We're the best place to get for the called publication. And your time to acquire this specific guide since on the list of compromises has already become ready. Then the astrologers made their calculations and looked into his nativity and his ascendant, whereupon their colour changed and they were confounded. Quoth the king to them, 'Acquaint me with his horoscope and ye shall have assurance and fear ye not of aught! 'O king,' answered they, 'this child's nativity denotes that, in the seventh year of his age, there is to be feared for him from a lion, which will attack him; and if he be saved from the lion, there will betide an affair yet sorer and more grievous.' 'What is that?' asked the king; and they said, 'We will not speak, except the king command us thereto and give us assurance from [that which we] fear.' Quoth the king, 'God assure you!' And they said, 'If he be saved from the lion, the king's destruction will be at his hand.' When the king heard this, his colour changed and his breast was straitened; but he said in himself, 'I will be watchful and do my endeavour and suffer not the lion to eat him. It cannot be that he will kill me, and indeed the astrologers lied.' As for the king, he arose in haste and disguising himself, repaired to the house of Firouz and knocked at the door. Quoth Firouz's wife, "Who is at the door?" And he answered, saying, "I am the king, thy husband's master." So she opened the door and he entered and sat down, saying, "We are come to visit thee." Quoth she, "I seek refuge [with God] from this visitation, for indeed I deem not well thereof." And the king said, "O desire of hearts, I am thy husband's master and methinks thou knowest me not." "Nay," answered she, "I know thee, O my lord and master, and I know thy purpose and that which thou seekest and that thou art my husband's lord. I understand what thou wishest, and indeed the poet hath forestalled thee in his saying of the following verses, in reference to thy case: . . . Our stead, that late was desert, grew green and eke our trees, That barren were, grew loaded with ripened fruits galore. . . All this while the Khalif was diverting himself with watching him and laughing, and at nightfall he bade one of the slave-girls drop a piece of henbane in the cup and give it to Aboulhusn to drink. So she did as he bade her and gave Aboulhusn the cup, whereof no sooner had he drunken than his head forewent his feet [and he fell down, senseless]. Therewith the Khalif came forth from behind the curtain, laughing, and calling to the servant who had brought Aboulhusn to the palace, said to him, "Carry this fellow to his own place." So Mesrour took him up [and carrying him to his own house], set him down in the saloon. Then he went forth from him and shutting the saloon-door upon him, returned to the Khalif, who slept till the morrow. . . . d. The Rich Man who gave his Fair Daughter in Marriage to the Poor Old Man dccccxii. I'm the crown of every sweet and fragrant weed, ii. 255. . . . b. The Cook's Story (238) cxxi. . . . If the rose be entitled the pride of the morn, Before me nor after she wins it, I ween. . . . Bihzad, Story of Prince, i. 99. . . . Lo! in the garden-ways, the place of ease and cheer, Still, like the moon at full, my light thou mayst espy. . . . His love he'd have hid, but his tears denounced him to the spy, iii. 42. . . . l. The Foolish Fisherman dccccxviii. The Tenth Day. . . . Now the king, who had plundered Abou Sabir's goods] and driven him forth of his village, had an enemy; and the latter took horse against him and overcame him and captured his [capital] city; wherefore he addressed himself to flight and came to Abou Sabir's city, craving protection of him and seeking that he should succour him. He knew not that the king of the city was the headman whom he had despoiled; so he presented himself before him and made complaint to him; but Abou Sabir knew him and said to him, 'This is somewhat of the issue of patience. God the Most High hath given me power over thee.' Then he bade his guards plunder the [unjust] king and his attendants; so they plundered them and stripping them of their clothes, put them forth of his country. When Abou Sabir's troops saw this, they marvelled and said, 'What is this deed that the king doth? There cometh a king to him, craving protection, and he despoileth him! This is not of the fashion of kings.' But they dared not [be]speak [him] of this. . . . 40. The Khalif El Mamoun and the Strange Doctor cccvi. . . . Would we may live together and when we come to die, God grant the death-sleep bring me within her tomb to lie! . . . When the king heard their speech, he bade the crier make proclamation in the thoroughfares of the city that the troops should prepare [for the march] and that the horsemen should mount and the footmen come forth; nor was it but the twinkling of the eye ere the drums beat and the trumpets sounded; and scarce was the forenoon of the day passed when the city was blocked with horse and foot. So the king passed them in review and behold, they were four-and-twenty thousand in number, horsemen and footmen. He bade them go forth to the enemy and gave the commandment over them to Said ibn el Wakidi, a doughty cavalier and a valiant man of war. So the horsemen set out and fared on along the bank of the Tigris. . . . So Abdulmelik went away to his house, whither he found that the money had foregone him, and on the morrow Jaafer presented himself before the Khalif and acquainted him with what had passed and that he had appointed Abdulmelik's son governor of Egypt and had promised him his daughter in marriage. Er Reshid approved of this and confirmed the appointment and the marriage. [Then he sent for the young man] and he went not forth of the palace of the Khalif till he wrote him the patent [of investiture with the government] of Egypt; and he let bring the Cadis and the witnesses and drew up the contract of marriage. . . . But rigour still hath waxed on me and changed my case And love hath left me bound, afflicted, weeping-eyed. . . . The merchant went out and returned to the old woman, who, seeing him changed of colour, said to him, 'What did he ask thee, [may God confound] his hoariness?' So he acquainted her with the case and she said to him, 'Fear not; I will bring thee forth of this [strait].' Quoth he, 'God requite thee with good!' And she said, 'To-morrow go to him with a stout heart and say, "The answer to that whereof thou askest me is that thou put the heads of two staves into one of the holes; then take the other two staves and lay them across the middle of the first two and stop with their heads the second hole and with their butts the fourth hole. Then take the butts of the first two staves and stop with them the third hole.'" (232)
