The realization tightened her stomach. Even from fifteen years ago... it was she--for she had come with the Mayflower H. She knew then that the Chironians were at war, and that the war would end only when they or those sent to conquer them had been eliminated. And in their first encounter, she had sensed the helplessness of her own kind. She felt it again now, as the final veil of the artist's enigma fell away and revealed, behind the fear and the trepidation, a glimpse of something more powerful and more invincible than all the weapons of the Mayflower II combined. She was staring at her own extinction..Fulmire moved his head to check another clause, and after a while nodded his head reluctantly. He couldn't see any reason why travel shouldn't come free on Chiron, just like everything else, and wondered what kinds of connections could be made from Port Norday to the more remote reaches of the planet. Interesting. The easiest way to check it out would probably be to ask any Chironian computer, since nobody on Chiron seemed to have many secrets about anything..His debut into life had been very different. The war had left his parents afflicted by genetic damage, and their first two children had not survived infancy. Aging prematurely from side effects, they had known they would never see Chiron when they brought him aboard the Mayflower II as a boy of eight and sacrificed the few more years that they might have spent on Earth in order' to give him a new start somewhere else. Paradoxically, their health had qualified them favorably in their application to join the Mission since the planning had called for the inclusion of older people and higher-risk actuarial categories among the population to make room for the births that would be occurring later. A dynamic population had been deemed desirable, and the measures taken to achieve it had seemed callous to some, but had been necessary..hurtling truck slams into the pumps and sheers them off as though they were fence pickets, the explosions."Still not the price of a Navigator," Noah observed..matches her pace to meet his fastest sprint,

"Power the tubes back up and get sop-e more guys down there fast. Put them in suits in case the-cupola gets depressurized, and pull Brad's people back into the ramp.".Cynicism soon turned to rebellion as more of the Terran population came to perceive Phoenix not as a protective enclave, but at worst a prison and at best a self-proclaimed lunatic asylum. Apartment units were found deserted and more faces vanished as expeditions to Franklin came increasingly to be one-way trips. Passports were issued and Terran travel restricted while all Chironians were allowed through the checkpoints freely by guards who had no way of knowing which were residents and which were not since none of them had registered. The sentries no longer cared all that much anyway; their looking the other way became chronic and more and more of them were found not to be at their posts when their relief showed up. An order was posted assigning at least one SD to every guard detail. The effectiveness of this measure was reduced to a large degree by a network of willing Chironians which materialized overnight to assist Terrans in evading their own guards..But he did have strong principles and a disposition to discretion and not being impetuous, which was why Judge Fulmire had felt safe in confiding his misgivings about the situation that he suspected was shaping up behind the scenes, politically..the movies.
