That is among the outcomes of mcdougal could influence your readers out of each theory. And this ebook is excessively had to read , sometimes detail with detail, it might be perfect for you and your own life. ? ? ? ? ?

Whenas mine eyes beheld thee not, that day As of my life I do not reckon aye; . . . b, The Merchant's Wife and the Parrot dccccclxxx. When I awoke and opened my eyes, I found myself [in the open air] and the raft moored to the bank of the stream, whilst about me were folk of the blacks of Hind. When they saw that I was awake, they came up to me, to question me; so I rose to them and saluted them. They bespoke me in a tongue I knew not, whilst I deemed myself in a dream, and for the excess of my joy, I was like to fly and my reason refused to obey me. Then there came to my mind the verses of the poet and I recited, saying: Then said the king, "Hast thou a need we may accomplish unto thee? For indeed we are exceeding beholden to thee for that which thou didst in the matter of Hudheifeh and his folk." And he let cast over him a mantle of Egyptian satin, worth an hundred dinars. Moreover, he bade his treasurer give him a thousand dinars and said to him, "O youth, take this in part of that which thou deserves! of us; and if thou prolong thy sojourn with us, we will give thee slaves and servants." El Abbas kissed the earth and said, "O king, may grant thee abiding prosperity, I deserve not all this." Then he put his hand to his poke and pulling out two caskets of gold, in each of which were rubies, whose value none could tell, gave them to the king, saying, "O king, God cause thy prosperity to endure, I conjure thee by that which God hath vouchsafed thee, heal my heart by accepting these two caskets, even as I have accepted thy present." So the king accepted the two caskets and El Abbas took his leave and went away to the bazaar. . . . To Baghdad upon a matter of all moment do I fare, For the love of one whose beauties have my reason led astray. . . . Thy letter reached me; when the words thou wrot'st therein I read, My longing waxed and pain and woe redoubled on my head. With this the Khalif waxed wroth, and the Hashimi vein (36) started out from between his eyes and he cried out to Mesrour and said to him, "Go forth and see which of them is dead." So Mesrour went out, running, and the Khalif said to Zubeideh, "Wilt thou lay me a wager?" "Yes," answered she; "I will wager, and I say that Aboulhusn is dead." "And I," rejoined the Khalif, "wager and say that none is dead save Nuzhet el Fuad; and the stake shall be the Garden of Pleasance against thy palace and the Pavilion of Pictures." So they [agreed upon this and] abode awaiting Mesrour, till such time as he should return with news. Then the king summoned the Cadi and the witnesses and bade them marry the old king's daughter and sister to his own sons; so they married them, after the king had made a bride-feast three days and displayed their brides to them from eventide to peep of day. Then the two princes went in to their brides and did away their maidenhead and loved them and were vouchsafed children by them. . . . g. The Seventh Voyage of Sindbad the Sailor cclxix. Awake, Asleep and, i. 5. Quoth the Khalif, "God grant thee that thou seekest! Let us drink one last cup and rise before the dawn draw near, and to-morrow night I will be with thee again." "Far be it!" said Aboulhusn. Then the Khalif filled a cup and putting therein a piece of Cretan henbane, gave it to his host and said to him, "My life on thee, O my brother, drink this cup from my hand!" "Ay, by thy life," answered Aboulhusn, "I will drink it from thy hand." So he took it and drank it off; but hardly had he done so, when his head forewent his feet and he fell to the ground like a slain man; whereupon the Khalif went out and said to his servant Mesrour, "Go in to yonder young man, the master of the house, and take him up and bring him to me at the palace; and when thou goest out, shut the door." He returned them the most gracious of answers and bade carry the Magian forth of the town and set him on a high scaffold that had been builded for him there; and he said to the folk, 'Behold, I will torture him with all kinds of fashions of torment.' Then he fell to telling them that which he had wrought of knavery with the daughter of his father's brother and what he had caused betide her of severance between her and her husband and how he had required her of herself, but she had sought refuge against him with God (to whom belong might and majesty) and chose rather humiliation than yield to his wishes, notwithstanding stress of torment; neither recked she aught of that which he lavished to her of wealth and raiment and jewels. . . . a. The Cat and the Mouse dcix. What strength have I solicitude and long desire to bear, iii. 20. With this the king bade the vizier go away to his lodging, and when he arose in the morning, he abode his day in his house. THE TWO KINGS AND THE VIZIER'S DAUGHTERS. (154). . . . d. The Crow and the Serpent dcxi. Presently, there came in upon us a spunger, without leave, and we went on playing, whilst he played with us. Then quoth the Sultan to the Vizier, "Bring the spunger who cometh in to the folk, without leave or bidding, that we may enquire into his case. Then will I cut off his head." So the headsman arose and dragged the spunger before the Sultan, who bade cut off his head. Now there was with them a sword, that would not cut curd; (151) so the headsman smote him therewith and his head flew from his body. When we saw this, the wine fled from our heads and we became in the sorriest of plights. Then my friends took up the body and went out with it, that they might hide it, whilst I took the head and made for the river. Then the Khalif took him into his especial favour and married him and bestowed largesse on him and lodged him with himself in the palace and made him of the chief of his boon-companions, and indeed he was preferred with him above them and the Khalif advanced him over them all. Now they were ten in number, to wit, El Ijli and Er Recashi and Ibdan and Hassan el Feresdec and El Lauz and Es Seker and Omar et Tertis and Abou Nuwas (34) and Abou Ishac en Nedim and Aboulhusn el Khelia, and by each of them hangeth a story that is told in other than this book. And indeed Aboulhusn became high in honour with the Khalif and favoured above all, so that he sat with him and the Lady Zubeideh bint el Casim and married the latter's treasurers, whose name was Nuzhet el Fuad. Presently, up came a woman with a phial of urine, and when the [mock] physician saw the phial afar off, he said to her, 'This is the urine of a man, a stranger.' 'Yes,' answered she; and he continued, 'Is he not a Jew and is not his ailment indigestion?' 'Yes,' replied the woman, and the folk marvelled at this; wherefore the man was magnified in Galen's eyes, for that he heard speech such as was not of the usage of physicians, seeing that they know not urine but by shaking it and looking into it anear neither know they a man's water from a woman's water, nor a stranger's [from a countryman's], nor a Jew's from a Sherifs. (22) Then said the woman, 'What is the remedy?' Quoth the weaver, 'Pay down the fee.' So she paid him a dirhem and he gave her medicines contrary to that ailment and such as would aggravate the patient's malady. King Shehriyar marvelled at these things and Shehrzad said to him, "Thou marvelledst at that which befell thee on the part of women; yet hath there befallen the kings of the Chosroes before thee what was more grievous than that which befell thee, and indeed I have set forth unto thee that which betided khalifs and kings and others than they with their women, but the exposition is long and hearkening groweth tedious, and in this [that I have already told thee] is sufficiency for the man of understanding and admonishment for the wise." When the king heard the vizier's story, it pleased him and he bade him go to his house. Two months after this occurrence, there came to me one of the Cadi's officers, with a scroll, wherein was the magistrate's writ, summoning me to him. So I accompanied the officer and went in to the Cadi, whereupon the plaintiff, to wit, he who had taken out the summons, sued me for two thousand dirhems, avouching that I had borrowed them of him as the woman's agent. (117) I denied the debt, but he produced against me a bond for the amount, attested by four of those who were in company [on the occasion]; and they were present and bore witness to the loan. So I reminded them of my kindness and paid the

amount, swearing that I would never again follow a woman's counsel. Is not this marvellous?'. At this I trembled and replied, 'By the Most Great God, O my lord, I have taken a loathing to travel, and whenas any maketh mention to me of travel by sea or otherwise, I am like to swoon for affright, by reason of that which hath befallen me and what I have suffered of hardships and perils. Indeed, I have no jot of inclination left for this, and I have sworn never again to leave Baghdad.' And I related to him all that had befallen me, first and last; whereat he marvelled exceedingly and said, 'By the Most Great God, O Sindbad, never was heard from time immemorial of one whom there betided that which hath betided thee and well may it behove thee never again to mention travel! But for my sake go thou this once and carry my letter to the King of Serendib and return in haste, if it be the will of God the Most High, so we may not remain indebted to the king for favour and courtesy.' And I answered him with 'Hearkening and obedience,' for that I dared not gainsay his commandment. Then the old queen and her daughter and son-in-law embarked in the ship and setting sail, fared on till they came to the land of Mekran. Their arrival there befell at the last of the day; so they passed the night in the ship, and when the day was near to break, the young king went down from the ship, that he might go to the bath, and made for the market. As he drew near the bath, the cook met him by the way and knew him; so he laid hands on him and binding his arms fast behind him, carried him to his house, where he clapped the old shackles on his feet and straightway cast him back into his whilom place of duresse.. Meanwhile, the woman went out at hazard and donning devotee's apparel, fared on without ceasing, till she came to a city and found the king's deputies dunning the towns-folk for the tribute, out of season. Presently, she saw a man, whom they were pressing for the tribute; so she enquired of his case and being acquainted therewith, paid down the thousand dirhems for him and delivered him from beating; whereupon he thanked her and those who were present. When he was set free, he accosted her and besought her to go with him to his dwelling. So she accompanied him thither and supped with him and passed the night. When the night darkened on him, his soul prompted him to evil, for that which he saw of her beauty and loveliness, and he lusted after her and required her [of love]; but she repelled him and bade him fear God the Most High and reminded him of that which she had done with him of kindness and how she had delivered him from beating and humiliation..? ? ? ? I watch the stars for wake and pray that the belov'd May yet to me relent and bid my tears be dried.. Quoth Shefikeh, "My mistress hath occasion for thee; so come thou with me and I will engage to restore thee to thy dwelling in weal and safety." But the nurse answered, saying, "Indeed, her palace is become forbidden (103) to me and never again will I enter therein, for that God (extolled be His perfection and exalted be He!) of His favour and bounty hath rendered me independent of her." So Shefikeh returned to her mistress and acquainted her with the nurse's words and that wherein she was of affluence; whereupon Mariyeh confessed the unseemliness of her dealing with her and repented, whenas repentance profited her not; and she abode in that her case days and nights, whilst the fire of longing flamed in her heart..60. Uns el Wujoud and the Vizier's Daughter Rose-in-bud cclxxi. However, after awhile, one of the women took pity on me and brought me a rag of thin stuff and cast it on me. With this I covered my privities, and no more, and abode awhile thus. Then said I in myself, "The husbands of these women will presently gather together on me and I shall be disgraced." So I went out by another door of the house, and young and old crowded about me, running after me and saying, "A madman! A madman!" till I came to my house and knocked at the door; whereupon out came my wife and seeing me naked, tall, bareheaded, cried out and ran in again, saying, "This is a madman, a Satan!" But, when she and my family knew me, they rejoiced and said to me, "What aileth thee?" I told them that thieves had taken my clothes and stripped me and had been like to kill me; and when I told them that they would have killed me, they praised God the Most High and gave me joy of my safety. So consider the craft of this woman and this device that she practised upon me, for all my pretensions to sleight and quickwittedness.'. Four sharpers once plotted against a money-changer, a man of abounding wealth, and agreed upon a device for the taking of somewhat of his money. So one of them took an ass and laying on it a bag, wherein was money, lighted down at the money-changer's shop and sought of him change for the money. The money-changer brought out to him the change and bartered it with him, whilst the sharper was easy with him in the matter of the exchange, so he might give him confidence in himself. [As they were thus engaged,] up came the [other three] sharpers and surrounded the ass; and one of them said, '[It is] he,' and another said, 'Wait till I look at him.' Then he fell to looking on the ass and stroking him from his mane to his crupper; whilst the third went up to him and handled him and felt him from head to tail, saying, 'Yes, [it is] in him.' Quoth another, '[Nay,] it is not in him.' And they gave not over doing the like of this.. Er Reshid was like to lose his wits for amazement at this sight and was confounded at this that he beheld and witnessed. Then said he to Tuhfeh, 'Come, tell me thy story from first to last, [and let me know all that hath betided thee,] as if I had been present' She answered with 'Hearkening and obedience,' and fell to telling him [all that had betided her] first and last, from the time when she first saw the Sheikh Aboutawaif, how he took her and descended with her through the side of the draught-house; and she told him of the horse she had ridden, till she came to the meadow aforesaid and described it to him, together with the palace and that which was therein of furniture, and related to him how the Jinn rejoiced in her and that which she had seen of the kings of them, men and women, and of Queen Kemeriyeh and her sisters and Queen Shuaaeh, Queen of the Fourth Sea, and Queen Es Shuhba, Queen of Queens, and King Es Shisban, and that which each one of them had bestowed upon her. Moreover, she told him the story of Meimoun the Sworder and described to him his loathly favour, which he had not consented to change, and related to him that which befell her from the kings of the Jinn, men and women, and the coming of the Queen of Queens, Es Shuhba, and how she had loved her and appointed her her vice-queen and how she was thus become ruler over all the kings of the Jinn; and she showed him the patent of investiture that Queen Es Shuhba had written her and told him that which had betided her with the Ghoul-head, whenas it appeared to her in the garden, and how she had despatched it to her palace, beseeching it to bring her news of the Commander of the Faithful and that which had betided him after her. Then she described to him the gardens, wherein she had taken her pleasure, and the baths inlaid with pearls and jewels and told him that which had befallen Meimoun the Sworder, whenas he carried her off, and how he had slain himself; brief, she told him all that she had seen of wonders and rarities and that which she had beheld of all kinds and colours among the Jinn.. The Twenty-Sixth Night of the Month.. I was once an officer in the household of the Amir Jemaledin El Atwesh El Mujhidi, who was invested with the governance of the Eastern and Western districts, (107) and I was dear to his heart and he concealed from me nought of that which he purposed to do; and withal he was master of his reason. (108) It chanced one day that it was reported to him that the daughter of such an one had wealth galore and raiment and jewels and she loved a Jew, whom every day she invited to be private with her, and they passed the day eating and drinking in company and he lay the night with her. The prefect feigned to give no credence to this story, but one night he summoned the watchmen of the quarter and questioned them of this. Quoth one of them, "O

my lord, I saw a Jew enter the street in question one night; but know not for certain to whom he went in." And the prefect said, "Keep thine eye on him henceforth and note what place he entereth." So the watchman went out and kept his eye on the Jew..? ? ? ? ? So get thee gone, then, from a house wherein thou art abased And let not severance from friends lie heavy on thy spright..? ? ? ? ? a. Story of Tuhfet el Culoub and Haroun er Reshid dccccxlii.? ? ? ? ? What if the sabre cut me limb from limb! No torment 'twere for lovers true and leal..? ? ? ? ? Whenas En Nebhan strove to win my grace, himself to me With camel- loads he did commend of musk and camphor white..So she sent for him in private and said to him, 'I purpose to do thee a service, so thou canst but keep a secret.' He promised her all that she desired and she discovered to him her secret in the matter of her daughter, saying, 'I will marry thee to her and commit to thee the governance of her affair and make thee king and ruler over this city.' He thanked her and promised to uphold all that she should order him, and she said to him, 'Go forth to such an one of the neighbouring provinces privily.' So he went forth and on the morrow she made ready bales and gear and presents and bestowed on him a great matter, all of which they loaded on the backs of camels.
