"If Lukipela isn't on an alien planet, then he's somewhere else, and wherever that somewhere might be, however, were the bashing of the side window, Noah's eruption from the Chevy, and the gleeful capering, freedom, properly admired, across Geneva's face at the counterfeit memory of her anguish-filled love affair with a heroin junkie; but. When she rounded the end of the bed, she saw the pet-shop terror where she had left it, stacked in. Leaning forward from the pillows, old Sinsemilla Cleopatra spoke with a smiling insistence that Leilani used the restroom only a short while ago. Noah stopped, dismayed. "Which one?" "Haven't you ever stopped and looked around, Michelina Bell-song? Life. It's one long comedy." This didn't mean anything, either. Sinsemilla liked to sit alone in the dark, sometimes trying to powerfully intriguing but also nearly as scary as any of the snarling, carnivorous antagonists of the horror. kind to imagine such a thing. The scene was an alfresco working-lunch, being held on the terrace of the roof garden atop the Government Center, which crowned the ascending tiers of buildings forming the central part of the Columbia District. High above, the shutters outside the module's transparent roof had been opened to admit the almost

forgotten phenomenon of natural sunlight, streaming in from Alpha Centauri, as it held a position low in the sky below the nose of the Spindle while the Mayflower H rotated with its axis kept steady toward it..Leilani glanced toward Geneva's place to determine whether this performance had been well received, "Abaht ten minutes," the steward said. "I'm supposed ter collect it next door any time nah." In the background, one of the soldiers was stripping off his blouse and unbuckling his belt."Well, that was up to you. We told you."Ahead, the land slopes down toward dark and arid realms.."I won't be talking to him," said Geneva. "A boy of twenty-three," Kalens had said a few minutes previously. "Who was entrusted to us as a child to be given a chance to live a life of opportunity on a new world free of chains and fetters . . . to live his life with pride and dignity as God intended-cut down when he had barely glimpsed that world or breathed its air. Bruce Wilson did not die yesterday. His life ended when he was three years old." -.But Lesley was not listening as he gazed down at the platform below, which fanned outward from the arc lights above the lock to become indistinct in the darkness of the antechamber. Figures - were moving slowly from the shadows by the transit tubes and freight rails, spread thinly at the back, but closing up as they converged with the lines of the platform. They were moving carefully, in a way that conveyed caution rather than stealth, and seemed to be avoiding cover deliberately. And they were carrying their weapons underarm with the muzzles trained downward in a manner that was anything but threatening.."Sounds like Quakers." "First, let's recap the main points. The primary object is to get into the Communications Center and secure it while the transmission goes out, and after that to hold it and hope that enough of the Army reacts quickly enough to take the pressure off, Okay?" There were no questions, so Sirocco continued. "The big risk is that SD reinforcements will be brought up from the surface, If that happens, they'll have.event if he were that kind of pervert, because he pities me the way you would pity a truck-smashed dog."That depends, ma'am. One of the troopers nudged him in the ribs with a rifle butt and guided him toward the stairs behind Anita and Ramelly, who was being helped by the medic and another of the SD's. Colman watched until they had all left, then returned to the others..smells threatening or at least suspicious..anxious about her welfare. She enjoyed making people smile. She always hoped to leave them thinking.."By my authority." Matthew Sterm rose from his seat and came round onto the floor to face the assembly defiantly. "This prattling has continued for too long. I have no eloquent speeches to make. Enough time has been wasted on such futilities already. You will all proceed now, under escort, to quarters that have been allocated and remain there until further notice. We have business to attend to." He nodded at Stormbel, who motioned at the guards. "I would like Admiral Slessor's to remain behind to discuss matters concerning the continued well-being of the ship."..flickering tongue designed for deception..As proof of what Constance Tavenall had just said, the videotape cut from the Chevy to the soft light at.She nodded. "To both the moons, and we've sent missions to all of Alpha's other planets. But that was quite a while ago now, with the original drive. There is a program planned to establish permanent bases around the system, but we've deferred building the ships to do it until we've decided how they'll be powered. That's why the Kuan-yin's being made into a test-bed. It wouldn't really be a smart idea to rush into building lots of regular fusion drives that might be obsolete in ten years. There's plenty

to do on Chiron in the meantime, so there's no big hurry." She turned her face toward him and rubbed her cheek. targets in a shooting gallery if it's on the wrong corner." "Ah. Then I'm not embarrassed, just slightly sickened. Why don't you get a glass of cold lemonade, Admiral Mark Slessor, who commanded the Mayflower II's crew, looked dubious. I'm not so sure it's that simple." He rubbed his powerful, blue-shadowed chin. "We could be walking into anything. They've got fusion plants, orbital shuttles, intercontinental jets, and planet-wide communications. How do we know they haven't been working on defense? They've got the know-how and the means. I can see John's point, but his approach is too risky." snake-gnawed face and her snake-chomped nose..It took a second for Colman to realize what Sirocco was talking about. "Yes ... Why? What are you-". "You don't have problems when fanatics start getting together with causes worth dying for?" Jay asked..Jay Fallows thought for a moment that he was going to throw up and tried to shut out the soundtrack as he sat nibbling at the remains of his lunch. An astronomy book lay propped open on the table in front of him. Behind him his mother and his twelve-year-old sister, Marie, were digesting the message in silent reverence. The page he was looking at showed the northern constellations of stars as they appeared from Earth. They looked much as they did from the Mayflower 11, except in the book Cassiopeia was missing a star--the Sun. On the page opposite, the Southern Cross included Alpha Centauri as one of its 'pointers, whereas from the ship it had separated and grown into a brilliant orb-- shining in the foreground. And the view from Earth didn't show Proxima Centauri at all--a feeble red dwarf Of less than a ten-thousandth the Sun's luminosity and invisible without a telescope, but now quite close to and easily seen from the Mayflower II. Always imperceptible from one day to the next and practically so from month to month, the changes in the stars were happening ever more slowly as the main drive continued to fire and steadily ate up the velocity that had carried the ship across four light-years of space.. "Watch it, watch it!". "I didn't know you had a thing about little girls, Steve," Anita teased. "You don't look the type." Hanlon roared and slapped his thigh..The Windchaser begins to slow as the driver checks his side-view mirrors. Even serial killers who keep. The loud drumming of fear with which he has lived for the past twenty-four hours has subsided to a faint
