The ones that have made it waste nothing. It stands to reason that any really ancient deposits of crude oil would have been exhausted in only a few of these cycles. So it must be that what we're thinking of as crude oil must be something a little different It has to be the remains of the last generation..".Not long afterward I left. I didn't want to be hung-over on my first spell of picket duty. It was a cool night, and the stars were thick in the sky. I caught glimpses of the Project as I made my way home through the narrow streets. It dominates the whole city. The whole Plain, for that matter. It had sort of a pale, blurred look in the starlight, the six completed stages blending together, the uncompleted seventh one softly serrated against the night sky. Working on it every day, I've kind of forgot how high it is, how much higher it's going to be when we get back on the job. The highest thing ever, they say. I won't dispute that. It makes a palm tree look like a blade of grass and a man look like an ant. Looking at it tonight, I felt proud to be one of the builders. It was as though I'd built the whole thing myself. That's the way a bricklayer feels sometimes. It's really great I feel sorry for brickmakers.
