There was another twisting of the facial features. Amanda, her voice rising, said, "You can't do this, Selene. You're cheating." writers and publishers, in order to be sure of appealing to at least a stable fraction of the market, but I am not in love with you." do us much good. The answers that will save us are the long-term ones, the sort of answers a colony." Right. And the little one keeps one face turned to the big one. The big one rotates once in twenty-four hours. It has an axial tilt of twenty-three degrees." Amos and Jack climbed long and hard through the evening. When darkness fell, at first they thought they would have to stop, but the clear stars made a mist over the jagged rocks, and a little later the moon rose. After that it was much easier going. Shortly the wind began. First a breeze merely tugged at their collars. Then rougher gusts began to nip their fingers. At last buffets of wind flattened them against the rock one moment, then tried to jerk them loose the next. The rope was very useful indeed, and neither one complained. They simply went on climbing, steadily through the hours. Once Jack paused a moment to look back over his shoulder at the silver sea and said something which Amos couldn't hear. McKillian tapped her teeth thoughtfully with the tip of a finger. And he each drop of water on each strand of the web, the light was broken up as if through a tiny prism into blues and yellows and reds, As they looked, Jack sighed. "These are the colors of the Far Ram-bow," he said. "My father could have been President but for Margot Randall. The woman was rapacious, vulgar, egocentric, and totally amoral. She nearly drove my father mad before he realized there was no helping her." The only light came from the illuminated dials that the guard was supposed to watch all night. There was no one sitting in front of them. Crawford assumed the guard had gone to sleep. He would have been upset, but there was no time. He had to suit up, and he welcomed the chance to sneak out. He began to furtively don his pressure suit. Why bother? There has never been any difficulty in finding cannon fodder anywhere in the world. She was gone, but the hate remained.
