People have to live. But what do I know? I make my living doing what I know how to do. But I don't meddle with the great arts, the perilous crafts, like summoning the dead," and Rose made the hand-sign to avert the danger spoken of.. "Not for the same reasons as you," she said, "but I still want to. And we came all this way. And." Waris and several other men. And they are men, and they make that important beyond anything else.. Otter's breath was coming hard. Hound put his hand on Otter's hand for a moment, said, "Don't. Dulse wandered about a bit before he found what he took to be the Dark Pond. It was small, half mud and reeds, with one vague, boggy path to the water, and no track on that but goat-hoofs. The water was dark, though it lay out under the bright sky and far above the peat soils. Dulse followed the goat-tracks, growling when his foot slipped in the mud and he wrenched his ankle to keep from falling. At the brink of the water he stood still. He stooped to rub his ankle. He listened.. "Why did you break your Rule for me? Was it fair to me, who can never be what you are?". She was in tears. They hugged, and she stroked his thick, shining hair and apologized for being cruel, and he hugged her again and said she was the kindest mother in the world, and so she went off. But as she left she turned back a moment and said, "Let him have the party, Di. Let yourself have it." "I will," said Ivory, with a wink at Dragonfly. She, well disguised in dirt and a farmhand's old smock and leggings and a loathsome felt hat, did not wink back. She played her part even while they sat side by side dangling their legs over the tailgate, with six great half-tuns of wine jolting between them and the drowsy carter, and the drowsy summer hills and fields slipping slowly, slowly past. Ivory tried to tease her, but she only shook her head. Maybe she was scared by this wild scheme, now she was embarked on it. There was no telling. She was solemnly, heavily silent. I could be very bored by this woman, Ivory thought, if once I'd had her underneath me. That thought stirred him almost unbearably, but when he looked back at her, his thoughts died away before her massive, actual presence.. "My name's myself. True. But what's a name, then? It's what another calls me. If there was no other, only me, what would I want a name for?". "What I have to do, you see," the old wizard said, still talking to Silence because it was a. "Ah," said the Patterner. "Hard for the housekeeper to give up the keys when the owner comes home." Diamond had no idea what to say. The idea of its being up to him had not occurred to him. "Do you think I ought to?" he asked at last.. to do, to learn? What is she, that you ask this for her?". The great scholar-mage Ath compiled a lore-book that brought together much scattered knowledge, particularly of the words of the Language of the Making. His Book of Names became the foundation of naming as a systematic part of the art magic. Ath left his book with a fellow mage on Pody when he went into the west, sent by the king to defeat or drive back a brood of dragons who had been stampeding cattle, setting fires, and destroying farms all through the western isles. Somewhere west of Ensmar, Ath confronted the great dragon Orm. Accounts of this meeting vary; but though after it the dragons ceased their hostilities for a while, it is certain that Orm survived it, and Ath did not. His book, lost for centuries, is now in the Isolate Tower on Roke.. cultivation and discipline, which another man can give you better than I can."
