We're the place to get for your publication that is referred. And today, your own time to acquire this specific guide since among the compromises has already been ready. Then said he whom she had delivered from torture and for whom she had paid a thousand dirhems and who had required her of herself in his house, for that her beauty pleased him, and [when she refused to yield to him] had forged a letter against her and treacherously denounced her to the Sultan and requited her bounty with ingratitude, 'I am he who wronged her and lied against her, and this is the issue of the oppressor's affair.' Khalif Omar ben Abdulaziz and the Poets, The, i. 45. O son of Simeon, give no ear to other than my say, iii. 36. ? ? ? ? Him I beseech our loves who hath dissevered, Us of his grace once more to reunite. When her husband heard this, he said to her, 'What is thy name and what are the names of thy father and mother?' She told him their names and her own, whereby he knew that it was she whose belly he had slit and said to her, 'And where are thy father and mother?' 'They are both dead,' answered she, and he said, 'I am that journeyman who slit thy belly.' Quoth she, 'Why didst thou that?' And he replied, 'Because of a saying I heard from the wise woman.' 'What was it?' asked his wife, and he said, 'She avouched that thou wouldst play the harlot with a hundred men and that I should after take thee to wife.' Quoth she, 'Ay, I have whored it with a hundred men, no more and no less, and behold, thou hast married me.' 'Moreover,' continued her husband, 'the wise woman foresaid, also, that thou shouldst die, at the last of thy life, of the bite of a spider. Indeed, her saying hath been verified of the harlotry and the marriage, and I fear lest her word come true no less in the matter of thy death.' As for the governor, he wasted all that was with him and returned to the city, where he saw the youth and excused himself to him. Then he questioned him of what had befallen him and he told him, whereat he marvelled and returned to companionship with him; but the youth ceased to have regard for him and gave him not stipends, as of his [former] wont, neither discovered to him aught of his secrets. When the governor saw that there was no profit for him with the young Khorassani, he returned to the king, the ravisher of the damsel, and told him what the chamberlain had done and counselled him to slay the latter and incited him to recover the damsel, [promising] to give his friend to drink of poison and return. So the king sent for the chamberlain and upbraided him; whereupon he fell upon him and slew him and the king's servants fell upon the chamberlain and slew him. "There was once a king named Bihkerd aed he had wealth galore and many troops; but his deeds were evil and he would punish for a slight offence and never forgave. He went forth one day to hunt and one of his servants shot an arrow, which lit on the king's ear and cut it off. Quoth Bihkerd, 'Who shot that arrow?' So the guards brought him in haste the offender, whose name was Yetrou, and he of his fear fell down on the ground in a swoon. Then said the king, 'Put him to death;' but Yetrou said, 'O King, this that hath befallen was not of my choice nor of my knowledge; so do thou pardon me, in the hour of thy power over me, for that clemency is of the goodliest of things and belike it shall be [in this world] a provision and a good work [for which thou shall be required] one of these days, and a treasure [laid up to thine account] with God in the world to come. Pardon me, therefore, and fend off evil from me, so shall God fend off from thee evil the like thereof.' When the king heard this, it pleased him and he pardoned the servant, albeit he had never before pardoned any. Then said she to him, "O chief of the kings, the wise say, 'The kingship is a building, whereof the troops are the foundation,' and whenas the foundation is strong, the building endureth; wherefore it behoveth the king to strengthen the foundation, for that they say, 'Whenas the foundation is weak, the building falleth.' On like wise it behoveth the king to care for his troops and do justice among his subjects, even as the owner of the garden careth for his trees and cutteth away the weeds that have no profit in them; and so it behoveth the king to look into the affairs of his subjects and fend off oppression from them. As for thee, O king," continued Shehrzad, "it behoveth thee that thy vizier be virtuous and versed in the knowledge of the affairs of the folk and the common people; and indeed God the Most High hath named his name (166) in the history of Moses (on whom be peace!) whenas He saith, [Quoth Moses] 'And make me a vizier of my people, Aaron [my brother]. (167) Could a vizier have been dispensed withal, Moses ben Imran had been worthier [than any of this dispensation]. (168). Then he brought out the casket of jewellery [and showed it to an expert,] who told him that the trinkets were gilt and that their worth was but an hundred dirhems. When he heard this, he was sore concerned thereat and presenting himself before the Sultan's deputy, made his complaint to him; whereupon the latter knew that a trick had been put off upon him and that the folk had cozened him and gotten the better of him and taken his stuffs. Now the magistrate in question was a man of good counsel and judgment, well versed in affairs; so he said to the draper, "Remove somewhat from thy shop, [and amongst the rest the casket,] and on the morrow break the lock and cry out and come to me and complain that they have plundered all thy shop. Moreover, do thou call [upon God for succour] and cry aloud and acquaint the folk, so that all the people may resort to thee and see the breach of the lock and that which is missing from thy shop; and do thou show it to every one who presenteth himself, so the news may be noised abroad, and tell them that thy chief concern is for a casket of great value, deposited with thee by a great man of the town and that thou standest in fear of him. But be thou not afraid and still say in thy converse, 'My casket belonged to such an one, and I fear him and dare not bespeak him; but you, O company and all ye who are present, I call you to witness of this for me.' And if there be with thee more than this talk, [say it,] and the old woman will come to thee." When came the time [of the accomplishment] of the foreordered fate and the fortune graven on the forehead and there abode for the boy but ten days till the seven years should be complete, there came to the mountain hunters hunting wild beasts and seeing a lion, gave chase to him. He fled from them and seeking refuge in the mountain, fell into the pit in its midst. The nurse saw him forthright and fled from him into one of the closets; whereupon the lion made for the boy and seizing upon him, tore his shoulder, after which he sought the closet wherein was the nurse and falling upon her, devoured her, whilst the boy abode cast down in a swoon. Meanwhile, when the hunters saw that the lion had fallen into the pit, they came to the mouth thereof and heard the shrieking of the boy and the woman; and after awhile the cries ceased, whereby they knew that the lion had made an end of them. So the youth returned to his house, and indeed the world was grown black in his eyes and he said, 'My father said sooth.' Then he opened the chamber door and piling up the bricks under his feet, put the rope about his neck and kicked away the bricks and swung himself off; whereupon the rope gave way with him [and he fell] to the ground and the ceiling clove in sunder and there poured down on him wealth galore, So he knew that his father meant to discipline (226) him by means of this and invoked God's mercy on him. Then he got him again that which he had sold of lands and houses and what not else and became once more in good case. Moreover, his friends returned to him and he entertained them some days. ? ? ? ? ? ? ? ? ? ? aa. The Merchant and the Parrot xiv. 54. The Woman whose Hands were cut off for Almsgiving dcxli. ? ? ? ? ? h. The Drop of Honey dccccclxxxvi. God keep the days of love-delight! How passing sweet they were! ii. 96. ? ? ? ? ? a. Story

of the Ox and the Ass.164. The Merchant of Oman dccccxvi. ? ? ? ? ? What is there in the tents? Their burdens are become A lover's, whose beloved is in the litters' shrined..Then she took the lute and smote thereon, after the fashion she had learnt from the Sheikh Iblis, so that Er Reshid's wit was dazed for excess of delight and his understanding was confounded for joy; after which she improvised and sang the following verses:..When the evening evened, the king sat in his privy chamber and bade fetch the vizier, who presented himself before him, and the king required of him the promised story. So the vizier answered, "With all my heart. Know, O king, that. ? ? ? ? ? Yea, all my passion and desire and love-longing in verse, As pearls in goodly order strung it were, I did enshrine..The absent ones' harbinger came us unto, iii. 153..When it was the time of the evening meal, the king repaired to the sitting-chamber and summoning the vizier, sought of him the story he had promised him; and the vizier said, "They avouch, O king, that..When his father saw the strength of his determination to travel, he fell in with his wishes and equipped him with five thousand dinars in cash and the like in merchandise and sent with him two serving-men. So the youth set out, trusting in the blessing of God the Most High, and his father went out with him, to take leave of him, and returned [to Damascus]. As for Nouredin Ali, he gave not over travelling days and nights till he entered the city of Baghdad and laying up his loads in the caravanserai, made for the bath, where he did away that which was upon him of the dirt of the road and putting off his travelling clothes, donned a costly suit of Yemen stuff, worth an hundred dinars. Then he put in his sleeve (6) a thousand mithcals (7) of gold and sallied forth a-walking and swaying gracefully as he went. His gait confounded all those who beheld him, as he shamed the branches with his shape and belittled the rose with the redness of his cheeks and his black eyes of Babylonian witchcraft; indeed, thou wouldst deem that whoso looked on him would surely be preserved from calamity; [for he was] even as saith of him one of his describers in the following verses:..Then said the Khalif to her, "I lie and my eunuch lieth, and thou liest and thy waiting-woman lieth; so methinks we were best go, all four of us together, that we may see which of us telleth the truth." Quoth Mesrou, "Come, let us go, that I may put this ill-omened old woman to shame (37) and deal her a sound drubbing for her lying." And she answered him, saying, "O dotard, is thy wit like unto my wit? Indeed, thy wit is as the hen's wit." Mesrou was incensed at her words and would have laid violent hands on her, but the Lady Zubeideh warded him off from her and said to him, "Her sooth-fastness will presently be distinguished from thy sooth-fastness and her leasing from thy leasing".When the cook heard this, he said in himself, 'It will do me no hurt if I imprison him and shackle him and bring him what he may work at. If he tell truth, I will let him live, and if he prove a liar, I will slay him.' So he took a pair of stout shackles and clapping them on Selim's legs, imprisoned him within his house and set over him one who should guard him. Then he questioned him of what tools he needed to work withal. Selim set forth to him that which he required, and the cook went out from him and presently returning, brought him all he needed. So Selim sat and wrought at his craft; and he used every day to earn two dinars; and this was his wont and usance with the cook, whilst the latter fed him not but half his fill..?THE THIRD OFFICER'S STORY.King's Son of Cashghar, Abdullah ben Nafi and the, ii. 195..As stated In the Prefatory Note to my "Book of the Thousand Nights and One Night," four printed Editions (of which three are more or less complete) exist of the Arabic text of the original work, namely those of Calcutta (1839-42), Boulac (Cairo), Breslau (Tunis) and Calcutta (1814-18). The first two are, for purposes of tabulation, practically identical, one whole story only, (222) of those that occur in the Calcutta (1839-42) Edition, (which is the most complete of all,) being omitted from that of Boulac; and I have, therefore, given but one Table of Contents for these two Editions. The Breslau Edition, though differing widely from those of Calcutta (1839-42) and Boulac in contents, resembles them in containing the full number (a thousand and one) of Nights, whilst that of Calcutta (1814-18) is but a fragment, comprising only the first two hundred Nights and the Voyages of Sindbad, as a separate Tale..Voyage of Sindbad the Sailor, The Seventh, iii. 224..Mariyeh opened the mantle, and when she saw that necklace, and indeed the place was illumined with the lustre thereof, she looked at her slave-girl and said to her, "By Allah, O Shefikeh, one look at him were liefer to me than all that my hand possesseth! Would I knew what I shall do, whenas Baghdad is empty of him and I hear no tidings of him!" Then she wept and calling for inkhorn* and paper and pen of brass, wrote the following verses:..Now there remained one after her; so we took her and drowned her and the eunuchs went away, whilst we dropped down the river with the boat till we came to the mouth of the canal, where I saw my mistress awaiting me. So we took her up into the boat and returned to our pavilion on Er Rauzeh. Then I rewarded the boatman and he took his boat and went away; whereupon quoth she to me, "Thou art indeed a friend in need." (189) And I abode with her some days; but the shock wrought upon her so that she sickened and fell to wasting away and redoubled in languishment and weakness till she died. I mourned for her with an exceeding mourning and buried her; after which I removed all that was in the pavilion to my own house [and abandoned the former]..(Quoth Abdallah ben Nan) So I became his boon-companion and entertained him by night [with stories and the like]; and this pleased him to the utmost and he took me into especial favour and bestowed on me dresses of honour and assigned me a separate lodging; brief, he was everywise bountiful to me and could not brook to be parted from me a single hour. So I abode with him a while of time and every night I caroused with him [and entertained him], till the most part of the night was past; and when drowsiness overcame him, he would rise [and betake himself] to his sleeping-place, saying to me, "Forsake not my service for that of another than I and hold not aloof from my presence." And I made answer with "Harkening and obedience."
