The soles were worn right through, . . .listless with the heat, scrawny, staring without much interest at the strangers. Tern had walked. Maybe it was to escape the hunt that Medra came to Pendor, a long way west of the Inmost Sea, or. Of them all it was the Herbal, the healer, who was the first to move. He went up the path and knelt down by Thorion. "My lord," he said, "my friend. ". "No need," he said in that distant way, as if he hardly knew what she was talking about; but then. and disappeared as if blown out. In the next flash I saw an entrance. I heard voices. I entered. Men and women of the Hand had joined together on Roke a hundred or more years ago, forming a league of mages. Proud and secure in their powers, they had sought to teach others to band together in secret against the war makers and slave takers until they could rise openly against them. Women had always been leaders in the league, said Ember, and women, in the guise of salve sellers and net makers and such, had gone from Roke to other lands around the Inmost Sea, weaving a wide, fine net of resistance. Even now there were strands and knots of that net left. Medra had come on one of those traces first in Anieb's village, and had followed them since. But they had not led him here. Since the raid, Roke Island had isolated itself wholly, sealed itself inside powerful spells of protection woven and re woven by the wise women of the island, and had no commerce with any other people. "We can't save them," Ember said. "We couldn't save ourselves. ". Golden could buy and sell, lend to or let beg, men born noble who deserved neither fealty nor. That night, over supper at the waterfront inn, she asked with unusual timidity in her voice, "Do I. magery had recognized that meaning as the true one. Gelluk had said the word also meant. all, searching. Over and over he stood in that tower room and looked at the woman, and she looked. Rose watched her. She knew she did not know who Man was or what she might be. A big, strong, awkward, ignorant, innocent, angry woman, yes. But ever since she was a child Rose had seen something more in her, something beyond what she was. And when Irian looked away from the world like that, she seemed to enter that place or time or being beyond herself, utterly beyond Rose's knowledge. Then Rose feared her, and feared for her. ". It's up to me too if he stays or goes, and he goes. You haven't got all the sayso. All the people. ox, the middle-aged man driving the iron-bladed plough, never a word spoken; as they started home. earth in his hands, rolled the dirt in his palms, kneading, testing, tasting it. For that time he. No wind. No birdcall. No distant lowing or bleating or call of voice. As if all the island had gone still. Not a fly buzzed. ". More a mater of getting in with it, I think." The old man was burying the core of his apple and the larger bits of eggshell under loose dirt, patting it over them neatly. "Of course I know the words, but I'll have to learn what to do as I go. That's the trouble with the big spells, isn't it? You learn what you're doing while you do it. No chance to practice. "Ah-there! You feel that?". This is a tale of those times. Some of it is taken from the Book of the Dark, and some comes from. A man with a deep, clear voice spoke: "It's not our judgment that prevails, but the Rule of Roke, . . .destroyed their own cities and fields; sailors sank their ships; and his soldiers, obeying the. because of what he did and could do. He was an uncanny brat, as they say. He had powers. He could. Growing old, Elehal wearied of the passions and questions of the school and was drawn more and more to the trees, where she went alone, as far as the mind can go. Medra walked there too, but not so far as she, for he was lame. . . .much, you at the Gates and me at the inner end, in the Mountain. Working together, you know. We. The Doorkeeper caught up with her as she came to a cross-corridor and stood not knowing which way. Roke School was founded by both men and women, and both men and women taught and learned there during its first decades; but since during the Dark Time women, witchery, and the Old Powers had all come to be considered unclean, the belief was already widespread that men must prepare themselves to work "high magic" by scrupulously avoiding "base spells," "Earthlore," and women. A man unwilling to put himself under the iron control of a spell of chastity could never practice the high arts. He could be no more than a common sorcerer. Male wizards thus had come to avoid women, refusing to teach them or learn from them. Witches, who almost universally went on working magic without giving up their sexuality, were described by celibate men as temptresses, unclean, defiling, essentially wicked. ". "I am not, after all, a wild animal. Don't be angry, but. . . it seems to me that you've all. "Get back, you black-hearted bitch!" she yelled. "Home, you crawling traitor!"
