Their heads were on a level, she sitting crosslegged up on the dance platform, he kneeling on the grass..the practices of sorcerers and witches. Women's powers were particularly distrusted and maligne..But in fact Golden wasn't thinking only about the business. He had observed something about his son that had made him not exactly set his eyes higher than the business, but

glance above it from time to time, and then shut his eyes..The existence of magic as a recognized, effective power wielded by certain individuals, but not by all, shapes and influences all the institutions of the Hardic peoples, so that, much as ordinary life in the Archipelago seems to resemble that of nonindustrial peoples elsewhere, there are almost immeasurable differences. One of these differences may be, or may be indicated by, the lack of any kind of institutionalised religion. Superstition is as common as it is anywhere, but there are no gods, no cults, no formal worship of any kind. Ritual occurs only in traditional offerings at the sites of the Old Powers, in the great, universally celebrated annual festivals such as Sunreturn and the Long Dance, in the speaking and singing of the traditional songs and epics at these festivals, and, perhaps, in the performance of spells of magic..

"Thanks," said the traveler, and led his horse along the way they pointed..

"The woman with you defies the Rule of Roke," the Windkey said. "She must leave. A boat is waiting." She's Irian of Westpool's mare. You're the wizard, then? "My mastery is here, on Gont," he said, still speaking hardly above a whisper. "My master is.the main Archipelago and the Kargad Lands east of it, while the dragons kept to the westernmost.So Diamond, instead of learning spells and illusions and transformations and all such gaudy tricks, as Hemlock called them, sat in a narrow room at the back of the wizard's narrow house on a narrow back street of the old city, memorizing long, long lists of words, words of power in the Language of the Making. Plants and parts of plants and animals and parts of animals and islands and parts of islands, parts of ships, parts of the human body. The words never made sense, never made sentences, only lists. Long, long lists..

"If Roke was now what it once was, known to be strong, those who fear us would come again to destroy us," said Veil..do it, he denied his death. So he denies life..".

"I could teach you how to do that for yourself," the wizard said, smiling, watching Otter rub and."I'll get the water," Tern said. He took the basin and went out to the courtyard, to the well.
