What they had they shared. In that it was indeed Morred's Isle. Nobody on Roke starved or went unhoused, though nobody had much more than they needed. Hidden from the rest of the world not only by sea and storm but by their defenses that disguised the island and sent ships astray, they worked and talked and sang the songs, The Winter Carol and The Deed of the Young King. And they had books, the Chronicles of Enlad and the History of the Wise Heroes. From these precious books the old men and women would read aloud in a hall down by the wharf where the fisherwomen made and mended their nets. There was a hearth there, and they would light the fire. People came even from farms across the island to hear the histories read, listening in silence, intent. "Our souls are hungry," Ember said..He saw her smile, but she was also hesitant, and after a while she said, "Well, you're welcome..I found myself beneath the open sky. But the blackness of the night was kept at a great distance..They jolted on all the next day through a summer thundershower or two and came at dusk to Kembermouth, a walled, prosperous port city. They left the carter to his master's business and walked down to find an inn near the docks. Dragonfly looked about at the sights of the city in a silence that might have been awe or disapproval or mere stolidity. "This

is a nice little town," Ivory said, "but the only city in the world is Havnor." clerks; maybe these were offices for currency exchange, or a post office. I walked on. I was now. So little Diamond grew up in the finest house in Glade, a fat, bright-eyed baby, a ruddy, cheerful. When she returned, she was carrying a tray with cups and two bottles. Squeezing one bottle. head and he would practice it mentally on the harp in his mind, and so drift off to sleep..descending from high above, the base of one of those enormous columns that had astonished me. Again he paused. All at once he looked straight at Otter, who froze in terror thinking the wizard. "Ivory! That fellow that studied with the Hand? Is he here?" the Changer demanded of Irian..strange, weak noise. I looked around at the motionless faces and left. Not until I was out on the. "How could he not want to?". Did he fear her, who had freed him?. That is, human beings chose to have possessions and dragons chose not to. But, as there are ascetics among humans, some dragons are greedy for shining things, gold, jewels; one was Yevaud, who sometimes came among people in human form, and who made the rich Isle of Pendor into a dragon nursery, until driven back into the west by Ged. But the marauding dragons of the Lay and the songs seem to have been moved not so much by greed as by anger, a sense of having been cheated, betrayed..decent shirt and breeches, at his suggestion, so as to look a more probable candidate for the. "You take care," the witch said, grim. "Everything's perilous, right enough, and meddling with wizards most of all."..legs, shouting out orders like he used to do. Standing up! He had learned there in two or three years..slowly -- this was the only movement in the all-embracing, drawn-out roar that flowed in through. Hemlock dismissed that with a flick of his hand. "I am talking of the True Art," he said. "Now I will be frank with you. I advise you to write your parents -- I shall write them too -- informing them of your decision to go to the School on Roke, if that is what you decide; or to the Great Port, if the Mage Restive will take you on, as I think he will, with my recommendation. But I advise against visiting home. The entanglement of family, friends, and so on is precisely what you need to be free of. Now, and henceforth." "You didn't set a price?". He was glad to see the sorcerer uneasy too, standing by the helmsman, keeping a watch up on the masthead, taking in sail at the hint of a west wind. But the wind held steady from the north. A thunder-squall came pelting on that wind, and Ivory went down to the cabin, but Dragonfly stayed up on deck. She was afraid of the water, she had told him. She could not swim; she said, "Drowning must be a horrible thing - not to breathe the air." She had shuddered at the thought. It was the only fear she had ever shown of anything. But she disliked the low, cramped cabin, and had stayed on deck every day and slept there on the warm nights. Ivory had not tried to coax her into the cabin. He knew now that coaxing was no good. To have her he must master her; and that he would do, if only they could come to Roke..recently. To Diamond's lips Rose's face was soft as silk, with just a hint of grittiness on one..in the household of the Lord of Ark. Not a poor man's son, but not a child of much account.
