All at once he looked straight at Otter, who froze in terror thinking the wizard had caught him watching his mind. Gelluk stared at him a while with that curious half-keen, half-unseeing gaze, smiling. "Little Medra!" he said, as if just discovering he was there. He patted Otter's shoulder. "I know you have the gift of finding what's hidden. Quite a great gift, were it suitably trained. Have no fear, my son. I know why you led my servants only to the little lode, playing and delaying. But now that I've come, you serve me, and have nothing to be afraid of. And there's no use trying to conceal anything from me, is there? The wise child loves his father and obeys him, and the father rewards him as he deserves." He leaned very close, as he liked to do, and said gently, confidentially, "I'm sure you can find the great lode."."You've already missed it. You'll have to backtrack."."But you can? Right? Since most of the people around me were stepping onto an upward ramp, I.Magic was a wild talent before the time of Morred, who as both king and mage established intellectual and moral discipline for the art magic, gathering wizards to work together at the court for the general good and to study the ethical bases and constraints of their practice..that art for a long time..Havnor, gathering its tributaries on the way. Eighty ships sailed past Ark and Ilien on a true and."I can't. I'm terribly afraid."."So it proved. Indeed, to Golden's amazement, Master Hemlock sent back a scrupulous two-fifths of the prenticing-fee. With the packet, which was delivered by one of Golden's carters who had taken a load of spars down to South Port, was a note for Diamond. It said, "True art requires a single heart." The direction on the outside was the Hardic rune for willow. The note was signed with Hemlock's rune, which had two meanings: the hemlock tree, and suffering..Still it rankled him that Diamond had let him down flat, without a word of thanks or apology. So."I'll show you some. That's what Gelluk's after. The ore of watermetal. But they've refused. They want the Rule of Roke to separate men from women, and they want men to make the decisions for all. Now what compromise can we make with them? Why did they come here, if they won't work with us?"."Well, this boy did learn at last to tame his anger and control his power. And a very great power it was. Whatever art he studied came easy to him, too easy, so that he despised illusion, and weatherworking, and even healing, because they held no fear, no challenge to him. He saw no virtue in himself for his mastery of them. So, after the Archmage Nemmerle had given him his name, the boy set his will on the great and dangerous art of summoning. And he studied with the Master of that art for a long time.."Well, take care. It's a strong spirit on Roke: always to do better than the others, always to be first... The art becomes a contest, a game. The end becomes a means to an end less than itself... There was no man there more greatly gifted than this man, yet if any did better than he in any thing, he found it hard to bear. It frightened him, it galled him..Some people of great innate and trained power are able to find out the true name of another, or even to have it come to them unsought. Since such knowledge can be betrayed or misused, it is immensely dangerous. Ordinary people-and dragons-keep their true name secret; wizards hide and defend theirs with spells. Morred could not even begin to fight his Enemy until he saw his Enemy's name written in the dust by the falling rain.
