That's probably the outcomes of mcdougal can influence your readers out of each concept. And this ebook is excessively had to read , some times detail by detail, it may be great for you and your own entire life. "When I returned from my fifth voyage, I gave myself up to eating and drinking and passed my time in solace and delight and forgot that which I had suffered of stresses and afflictions, nor was it long before the thought of travel again presented itself to my mind and my soul hankered after the sea. So I brought out the goods and binding up the bales, departed from Baghdad, [intending] for certain of the lands, and came to the sea-coast, where I embarked in a stout ship, in company with

a number of other merchants of like mind with myself, and we [set out and] sailed till we came among certain distant islands and found ourselves in difficult and dangerous case. As an instance of the extreme looseness with which the book was edited, I may observe that the first four Vols. were published without tables of contents, which were afterwards appended en bloc to the fifth Volume. The state of corruption and incoherence in which the printed Text was placed before the public by the two learned Editors, who were responsible for its production, is such as might well drive a translator to despair: the uncorrected errors of the press would alone fill a volume and the verse especially is so corrupt that one of the most laborious of English Arabic scholars pronounced its translation a hopeless task. I have not, however, in any single instance, allowed myself to be discouraged by the difficulties presented by the condition of the text, but have, to the best of my ability, rendered into English, without abridgment or retrenchment, the whole of the tales, prose and verse, contained in the Breslau Edition, which are not found in those of Calcutta (1839-42) and Boulac. In this somewhat ungrateful task, I have again had the cordial assistance of Captain Burton, who has (as in the case of my "Book of the Thousand Nights and One Night") been kind enough to look over the proofs of my translation and to whom I beg once more to tender my warmest thanks. Reshid (Er), Ibn es Semmak and, i. 195. The folk marvelled at this story and as for the prefect and El Melik ez Zahir, they said, 'Wrought ever any the like of this device?' And they marvelled with the utterest of wonderment Then arose a third officer and said, 'Hear what betided me, for it is yet stranger and more extraordinary..? SINDBAD THE SAILOR AND HINDBAD THE PORTER.. Issues of Good and Evil Actions, Of the, i. 103. Selim followed him till he brought him to an underground chamber and showed him somewhat of wine that was to his mind. So he occupied him with looking upon it and taking him at unawares, sprang upon him from behind and cast him to the earth and sat upon his breast. Then he drew a knife and set it to his jugular; whereupon there betided Selim [that wherewithal] God made him forget all that He had decreed [unto him], (72) and he said to the cook, 'Why dost thou this thing, O man? Be mindful of God the Most High and fear Him. Seest thou not that I am a stranger? And indeed [I have left] behind me a defenceless woman. Why wilt thou slay me?' Quoth the cook, 'Needs must I slay thee, so I may take thy good.' And Selim said, 'Take my good, but slay me not, neither enter into sin against me; and do with me kindness, for that the taking of my money is lighter (73) than the taking of my life.' 93. El Feth ben Khacan and El Mutawekkil dclxxxiii. Now there was a ruined building hard by and he climbed up on to a high wall and gave not over clambering hither and thither, of the excess of his carefulness, till his feet betrayed him and he slipped [and fell] to the bottom and died, whilst his companions arose in the morning in health [and weal]. Now, if he had overmastered his corrupt (259) judgment and submitted himself to fate and fortune fore-ordained, it had been safer and better [for him]; but he made light of the folk and belittled their wit and was not content to take example by them; for his soul whispered him that he was a man of understanding and he imagined that, if he abode with them, he would perish; so his folly cast him into perdition. Nor," added the vizier, "is this more extraordinary than the story of the man who was lavish of his house and his victual to one whom he knew not". When came the night, the vizier presented himself before the king, who bade him relate the [promised] story. So he said, "Harkening and obedience. Know, Out. ? ? ? ? Ne'er shall I them forget, nay, nor the day they went. Now the king was leaning back; so he sat up and said, 'Tell me of this.' 'It is well,' answered the tither. 'I go to the man whom I purpose to tithe and circumvent him and feign to be occupied with certain business, so that I seclude myself therewith from the folk; and meanwhile the man is squeezed after the foulest fashion, till nothing is left him. Then I appear and they come in to me and questions befall concerning him and I say, "Indeed, I was ordered worse than this, for some one (may God curse him!) hath slandered him to the king." Then I take half of his good and return him the rest publicly before the folk and send him away to his house, in all honour and worship, and he causeth the money returned to be carried before him, whilst he and all who are with him call down blessings on me. So is it published in the city that I have returned him his money and he himself saith the like, so he may have a claim on me for the favour due to whoso praiseth me. Then I feign to forget him till some time (242) hath passed over him, when I send for him and recall to him somewhat of that which hath befallen aforesaid and demand [of him] somewhat privily. So he doth this and hasteneth to his dwelling and sendeth what I bid him, with a glad heart. Then I send to another man, between whom and the other is enmity, and lay hands upon him and feign to the first man that it is he who hath traduced him to the king and taken the half of his good; and the people praise me.' (243). ? ? ? ? Bravo for her whose loosened locks her cheeks do overcloud! She slays me with her cruelty, so fair she is and proud.. ? ? ? ? Nor troops have I nor henchmen nor one to lend me aid Save God, to whom, my Maker, my voice in praise I rear.. ? ? ? ? j. The Enchanted Springs dlxxxii. When it was eventide, the king summoned the vizier and bade him tell the [promised] story, "Harkening and obedience," answered he. "Know, O king, that. Therewith Wekhimeh was moved to exceeding delight and drinking off the cup, ordered her twenty dresses of Greek brocade and a tray, wherein were thirty thousand dinars. Then she gave the cup to Queen Shuaaah, Queen of the Fourth Sea, who took it and said, 'O my lady Tuhfeh, sing to me on the gillyflower.' Quoth she 'Harkening and obedience,' and improvised the following verses: Quoth the Khalif, "God grant thee that thou seekest! Let us drink one last cup and rise before the dawn draw near, and to-morrow night I will be with thee again." "Far be it!" said Aboulhusn. Then the Khalif filled a cup and putting therein a piece of Cretan henbane, gave it to his host and said to him, "My life on thee, O my brother, drink this cup from my hand!" "Ay, by thy life," answered Aboulhusn, "I will drink it from thy hand." So he took it and drank it off; but hardly had he done so, when his head forewent his feet and he fell to the ground like a slain man; whereupon the Khalif went out and said to his servant Mesrour, "Go in to yonder young man, the master of the house, and take him up and bring him to me at the palace; and when thou goest out, shut the door." 132. Sindbad the Sailor and Sindbad the Porter dxxxvi. Now there remained one after her; so we took her and drowned her and the eunuchs went away, whilst we dropped down the river with the boat till we came to the mouth of the canal, where I saw my mistress awaiting me. So we took her up into the boat and returned to our pavilion on Er Rauzeh. Then I rewarded the boatman and he took his boat and went away; whereupon quoth she to me, "Thou art indeed a friend in need." (189) And I abode with her some days; but the shock wrought upon her so that she sickened and fell to wasting away and redoubled in languishment and weakness till she died. I mourned for her with an exceeding mourning and buried her; after which I removed all that was in the pavilion to my own house [and abandoned the former]. They ate and drank and sported and made merry awhile of the day; and as they were thus engaged, up came the master of the house, with his friends, whom he had brought with him, that they might carouse together, as of wont. He saw the door opened and knocked lightly, saying to his friends, 'Have patience with me, for some of my family are come to visit me; wherefore excuse belongeth [first] to God the Most High, and then to you.' (263) So they took leave of him and went their ways, whilst he gave another light knock at the door. When the young man heard this, he changed colour and the woman said to him, 'Methinks thy servant hath returned.' 'Yes,' answered he; and she arose and

opening the door to the master of the house, said to him, 'Where hast thou been? Indeed, thy master is wroth with thee.' 'O my lady,' answered he, 'I have but been about his occasions.' f. The Sixth Voyage of Sindbad the Sailor dlix. OF DESTINY OR THAT WHICH IS WRITTEN ON THE FOREHEAD. Queen Kemeriyeh embraced her, as also did Queen Zelzeleh and Queen Wekhimeh and Queen Sherareh, and the former said to her, 'Rejoice in assured deliverance, for there abideth no harm for thee; but this is no time for talk.' Then they cried out, whereupon up came the Afrits ambushed in the island, with swords and maces in their hands, and taking up Tuhfeh, flew with her to the palace and made themselves masters thereof, whilst the Afrit aforesaid, who was dear to Meimoun and whose name was Dukhan, fled like an arrow and stayed not in his flight till he carne to Meimoun and found him engaged in sore battle with the Jinn. When his lord saw him, he cried out at him, saying, 'Out on thee! Whom hast thou left in the palace?' And Dukhan answered, saying, 'And who abideth in the palace? Thy beloved Tuhfeh they have taken and Jemreh is slain and they have gotten possession of the palace, all of it.' With this Meimoun buffeted his face and head and said, 'Out on it for a calamity!' And he cried aloud. Now Kemeriyeh had sent to her father and acquainted him with the news, whereat the raven of parting croaked for them. So, when Meimoun saw that which had betided him, (and indeed the Jinn smote upon him and the wings of death overspread his host,) he planted the butt of his spear in the earth and turning the point thereof to his heart, urged his charger upon it and pressed upon it with his breast, till the point came forth, gleaming, from his back. I crave none other than thou for friend, beloved of my heart; So trust in my speech, for the generous are true and trusty still. When King El Aziz heard the damsel's song, her speech and her verses pleased him and he said to El Abbas, "O my son, verily, these damsels are weary with long versifying, and indeed they make us yearn after the dwellings and the homesteads with the goodliness of their songs. Indeed, these five have adorned our assembly with the excellence of their melodies and have done well in that which they have said before those who are present; wherefore we counsel thee to enfranchise them for the love of God the Most High." Quoth El Abbas, "There is no commandment but thy commandment;" and he enfranchised the ten damsels in the assembly; whereupon they kissed the hands of the king and his son and prostrated themselves in thanksgiving to God the Most High. Then they put off that which was upon them of ornaments and laying aside the lutes [and other] instruments of music, clave to their houses, veiled, and went not forth. (144). And horses eke wouldst have led to thee day by day And girls, high-breasted maids, and damsels black and white, Persist not on my weakness with thy disdain nor be Treason and breach of love its troth to thee attributed; Merchants, The Sharper and the, ii. 46. Sore, sore doth rigour me beset, its onslaughts bring me near Unto the straitness of the grave, ere in the shroud I'm dight.
