"How can people be anything but ignorant when knowledge isn't saved, isn't taught? If books could be brought together in one place..."they were doing, but the girl hurried along, her slippers clicking, until, at the sight of a neon face. "Get out!" she shouted. "Get away, you traitor, you foul lecher, or I'll cut the liver out of you!" She sprang up the bank, pulling herself up by the tough bunchgrass, and scrambled to her feet. No one was there. She stood afire, shaking with rage. She leapt back down the bank, found her clothes, and pulled them on, still swearing - "You coward wizard! You traitorous son of a bitch!". That is not what the otter was thinking as it swam fast down the Yennava. It was not thinking anything much but speed and direction and the sweet taste of river water and the sweet power of swimming. But something like that is what Medra had been thinking as he sat at the table in his grandmother's house in End-lane, talking with his mother and sister, just before the door was flung open and the terrible shining figure stood there..After the first

outcries and embraces, the servants and his mother sat him right down to breakfast. So it was with warm food in his belly and a certain chill courage in his heart that he faced his father, who had been out before breakfast seeing off a string of timber-carts to the Great Port. Let the mare have her head when somebody came among the dogs shouting curses and beating them back. Of Havnor had been burnt to the ground. The king's wizards had spell-caught and killed several. "I'll give you some. . . angehen, is that all right? But you don't know what it is, do you?" and crouched down by the enormous, hunching roots of a willow that leaned out over the water. The harshly, and Diamond stiffened up a bit. on Pendor. He went out with the young lord in his ship, past the Toringates and far into the West. halfway out the door. I went to put my foot on a step, but there was no step. Between the metal. As the dim light that came into the room from chinks in the mortar of the bricked-up window died away, instead of sinking into the blank misery of all his nights in that room, he stayed awake, and grew more awake. The excited turmoil of his mind all the time he had been with Gelluk slowly quieted. From it something rose, coming close, coming clear, the image he had seen down in the mine, shadowy yet distinct: the slave in the high vault of the tower, that woman with empty breasts and festered eyes, who spat the spittle that ran from her poisoned mouth, and wiped her mouth, and stood waiting to die. She had looked at him. out, past the Armed Cliffs! Good luck to you." And he turned and ran back up the street, a tall, lies even on Roke, I'd hate those men for fooling me, fooling us all. It can't be lies. Not all of language. They are True Runes that have been given "safe," inactive names in the ordinary. There were no inns on this road through what had once all been the Domain of Iria. As the sun. Small islands and villages are generally governed by a more or less democratic council or Parley, headed, or represented in dealings with other groups, by an elected Isleman or Islewoman, In the Reaches there is often no government other than the Isle Parley and the Town Parleys. In the Inner Lands, a governing caste was established early, and most of the great islands and cities are ruled at least nominally by hereditary lords and ladies, while the Archipelago entire was governed for centuries by kings. Towns and cities are, however, frequently almost entirely self-governed by their Parley and merchant and trade guilds. change: authors and wizards are not always to be trusted: nobody can explain a dragon. was Irioth. Only in the syntax of the Old Speech, however, and only as spoken or written by a wizard. file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (62 of 111) [2/5/2004 12:33:31 AM]. They crossed a courtyard with a well in it. She knocked at a side door, and a girl opened it. Rose made a dim glow of werelight so that they could find their way through the marshy ground. "Very well, then. Irioth, my dear companion, teacher, rival, friend, farewell. Emer, brave woman, my honor and thanks to you. May your heart and hearth know peace," and he made a gesture that left a glimmering track behind it a moment in the air above the hearth stone. "Now I'm off to the cow barn," he said, and he was. touching the beasts and healing them. And you know what the cattleman gave him? Six pennies! Can. But he said nothing to the boy and nothing to the boy's mother. He was a consciously close-mouthed. she was proud of her strong arms, her energy and skill. your horse up and see to him. There's the pump, there's plenty of hay. Come on in the house after. "Are. . . are we still in the station?". we can tell it as a story? And for events in times or places outside our own experience, we have. The young man slept on a pallet under the little west window of Dulse's house for three years. He learned wizardry, fed the chickens, milked the cow. He suggested, once, that Dulse keep goats. He had not said anything for a week or so, a cold, wet week of autumn. He said, "You might keep some goats." Religion was a unifying element even among the most warlike tribes. There were hundreds of Truce Places on the Four Lands, where no warfare or dispute was permitted. Kargish religion was a domestic and community worship of the Old Powers, the chthonic or gaeian forces manifest as spirits of place. They were worshiped at the site and at home altars with offerings of flowers, oil, food, dances, races, sacrifices, carvings, songs, music, and silence. Worship was both casual and ritual, private and communal. There was no priesthood; any adult could perform the ceremonies and teach children to do so. This ancient spiritual practice has continued, unofficially and sometimes in hiding, under the newer, institutional religions of the Twin Gods and the Godking. him. "It won't do," he said, talking to himself in Hardic, and then he said, "I can't do it." Then he said, "I can't do it by myself." "And a good thing too!" Golden said roundly. "What's become of that daughter of hers, then? Went off with a juggler, I heard?". some of their beliefs are closer to Kargish than to Hardic. These far Northerners probably descend. As he walked he thought; he thought hard; he recalled. He recalled all he could of matters his teacher had spoken of once only and long ago. Strange matters, so strange he had never known if they were true wizardry or mere witchery, as they said on Roke. Matters he certainly had never heard about on Roke, nor did he ever speak about them there, maybe fearing the Masters would despise him for taking such things seriously, maybe knowing they would not understand them, because they were Gontish matters, truths of Gont. They were not written even in Ard's lore-books, that had come down from the Great Mage Ennas of Perregal. They were all word of mouth. They were home truths. to him, "Did you ever hear of Roke Island?". Then she turned and, fierce, hasty, awkward, seized him in her arms. It. held in my hand seemed to be made of paper, empty. But I quickly learned to control my body. In. He found a carter who would carry them down to Endlane, Otter's mother and sister were living with cousins while they rebuilt their burned house as best they could. They welcomed him with disbelieving joy. Not knowing Hound's connection with the warlord and his wizard, they treated him as one of themselves, the good man who had found poor Otter half dead in the forest and brought him home. A wise man, said Otter's mother Rose, surely a wise man. Nothing was too good for such a man.
