He did what Dulse wanted and what Dulse.The water shivered. He felt it first on his thighs, a lapping like the tickling touch of fur; then he saw it, the trembling of the surface all over the pond. Not the round ripples he made, which had already died away, but a ruffling, a roughening, a shudder, again, and again.."Dirt's easier to keep clean," he said, knowing the struggle already lost. It was true that all.Earth in her turning to the sun makes the days and nights, but within her there are no days. Medra walked through the night. He was very lame, and could not always keep up the werelight. When it failed he had to stop and sit down and sleep. The sleep was never death, as he thought it was. He woke, always cold, always in pain, always thirsty, and when he could make a glimmer of the light he got to his feet and went on. He never saw Anieb but he knew she was there. He followed her. Sometimes there were great rooms. Sometimes there were pools of motionless water. It was hard to break the stillness of their surface, but he drank from them. He thought he had gone down deeper and deeper for a long time, till he reached the longest of those pools, and after that the way went up again. Sometimes now Anieb followed him. He could say her name, though she did not answer. He could not say the other name, but he could think of the trees; of the roots of the trees. This was the kingdom of the roots of the trees. How far does the forest go? As far as forests go. As long as the lives, as deep as the roots of the trees. As long as leaves cast shadows. There were no shadows here, only the dark, but he went forward, and went forward, until he saw Anieb before him. He saw the flash of her eyes, the cloud of her curling hair. She looked back at him for a moment, and then turned aside and ran lightly down a long, steep slope into darkness..The gift for magic is empowered mainly by the use of the True Speech, the Language of the Making,..hmn. Nothing goes right but as part of the pattern. Only in it is freedom.".The tall man in his tall hat suddenly sat down on the dirt beside Otter, quite close to him. His breath smelled earthy. His light eyes gazed directly into Otter's eyes. "Would you like to know? You can know anything you like. I need have no secrets from you. Nor you from me," and he laughed, not threateningly, but with pleasure. He gazed at Otter again, his large, white face smooth and thoughtful. "Powers you have, yes, all kinds of little traits and tricks. A clever lad. But not too clever; that's good. Not too clever to learn, like some... I'll teach you, if you like. Do you like learning? Do you like knowledge? Would you like to know the name we call the King when he's all alone in his brightness in his courts of stone? His name is Turres. Do you know that name? It's a word in the language of the Alking. His own name in his own language. In our base tongue we would say Semen." He smiled again and patted Otter's hand. "For he is the seed and fructifier. The seed and source of might and right. You'll see. You'll see. Come along! Come along! Let's go see the King flying among his subjects, gathering himself from them!" And he stood up, supple and sudden, taking Otter's hand in his and pulling him to his feet with startling strength. He was laughing with
