We're the location to get for the book that is referred. And your time to obtain this specific guide since among the compromises has been ready. Now it was the enemy's wont, at every year's end, to bring forth their prisoners and cast them down from the top of the citadel to the bottom. So they brought

story, he was exceeding wroth and assembling many troops, said to them, "Whenas the king was occupied with his women [and concerned not himself with the affairs of his kingdom], we took no reck of him; but now he putteth out his hand to our harem; wherefore methinketh we should do well to look us out a place, wherein we may have sanctuary." And to the birds' descant in the foredawns, From out the boughs it flowered forth and grew, Drink ever, O lovers, I rede you, of wine, ii. 230.

When clear'd my sky was by the sweet of our foregathering And not a helper there remained to disuniting Fate, . . . So, of the heaviness of his wit, he believed her and turning back, went in to the trooper; but she had foregone him, and when he saw her beside her lover, he fell to looking on her and pondering. Then he saluted her and she returned him the salutation; and when she spoke, he was bewildered. So the trooper said to him, 'What ails thee to be thus?' And he answered, 'This woman is my wife and the voice is her voice.' Then he rose in haste and returning to his own house, saw his wife, who had foregone him by the secret passage. So he went back to the trooper's house and saw her sitting as before; whereupon he was abashed before her and sitting down in the trooper's sitting-chamber, ate and drank with him and became drunken and abode without sense all that day till nightfall, when the trooper arose and shaving off some of the fuller's hair (which was long and flowing) after the fashion of the Turks, clipped the rest short and clapped a tarboush on his head. Credulous Husband, The, i. 270. They have shut out thy person from my sight; They cannot shut thy memory from my spright. Then, when he rode to his house that he had bought, the shopkeeper and his wife came to him and gave him joy of his safety; whereupon he ordered them three swift thoroughbred horses and ten dromedaries and an hundred head of sheep and clad them both in sumptuous dresses of honour. Then he chose out ten slave-girls and ten black slaves and fifty horses and the like number of she- camels and three hundred head of sheep, together with twenty ounces of musk and as many of camphor, and sent all this to the King of Baghdad. When this came to Ins ben Cais, his wit fled for joy and he was perplexed wherewithal to requite him. Moreover, El Abbas gave gifts and largesse and bestowed dresses of honour upon great and small, each after the measure of his station, save only Mariyeh; for unto her he sent nothing. When the evening came and the king sat in his privy chamber, he summoned the vizier and required of him the story of the thief and the woman. Quoth the vizier, "Know, O king, that. Accordingly, one night, when they were alone with the king and he leant back, as he were asleep, they said these words and the king heard it all and was like to die of rage and said in himself, 'These are young boys, not come to years of discretion, and have no intrigue with any; and except they had heard these words from some one, they had not spoken with each other thereof.' When it was morning, wrath overmastered him, so that he stayed not neither deliberated, but summoned Abou Temam and taking him apart, said to him, 'Whoso guardeth not his lord's honour, (126) what behoveth unto him?' Quoth Abou Temam, 'It behoveth that his lord guard not his honour.' 'And whoso entereth the king's house and playeth the traitor with him,' continued the king, 'what behoveth unto him?' And Abou Temam answered, 'He shall not be left on life.' Whereupon the king spat in his face and said to him, 'Both these things hast thou done.' Then he drew his dagger on him in haste and smiting him in the belly, slit it and he died forthright; whereupon the king dragged him to a well that was in his palace and cast him therein. So she made ready and setting out, traversed the deserts and spent treasures till she came to Sejestan, where she called a goldsmith to make her somewhat of trinkets. [Now the goldsmith in question was none other than the prince's friend]; so, when he saw her, he knew her (for that the prince had talked with him of her and had depicted her to him) and questioned her of her case. She acquainted him with her errand, whereupon he buffeted his face and rent his clothes and strewed dust on his head and fell a-weeping. Quoth she, 'Why dost thou thus?' And he acquainted her with the prince's case and how he was his comrade and told her that he was dead; whereat she grieved for him and faring on to his father and mother, [acquainted them with the case].

STORY OF THE KING WHO LOST KINGDOM AND WIFE AND WEALTH AND GOD RESTORED THEM TO HIM. So he took a belt, wherein were a thousand dinars, and binding it about his middle, entered the city and gave not over going round about its streets and markets and gazing upon its houses and sitting with those of its folk whose aspect bespoke them men of worth, till the day was half spent, when he resolved to return to his sister and said in himself, 'Needs must I buy what we may eat of ready-[dressed] food] I and my sister.' Accordingly, he accosted a man who sold roast meat and who was clean [of person], though odious in his [means of getting a] living, and said to him, 'Take the price of this dish [of meat] and add thereto of fowls and chickens and what not else is in your market of meats and sweetmeats and bread and arrange it in dishes.' So the cook set apart for him what he desired and calling a porter, laid it in his basket, and Selim paid the cook the price of his wares, after the fullest fashion. 82. Said ben Salim and the Barmecides cccxcii. So the old man put his head forth of the window and called the youth, who came to him from the mosque and sought leave [to enter]. The Muezzin bade him enter, and when he came in to the damsel, he knew her and she knew him; whereupon he turned back in bewilderment and would have fled; but she sprang up to him and seized him, and they embraced and wept together, till they fell down on the ground in a swoon. When the old man saw them in this plight, he feared for himself and fled forth, seeing not the way for drunkenness. His neighbour the Jew met him and said to him, "How comes it that I see thee confounded?" "How should I not be confounded," answered the old man, "seeing that the damsel who is with me is fallen in love with the servant of the mosque and they have embraced and fallen down in a swoon? Indeed, I fear lest the Khalif come to know of this and be wroth with me; so tell me thou what is to be done in this wherewith I am afflicted of the affair of this damsel." Quoth the Jew, "For the nonce, take this casting-bottle of rose-water and go forth-right and sprinkle them therewith. If they be aswoon for this their foregathering and embracement, they will come to themselves, and if otherwise, do thou flee." I am content, for him I love, to all abide; So, who will, let him blame, and who will, let him chide. Vizier, The King of Hind and his, ii. 105. When Galen heard this, he ordered the weaver the amount of his wife's dowry and bade him pay it to her and divorce her. Moreover, he forbade him from returning to the practice of physic and warned him never again to take to wife a woman of better condition than himself; and he gave him his spending-money and bade him return to his [former] craft. Nor," added the vizier, "is this more extraordinary or rarer than the story of the two sharpers who cozened each his fellow."

THE SEVENTH OFFICER'S STORY. Quoth the Khalif, "God grant thee that thou seekest! Let us drink one last cup and rise before the dawn draw near, and to-morrow night I will be with thee again." "Far be it!" said Aboulhusn. Then the Khalif filled a cup and putting therein a piece of Cretan henbane, gave it to his host and said to him, "My life on thee, O my brother, drink this cup from my hand!" "Ay, by thy life," answered Aboulhusn, "I will drink it from thy hand." So he took it and drank it off; but hardly had he done so, when his head forewent his feet and he fell to the ground like a slain man; whereupon the Khalif went out and said to his servant Mesroul, "Go in to yonder young man, the master of the house, and take him up and bring him to me at the palace; and when thou goest out, shut the door."
