HAVING COMPLETED HER English lesson, Maria Elena Gonzalez went home with a plastic shopping bag full of precisely damaged clothes and a smaller, paper bag containing cherry muffins for her two girls..Anyway, if Celestina escaped, there would be a witness, and it wouldn't matter to a jury that she was a talentless bitch who painted kitsch. She would have seen Junior get out of the Mercedes and would be able to provide at least a half-accurate description of the car in spite of the fog. He still hoped to pull this off without having to give up his good life on Russian Hill..Junior must have shouted shut up more than he realized, because the neighbors began to pound on the wall to silence him.. "You can't take much of anything by mouth for a few hours yet," said the nurse. "Nausea is too great a risk. Retching might start you hemorrhaging again..". "That was five years ago. After

more surgeries than I care to remember, I was left with these." He raised his goblin hands again. "There's pain in humid weather, less when it's dry. I can take care of myself, but I'll never be a card mechanic again ... or a magician." force open Edom's mouth. "Eat your sin, boy, eat your sin!" Edom resists eating his sin, but he's afraid for his eyes., "I know what you mean. Mr. Cain, I'd never turn my back on that much money if there was any damn way at all I could earn it." Sudden rain spared her the need to finish the sentence. A few fat drops drew both their faces to the sky, and even as they rose to their feet, this brief light paradiddle of sprinkles gave way to a serious drumming..And God has four hundred billion billion fingers, and He plays a really hot version of "Hawaiian Holiday..This was only a fraction of Paul's collection. Thousands of additional issues filled rooms at home..If Junior had not been such a rational man, schooled in logic and reason by the books of Caesar Zedd, he might have snapped there in the street, before the photograph of Seraphim, might have begun to shake and sob and babble until he wound up in a psychiatric ward. But although his trembling knees felt no more supportive than aspic, they didn't dissolve under him. He couldn't breathe for a minute, and his vision darkened at the periphery, and the noise of passing traffic suddenly sounded like the agonized shrieks of people tortured beyond endurance, but he held fast to his wits long enough to realize that the name under the photo, which served as the centerpiece of a poster, read Celestina White in four-inch letters, not Seraphim..Celestina looked up from the scarred top of the desk toward the fog-white sky beyond the window, from reality to the promise..In the passenger's seat, Barty was cushioned in his mother's arms. At times, the boy cooed or gurgled, or made a wet chording sound..Nolly was, as usual, "Nolly" to everyone, but here Kathleen was "Mrs. Wulfstan." Instead, trying not to let Barty see the depth of her concern, she told him to get his jacket from the front closet, and she got hers, and leaving the buttermilk-raisin pies unfinished, she drove him to the doctor's office, because he was her reason to breathe, the engine of her heart, her hope and joy, her everlasting bond to her lost husband. Dr. Joshua Nunn was only forty-eight, but he had appeared grandfatherly since Agnes had first gone to him as a patient after the death of her father, more than ten years ago. His hair turned pure white before he was thirty. Every day off, he either worked assiduously on his twenty-foot sportfisher, Hippocratic Boat, which he scraped and painted and polished and repaired with his own hands, or puttered around Bright Bay in it, fishing as though the fate of his soul depended on the size of his catch; consequently, he spent so much time in the salt air and sun that his perpetually tan face was well-wizened at the corners of his eyes and as appealingly creased as that of the best of grandfathers. Joshua applied the same diligence to the preservation of a round belly and a second chin that he brought to the maintenance of his boat, and considering his wire-rimmed eyeglasses and bow tie and suspenders and the elbow patches on his jacket, he seemed to have intentionally sculpted his physical appearance to put his patients at ease, as surely as he had selected his wardrobe for the same purpose..Hisscus, Nork, and Knacker exchanged sharp glances, nonplussed. Finally, one of them said, "We couldn't do that, Mr. Cain. Not until you've consulted an attorney." Recognizing the danger of saying the wrong thing, the potential for self-incrimination, Junior clenched his jaws and waited..In the minister's house, Junior had seen no indications of a sister. No family photos, no high-school graduation portrait proudly framed. Of course, he had not been interested in their family, for he had been all-consumed by Seraphim..Happy weekend. His attitude amazed her, and his strength in the face of darkness gave her courage.."It's all the same. Cars, trains, ships, all the same," Jacob insisted. "You remember the Toya Maru? Japanese ferry capsized back in September '54. Eleven hundred sixty-eight people dead. Or worse, in '48, off Manchuria, God almighty, the boiler exploded on a Chinese merchant ship, six thousand died. Six thousand on a single ship!" "Not so bad, two thousand," Tom heard himself say idiotically. "I mean, compared to nearly four million." To the waiter, Nolly was Nolly, Kathleen was Mrs. Wulfstan, and Tom Vanadium was sir--though not the usual perfunctorily polite sir, but sir with deferential emphasis. Tom was unknown to the waiter, but his shattered face gave him gravitas; besides, he possessed a quality, quite separate from carriage and demeanor and attitude, an ineffable something, that inspired respect and even trust.."Some men," she said, "wouldn't be able to sustain desire when their hands touched my back. I'll understand if you're one of them. It's not beautiful to the eye, and rough as oak bark to the touch. That's why I brought you here, so you'd know this before you consider where you want to go from ... where we are now." Barty's mathematical genius proved to have a valuable practical application. Even in his blindness, he perceived patterns where those with sight did not. Working with Tom Vanadium, he devised strikingly successful investment strategies based on subtleties of the stock market's historical performance. By the 1980s, the foundation's annual return on its endowment averaged twenty-six percent: excellent in light of the fact that the runaway inflation of the 1970s had been curbed..Celestina told them about Nella Lombardi and about the message Phimie delivered to Dr. Lipscomb after being resuscitated. "Phimie was, . . . so special. There's something special about her baby, too." Artificial eyes were on order. He would soon return to Newport Beach for a third fitting before implant. They weren't glass, as commonly believed, but thin plastic shells that fit neatly behind the eyelids in the cavities left after surgery. On the inner surface of the transparent artificial cornea, the artificial iris would be skillfully hand-painted, and movement of the ocular prosthesis could be achieved by attaching the eye-moving muscles to the conjunctiva.."I could have been killed," Junior Cain repeated, suddenly so horrorstruck by this realization that an iciness welled in his gut, and for a while he wasn't able to feel his extremities..In the foyer again, about six feet inside the front door, he stood the wineglass on the floor. He placed the bottle of Merlot beside the glass, the red rose beside the bottle..His apartment, over the large garage, was reached by a set of exterior stairs. The space was divided into two rooms. The first was a combination living room and kitchenette, with a corner dining table seating two. Beyond was a small bedroom with adjoining bath..At last, as the sun slowly set, he arrived at the highest of the high redoubts, beyond which the branches were too young and too weak to support him farther. Against a sky red enough to delight the most sullen sailors, he rose and stood in a final crook of limbs, pressing his left hand against a balancing branch, right hand planted cockily on his hip, lord of his domain, having kicked off the trammels of darkness and fashioned from them a ladder..The dear man cried and kissed her scars and told her that she was as beautiful as any woman alive. They stood then for a while, embracing, his hands upon her back, her breasts against his chest, and twice they kissed, but almost chastely, before she put on her blouse again..MONDAY EVENING, January 15, Paul Damascus arrived at the hotel in San Francisco with Grace White. He had kept watch over her in Spruce Hills for more than two days, sleeping on the floor in the hall outside her room both nights, remaining close by her side when she was in public. They stayed with friends of hers until Harrison's funeral this morning, then flew south for a reunion of mother and daughter..Although she knew how, and although she knew the pointlessness of asking why, Agnes asked, "Why? Oh, Lord, why must a blind boy climb a tree?" After the amusement park, no hospital for the Pie Lady. With Wally near, she had a doctor all her own, capable of giving her the anticancer drugs and transfusions that she required. While radiation therapy is prescribed for acute lymphoblastic leukemia, it is much less useful to treat

myeloblastic cases, and in this instance, it wasn't deemed helpful, which made treatment at home even easier..More than twice, worried nurses-and even a resident internist braved the tumult to check on Junior's condition. They asked if he really felt up to entertaining visitors, these visitors..She told them of Phimie's request that the baby be named Angel. "At the time, I assumed she wasn't able to think clearly because of the stroke..While the doctor proceeded with his evening rounds, the nurse remained with Junior until it was clear that the tranquilizer had calmed him and that he was no longer in danger of succumbing to another bout of hemorrhagic vomiting..In his smooth whiteness, Junior felt a pressure on his eyes, and then came visual hallucinations, disturbing his deep inner peace. He felt someone peel up his eyelids, and Bob Chicane's worried face-with the sharp features of a fox, curly black hair, and a walrus mustache-was inches from his..Downstairs, two shots cracked, and an instant after the second, an explosion shook the parsonage as though the long-promised Judgment were at hand. This was a real explosion, not the impact of another runaway Pontiac.."AND I DRINK CHAMPAGNE ALL DAY," said Miss Cheese, pronouncing it "cham-pay-non." "Oh," Celestina White replied, "yes, every day. I'm currently engaged on an entire series of works inspired by Bartholomew." Junior hadn't suffered a paranormal experience since the early- morning hours of October 18, when he'd drifted up from a vile dream of worms and beetles to hear the ghostly singer's faint a cappella serenade. Shouting at her to shut up, he had awakened neighbors..Yet for all his love of reading and of music, events suggested that for mathematics he had a still greater aptitude..Sitting on the edge of the bed, Maria lightly salted the runny eggs and spooned them into Agnes's mouth. "Eggs is as chickens does." Koko changed directions with a fantastic pivot turn and bounded after the girl..Darkness, the one source of childhood fear that most adults never quite outgrow, held no terror for Barty. Although for a while his bedroom featured a Mickey Mouse night-light, the miniature lamp was there not to soothe the boy, but to quiet his mother's nerves, because she worried about him waking alone, in blackness..Jacob Isaacson--twin brother of Edom-knew nothing negative about Panglo, but he didn't trust him. If the mortician had been caught prying gold teeth from the dead and carving satanic symbols in their buttocks, Jacob would have said, "It figures." If Panglo had saved bottles of infected blood from diseased cadavers, and if one day he ran through town, splashing it in the faces of unsuspecting citizens, Jacob would not have raisers one eyebrow in surprise..Darker than water, another stain spread across the lap and down the legs of the pants. It was the color of port wine when filtered through the gray fabric of the jogging suit, but even in her semi-delirious state, she knew that she was not the vessel for a miracle birth, was not bringing forth a baby in a flush of wine, but in a gush of blood..From San Francisco south to Orange County Airport on a crowded commuter flight, then farther south along the coast by rental car, Paul Damascus brought Grace, Celestina, and Angel to the Lampion house. "Before we go to my place, there's someone I very much want you to meet. She's not expecting us, but I'm sure it'll be okay." As home tours went, this one was notably less interesting than most. The accountant appeared to have no secret life, no perverse interests that he hid from the world..This time, he vowed never to kill again, except in self-defense, regardless of the provocation. This tougher condition pleased him. No one achieved significant self-improvement by setting low standards for himself..At many houses, strings of Christmas lights painted patterns of color at the eaves, around the window frames, and along the porch railings-all so blurred by fog that Junior seemed to be moving through a dreamscape with Japanese lanterns..just as Sinatra broke into song again, Junior thought he heard a footstep on the wood floor of the hallway, and the creak of a board. The music masked the sounds of the visitor's approach if, indeed, he was approaching..Junior blinked and dared not speak, because he didn't know any Bartholomew, and now he was certain the cop was weaving an elaborate web of deceit, setting a trap. Why would he have spoken a name that meant nothing to him?.That Olympian purge had, however, made him appear to be both emotionally and physically devastated by the loss of his wife. He couldn't have calculated any stratagem more likely to convince most."You may be eating yourself into an early grave, Vinnie, but poor Jacob has murdered his own soul, and that's infinitely worse." Judging by Grace's expression when Paul plucked the chest off the floor, he figured it was heavy. He had no way of knowing for sure, because he was in a weird state, so saturated with adrenaline that his heart squirted blood through his arteries at a speed Zeus couldn't have matched with the fastest lightning bolts in his quiver. The chest felt no heavier than a pillow, which couldn't be right, even if it was empty.."I'm saying, for all I know." She took her hand off his thigh. "What's all this about Celestina, anyway?". Sometimes Barty could be fierce in his independence-his mother told him so-and now he rebuffed Angel too sharply. "I don't want to be waited on. I'm not helpless, you know. I can get sodas myself" By the time he reached the doorway, he felt sorry for his tone, and he looked back toward where the window seat must be. "Angel?". The heavy hand would come down on his shoulder, he would be spun around against his will, and there before him would be those nailhead eyes, the port-wine stain, facial bones crushed by a bludgeon.....Up flew his hands, as white as doves, flapping as though trying to escape from the sleeves of his raincoat, as if he were a magician rather than a musician..EDOM AND THE PIES, into the blue morning following the storm, had a schedule to keep and the hungry to satisfy..Trembling, she sat beside the bassinet and gazed at her baby with such love that the force of it ought to have rocked him awake.."And, of course, you'll need to make arrangements for the body," said Dr. Lipscomb. "Sister Josephina will provide you with a room, a phone, privacy, whatever you need, and for however long you need." At the end of his fourth month, instead of in his seventh, he said "Mama," and clearly knew what it meant. He repeated it when he wanted to get her attention..Maintaining a brutal strangling pressure, Junior turned his head aside, to protect his eyes. He kneed Neddy in the crotch, crunching the remaining fight out of him..Agnes at last relented. "Someday, you're going to have to learn to relax, Maria." As Junior paced the hotel room, his fear made way for anger. All he wanted was peace, a chance to grow as a person, an opportunity to improve himself And now this. The unfairness, the injustice, galled him. He seethed with a sense of persecution..Glorying in the cloudless day and the warmer than usual weather, he drove seventy miles north, through phalanxes of evergreens that marched down the steep hills to the scenic coast. All the way, he monitored the traffic in his rearview mirror. No one followed him..This was a California live oak, green even in winter, although its leaves were fewer now than they would be in warmer seasons. The elaborate branch structure, reflected around him, was an exquisite and harmonious maze overlaying a mosaic of sunlight green on grass, and something in its patterns suddenly touched him, moved him, seized his imagination. He felt as if he were balanced on the brink of an astonishing insight..His throat was still so raw from the explosive vomiting, seared by stomach acid, that he sounded like a character from a puppet show for children on Saturday-morning television, hoarse and squeaky at the same time. If not for the pain, he would have felt ridiculous, but the hot and jagged scrape of each word through his throat left him unable to..He waited for Otter to nod, but Otter stood motionless..By ones and twos, the festive crowd eventually deconstructed, but for Celestina, an excitement lingered in the usual gallery hush that rebuilt in their wake..He followed the dead man through the window, into the alley, managing not to step on

him..Chastened by these recent events, he vowed to stop meditating, to void all passive responses to the challenges of life. He must explore the unknown rather than flinch from it in fear. Besides, through his explorations, he would prove that the unknown was all just tapioca or applesauce, or whatever..He kept a few paperbacks of Caesar Zedd's work in the bathroom, so that time spent on the john wouldn't be wasted. Some or, his deepest insights into the human condition and his best ideas for self-improvement had come in this place, where Zedd's luminous words seemed to shine a brighter light into his mind upon rereading..He stopped for lunch at a restaurant with a spectacular view of the Pacific, framed by massive pines.."You're heaven-sent," Grace assured Paul at breakfast Saturday morning. "With all your stories, you lifted our hearts when we most needed to be lifted." After a little silence Otter said, "Thanks." And he looked up at Hound, one brief, questioning, judging glance..Maybe the watch wouldn't be discovered with the corpse. Maybe it would settle into the trash and not be found until archaeologists dug out the landfill two thousand years from now.
