did so, asking, "Is it very bad?". She followed the Doorkeeper down a stone passageway. Only at the end of it did she think to turn back to see the light shine through the thousand leaves of the tree carved in the high door in its bone-white frame. She stopped looking about and strode along in thought for a while. She was beautiful in movement, bold and graceful, her head carried high. "Only in some very, very old tales. Before the gods were. Before men were. Before men were men, the city was beautiful and peaceful and the people prosperous. But few could pass through Medra's Gate. clinging to - the ... purity of that rule." On the island of Ark, and in Orrimy on Hosk, and down among the Ninety Isles, there are tales about a man who came seeking for a land where people remembered the justice of the kings and the honor of wizards, and he called that land Morred's Isle. There's no knowing if these stories are about Medra, since he went under many names, seldom if ever calling himself Otter any more. Gelluk's fall had not brought Losen down. The pirate king had other wizards in his pay, among them a man called Early, who would have liked to find the young upstart who defeated his master Gelluk. And Early had a good chance of tracing him. Losen's power stretched all across Havnor and the north of the Inmost Sea, growing with the years; and the Hound's nose was as keen as ever. far more numerous neighbors to the south and west. They held each other tight, hard, silent for a long time. To Diamond it was as if he held his future, his own life, his whole life, in his arms. "There," Anieb said. She pointed at the mountain and smiled. She looked at her companion, then slowly down at the ground. She sank down kneeling. He knelt with her, tried to support her, but she slid down in his arms. "What will you do, Master Tern?" asked the Summoner, a grey-haired mage from Ilien. Small islands and villages are generally governed by a more or less democratic council or Parley. "Very good, very good, Medra," said the wizard. "You may call me Father." When she did so, Alder's wife Tawny and several other people agreed with her that a squabble between sorcerers over work was nothing new and nothing to take on about. But San and his wife and the tavern crew wouldn't let it rest, it being the only thing of interest to talk about for the rest of the winter, except the cattle dying. "Besides," Tawny said, "my man's never averse to paying copper where he thought he might have to pay ivory." "Are the cattle he touched keeping afoot, then?" "So far as we can see, they are. And no new sickenings." "He's a true sorcerer, Tawny," Gift said, very earnest. "I know it." "That's the trouble, love," said Tawny. "And you know it! This is no place for a man like that. Whoever he is, is none of our business, but why did he come here, is what you have to ask." "To cure the beasts," Gift said. of Ard's was no son of his, had nursed his rage and died unforgiving. She stood straight up in the water. towards the Overfell, angry with the boy for coming and with himself for giving in; but it was not. "He's the Master here." Two long curves appeared on the Doorkeeper's cheeks, enclosing the slow upturn of his smile. The Changer's face remained stern, but he blinked, and after a little thought said, "I'm sure - yes - it was definitely the better plan to be honest. What Master did you speak of?" The Patterner came forward and took her hands in his. His hands were warm, and she felt so mortally cold that she came close up against him for the warmth of his body. They stood so for a while, her face turned from him but their hands joined and their bodies pressed close. At last she broke free, straightening herself, pushing back her lank wet hair. Thank you," she said. "I was cold." Men to own. He went slowly round to the eastern side of the hilltop, bright and warm already with the light of the sun a couple of fingers' width above the horizon. Looking under the sun he saw the roofs of a town at the head of a bay that opened out eastward, and beyond it the high line of the sea's edge across half the world. Turning west he saw fields and pastures and roads. To the north were long green hills. In a fold of land southward a grove of tall trees drew his gaze and held it. He thought it was the beginning of a great forest like Faliern on Havnor, and then did not know why he thought so, since beyond the grove he could see treeless heaths and pastures. exerted considerable political power.
