At twelve the boy had got blue that clung to her like a liquid congealed; her arms and breasts were hidden in a navy-blue.tune would come as part of the name, and he would sing out so clearly-- for his voice had re-. "Nais. How old are you?".or bar not set off from the street. A few people were sitting there. I wanted to go inside and ask.Again he paused. All at once he looked straight at Otter, who froze

in terror thinking the wizard had caught him watching his mind. Gelluk stared at him a while with that curious half-keen, half-unseeing gaze, smiling. "Little Medra!" he said, as if just discovering he was there. He patted Otter's shoulder. "I know you have the gift of finding what's hidden. Quite a great gift, were it suitably trained. Have no fear, my son. I know why you led my servants only to the little lode, playing and delaying. But now that I've come, you serve me, and have nothing to be afraid of. And there's no use trying to conceal anything from me, is there? The wise child loves his father and obeys him, and the father rewards him as he deserves." He leaned very close, as he liked to do, and said gently, confidentially, "I'm sure you can find the great lode." "Diamond." He trilled and caroled about the house; he knew any tune as soon as he heard it, and that the working of any spell would rouse Gelluk. But at last, rashly, and in dread, for such. He ran down from the straggle of huts to the quick, noisy stream he had heard singing through his. One of the gifts of power is to know power. Wizard knows wizard, unless the concealment is very the Sword, her heart grew lighter. And once, when Golden was down 'at South Port, she and Tangle. Gift hurried to the village. She went straight up to the doorstep, bent over the heap, and laid. "Not many come here to the High Marsh," she said. "Peddlers and such. But not in winter." Though he seldom left the city, Early prided himself on his knowledge of all the Archipelago, under them, and he would know that under the roots of the grass a stream crept through dark earth. "Then you must tell me the word you will speak to the Doorkeeper." Maybe she'll destroy herself through our hands, in the end. But not through yours. False king, Thoreg's daughter. As an old woman she gave this to the young wizard Ged, shipwrecked on her ignorant superstition, practiced by women, paid for by peasants. "Perhaps I am wrong," said Hemlock in his dry, flat voice. "Your gift may be for Pattern. Or No wind stirred. The air was soft, the big sail hung slack. Only the western stars faded and. At first he had thought Diamond had a knack such as many children had and then lost, a stray spark of magery. When he was a little boy, Golden himself had been able to make his own shadow shine and sparkle. His family had praised him for the trick and made him show it off to visitors; and then when he was seven or eight he had lost the hang of it and never could do it again. He knew it was well to use caution with this man. Otter had defeated Tinarel, and there was this. by in a few long breaths, a quivering of leaves, a bird singing far off and another answering it. We walked on. Still no houses in sight, and the wind that came rushing out of the. it seemed to me, but no one paid the least attention to the change, and I could not even say when. The Kargish kingship, however, was already being manipulated by the high priests of the Twin Gods. As he walked he thought; he thought hard; he recalled. He recalled all he could of matters his teacher had spoken of once only and long ago. Strange matters, so strange he had never known if they were true wizardry or mere witchery, as they said on Roke. Matters he certainly had never heard about on Roke, nor did he ever speak about them there, maybe fearing the Masters would despise him for taking such things seriously, maybe knowing they would not understand them, because they were Gontish matters, truths of Gont. They were not written even in Ard's lore-books, that had come down from the Great Mage Ennas of Perregal. They were all word of mouth. They were home truths. "I won't be so bold as to ask for a kiss," said Medra, "but an open hand, maybe?" Anieb kept a better pace than seemed possible in a woman so famished and destroyed, walking almost naked in the chill of the rain. All her will was aimed on walking forward; she had nothing else in her mind, not him, not anything. But she was there bodily with him, and he felt her presence as keenly and strangely as when she had come to his summoning. The rain ran down her naked head and body. He made her stop to put on his shirt. He was ashamed of it, for it was filthy, he having worn it all these weeks. She let him pull it over her head and then walked right on. She could not go quickly, but she went steadily, her eyes fixed on the faint cart track they followed, till the night came early under the rain clouds, and they could not see where to set their feet. Master of Old Iria. He spent his youth and what remained of his inheritance in law courts and the. So Diamond, instead of learning spells and illusions and transformations and all such gaudy tricks, as Hemlock called them, sat in a narrow room at the back of the wizard's narrow house on a narrow back street of the old city, memorizing long, long lists of words, words of power in the Language of the Making. Plants and parts of plants and animals and parts of animals and islands and parts of islands, parts of ships, parts of the human body. The words never made sense, never made sentences, only lists. Long, long lists. "Thorion was the best of us all - a brave heart, a noble mind." The Herbal spoke almost in anger. craft and power, even if that wizard was mad. If he had any hope it was to play on his madness. The Patterner never came to her much before noon, so she had the mornings free. She was used to solitude, but still she missed Rose and Daisy and Coney, and the chickens and the cows and ewes, and the rowdy, foolish dogs, and all the work she did at home trying to keep Old Iria together and put food on the table. So she worked away unhurriedly every morning till she saw the mage come out from the trees with his sunlight-coloured hair shining in the sunlight. those black machines. I was puzzled by this blackout, no doubt intentional, as well as by the. The first thing she thought was a king, a lord, Maharion of the songs, tall, straight, beautiful. The next thing she thought was a beggar, a lost man, in dirty clothes, hugging himself with shivering arms. He finished his soup, and she took the bowl. She sat down in her place, the stool by the oil lamp. The evil reputation magic had gained during the Dark Time, however, continued to cling to many of the practices of sorcerers and witches. Women's powers were particularly distrusted and maligned, the more so as they were conflated with the Old Powers. house and an old plum tree was a wash line, the clothes pinned on it flapping in the sunny breeze. the hill towards him through the long grass. The Years of the Kings of Havnor were a period of prosperity, discovery, and strength, but in the last century of the period, assaults from the Kargs in the east and the dragons in the west became frequent and fierce. "The great lode?" Gelluk looked straight at him, their faces not a hand's breadth apart. The light. women of the Hand, who are forgotten everywhere else in the world, even on Roke, but remembered. "If it's a real gift, an unusual capacity, that's even more true. A witch with her love potions can't do much harm, but even a village sorcerer, he said, must take care, for if the art is used for base ends, it becomes weak and noxious.... Of course, even a sorcerer gets paid. And wizards, as you know, live with lords, and have what they wish." Medra stood silent. His face felt hot. He looked down. Her hair was braided and the braid clubbed,.In all his flood of talk the only word Gelluk had spoken in the Old Tongue, the language of which wizards' spells were made, was the word turren. He had said it meant semen. Otter's own gift of magery had recognized that meaning as the true one. Gelluk had said the word also meant quicksilver, and Otter knew he was wrong.."Somebody's been coming around," he said, incredulous that she could turn against him. "Who's been after you?" Ivory's spell of semblance dropped away like a cobweb. She was and looked herself..Printed on narrow sands under granite cliffs, in the first light, were the tracks of a bird
