But that's only as a last resort, as I said." He looked across at Colman, who returned a heavy nod..Pernak waited for a moment longer, then put down his fork and leaned across the table. "On Chiron, wealth is competence!" he said. "Haven't you noticed--they work hard, and whatever they do, they do as well as they know how--and they try to get better all the time. It doesn't matter so much what they do as long as it's good. And everybody appreciates it. That's their currency--recognition, as you said . . . recognition of competence." He shrugged and spread his hands. "And it makes a lot of sense. You just told us that's what everyone wants anyway. Well, Chironians pay it direct instead of indirectly through symbols. Why make life complicated?". "Two of your officers are heading this way. I thought you ought to know." .wouldn't buck up their spirits and send them to bed with a smile..neighborhood, eating stray cats." "The day before the July Fourth holiday," Geneva said, "you sell lots of lunchmeats and beer. "It's all right. You stay there, Celia. I can manage." She saw the expression on Celia's face and smiled. Her voice dropped to a whisper. "I know--awful.. "What wouldn't be?" Geneva wondered.. "But how can you be so sure?". "Fine." Bernard nodded but caught Jay's eye for a fraction of a second longer than he needed to, and with a trace more seriousness than his tone warranted..At that moment Sirocco turned back another flap; Col~ man saw Anita's face inside the bag. It was white, like marble, and waxy. He swallowed and stared woodenly. The Chironian's eyes flickered briefly across his face. "Someone you knew?".Instead of a lawn with trees, a narrow covered patio shaded the front entrance. Here in back, a strip of."That may be, but it's beside the point that I was trying to make," Merrick said. "Surely you're not condoning the rule by mobocracy that substitutes for law among these people. Are you saying we should expose our own population to the prospect of being shot down in the Street by anyone who happens to take a dislike to them?".Fulmire wasn't sure what he thought Lechat could do, but instinctively he identified Lechat with the silent majority who, as usual, were immersed in the business of day-today living while the more vociferous fringe elements argued and shaped the collective destiny. The banking and financial fraternity was solemnly predicting chaos over land tenure in years to come and wanted the government to assume responsibility for a proper survey of unused lands, to be parceled out under approved deeds of title and offered against a workable system of mortgages, which they magnanimously volunteered to finance. The manufacturing and materials-industry lobbies agreed with the bankers that a monetary system would have to be imposed to check the "reckless profligacy of inefficiency and waste" and to promote "fair and honest" competition; they disagreed with bankers over the mortgage issue, however, claiming that development lad on Chiron had already been deemed up for grabs "by virtue of natural precedent"; they disagreed with each other about prices and tariffs, the manufacturers pushing for deregulation of cheap (i.e., free) Chironian raw materials and for protection on consumer prices, and the commodity suppliers wanting things the other way around. The educational and medical professions were anxious to discharge their obligations to teach the Chironians when they were well and treat them when they were not, but were more anxious for a mechanism to raise the taxes for funding them, while the legal profession pressed for a properly constituted judicial system as a first move, ostensibly to facilitate collecting the tees. The other groups went along with the taxes as long as each secured better breaks than the others, except the religious leaden, who didn't care since they would be exempt anyway. But they clashed with the teachers over a move to place minister in the schools in order to "strangle at its roots the evil and decay which is loose upon this planet," with the doctors over whether the causes were cultural or spiritual, with the lawyer over the issue of making the

Chironian practice of serial, and at times parallel, polygamy and polyandry illegal, and with everybody over the question of "emergency" subsidies for erecting churches. And so it went..Even in the darkest moments, light exists if you have the faith to see it. There's one in New York, one in Washington. Circle of Friends indirectly.Just then, two Chironian girls strolled around the corner from the narrow corridor. They looked fresh and pretty in loose blouses worn over snug-fitting slacks, and had lightweight stretch-boots of some silvery, lustrous material. One of them had brown, wavy hair with a reddish tint to it, and looked as if she were in her mid-thirties; the other was a blonde of perhaps twenty-two. For a split second, Driscoll felt an instinctive twinge of apprehension at the thought of looking ridiculous, but the girls showed no surprise. Instead they paused and looked at him not unpleasantly, but with a hint of reserve as if they wanted to smile but weren't quite sure if they should.
