers of the earth, but revered them, seeking strength and vision from them. That changed with the years.. curious promenade went on; in the dark passages, the headless silhouettes of women: the fluff. "I'll ask them their name," Medra said. He smiled. "If they'll tell me, they can come in. And when. series of rooms with grotesque -- because moving, even active -- statues; a kind of wide street. Ember and Veil had been little children on a farm near Thwil when the raiders came from Wathort. Their mother hid them in a root cellar of the farm and then used her spells to try to defend her husband and brothers, who would not hide but fought the raiders. They were butchered with their cattle. The house and barns were burnt. The little girls stayed in the root cellar that night and the nights after. Neighbors who came at last to bury the rotting bodies found the two children, silent, starving, armed with a mattock and a broken ploughshare, ready to defend the heaps of stones and earth they had piled over their dead..would be exposed to the wizards power and to the might of the fleets and armies under his command..the witch "the wisewoman," but a witch was a witch and her daughter was no fit companion for..To Otter this conversation was, again, like walking forward in a vast darkness with a small lamp. Anieb's understanding was that lamp. Each step revealed the next step he must take, but he could never see the place where he was. He did not know what was coming next, and did not understand what he saw. But he saw it, and went forward, word by word..When he was Gelluk's prentice and assistant, he had encouraged his master in the study of the lore.
