They proceeded to set it down directly before the gate. I knew from its length that here was no ordinary wealthy merchant, but I was unprepared for the personage who presently stepped out and stood gazing at the Project with black blazing eyes. Those eyes burned right through Ike and Eli and Dan and me, as though we weren't even there, then swept upward, absorbing the entire Project with a single glance. It dawned on me finally, as I took in the small gold crown nestled in the black ringleted hair, the flared eyebrows, the fierce nostrils and the defiant jaw, that I was looking at the King..188. There's no other way. Oh, not people like us, maybe. Maybe we're seeing them right now, spinning like crazy." They all looked uneasily at the whirligigs. "But I think they're not here yet I think we're going to see, over the next few years, increasing complexity in these plants and animals as they build up a biome here and get ready for the builders. Think about it. When summer comes, the conditions will be very different. The atmosphere will be almost as dense as ours, with about the same partial pressure of oxygen. By then, thousands of years from now, these early forms will have vanished. These things are adapted for low pressure, no oxygen, scarce water. The later ones will be adapted to an environment much tike ours. And that's when we'll see the makers, when the stage is properly set." She sounded almost religious when she said it..The grey man was so happy he jumped from the trunk, turned a cartwheel, then fell to wheezing and..performance has ever been? said, pronouncing the word with all the contempt of one in whose veins ran a ten. 'Til have to go around it then," said the grey man. But when he moved to the right, the unicorn moved to the right; and when he moved to the left, the unicorn did the same. his hair was grey. His voice sounded to Amos like wind over mouse fur, or sand ground into old velvet. made them the darlings of the gossip columns. "Miss Tremaine, I'll be back in an hour or so. K any slinky blondes come in wanting me to find their kid sisters, tell 'em to wait". Now, as the drums sounded in the distance, Nina slept Unmindful of the din, heedless of his presence, her eyes hooded and she lay somnolent in animal repletion. The MacKinnons were not in their blue settee, and neither Freddy the usher nor Madge of the green sofa could say what had become of them. He flopped into the empty settee with a sense of complete, abject surrender, but so eternally does hope spring that inside of a quarter of an hour he had adjusted to the idea of never being licensed and was daydreaming instead of a life of majestic, mysterious silence on the rim of the Grand Canyon. He rolled out the console and ordered a slice of pineapple pie and some uppers. I stood outside number seven suddenly feeling like a teen-ager about to pick up his first date. I could. Having called for a discussion, McKillian proceeded to clam up. Song and Crawford sat on their bunks, and eventually as the silence stretched tighter, they all found themselves looking to Lang. "Then marry me," said Amos, "for I always thought you had uncommonly good sense in matters of whom to believe and whom not to. Your last words have proved you worthy of my opinion." only one knob, for nearer or farther? to move up/down, or left/right, you just point the viewer where you
