It wasn't long before Pernak was talking about phase-..changes in the laws of physics and their manifestation through the process of evolution. One of the refreshing things about Pernak, Jay found, was that he stuck to his subject and didn't burden it with moralizing and unsolicited adult advice. He had never been able to make up his mind whether Pernak was secretly a skeptic about things like that or just believed in minding his own business, but he had never found a way of leading up to the question..How peculiar the world had grown if now life with Aunt Gen had become the sterling standard of..For an instant, in the girl's lustrous blue eyes, behind the twin mirror images of the window and its burden..He returned the squeeze reassuringly. "You'd better believe it?..His dark-adapted eyes sting briefly from the glare..Her eyes rested momentarily on' his chevrons. "Are you Sergeant Colman--the one who's interested in engineering?"..Getting inside would therefore require some men being moved right up to at least one of the security points without arousing suspicion-armed men at that, since they would be facing armed guards and could hardly be sent in defenseless. Malloy had again discouraged ideas of attempting to impersonate SD's. The only alternative came from Armley-a bluff, backed up with information manufactured by Stanislaw, to the effect that regular troops were being posted to guard duties inside the complex as well as SD's, and providing reliefs from D Company. Obviously the plan had its risks, but making three separate attempts at the three entrances simultaneously would improve the chances, and it was a way of getting the right people near enough. In the end, Sirocco agreed. Once they got that far it would

be a case of playing it by ear from there on, and the biggest danger would be that of SD reinforcements arriving from the guardroom behind the main doors of the Government Center complex, which was just a few hundred feet away on the same level, before the situation was under control. That was the part that Bernard Fallows had come along to handle..a modified high-five.."Photographs," Micky said. "Pictures of you and Luki. That would be proof he wasn't just your.Only wanted to take Luki."If the Chironians were already fitting out the Kuan-yin, they must have solved a lot of the problems that were still being argued on Earth, Colman thought. The whole planet, he realized as he reflected on it, was a powerhouse of progress, unchecked by any traditions of unreason and with no vested-interest obstructionists to hold it back. If the pattern continued until Chiron became a fully populated world, it would effectively leave Earth back in the Stone Age within a century. "Have you actually flown it anywhere yet?" he asked, turning his head toward Kath. "The Kuan-yin . Has it been anywhere since it arrived in orbit here?". "I never realized," Geneva said miserably. "Never. I never suspected."..door like two drunk kangaroos in a three-legged sack race!".would need the weapon. Nevertheless, he had no plans to remake it into a plowshare..heart..help was being sought..by the thousands, by the millions.
