Stone by Edward Bryant 71.Fallows took in the rest of the information from the screen. The changes that the computers had detected were tiny--the merest beginnings of a trend which, if it continued at the present rate, wouldn't approach anything serious for a month or more. With only another three months to go before the ship reached Chiron there was no cause for alarm since the rest of the pump-group had enough design margin to make up the difference even without the backup. But even so, there was little doubt that Merrick would insist on the primary's being stripped down to have its bearings reground, alignment

rechecked, and rotor rebalanced again. They had been through that routine twice already in the three months that the main drive had been firing. That meant another week of working in near-zero g and klutzing around in heavy-duty protective suits on the wrong side of the stern radiation shield. "Bloody pump," Fallows muttered sourly. "Calm yourself, senior. With my own eyes I saw her go to the boat and she was alone, I swear it. She.
