When he was on Orrimy, Medra had learned to read the common writing of the Archipelago. Later, Highdrake of Pendor had taught him some of the runes of power. That was known lore. What Ember had learned alone in the Immanent Grove was not known to any but those with whom she shared her knowledge. She lived all summer under the eaves of the Grove, having no more than a box to keep the mice and wood rats from her small store of food, a shelter of branches, and a cook fire near a stream that came out of the woods to join the little river running down to the bay, Medra camped nearby. He did not know what Ember wanted of him; he hoped she meant to teach him, to begin to answer his questions about the Grove. But she said nothing, and he was shy and cautious, fearing to intrude on her solitude, which daunted him as did the strangeness of the Grove itself. The second day he was there, she told him to

come with her and led him very far into the wood. They walked for hours in silence. In the summer midday the woods were silent. No bird sang. The leaves did not stir. The aisles of the trees were endlessly different and all the same. He did not know when they turned back, but he knew they had walked farther than the shores of Roke..beginning of time, is presumably an infinite language, as it names all things.. "Well, he can't lift the murrain all at once. But seems like he can cure a beast if he gets to it. A good sign, thunder, Dulse thought. It would stop raining soon. He pulled up his hood and went. "Are there still marriages?". Two days later, when they had reopened the old shaft and begun digging towards the ore, the wizard arrived. Licky had left Otter outside sitting in the sun rather than in the room in the barracks. Otter was grateful to him. He could not be wholly comfortable with his hands bound and his mouth gagged, but wind and sunlight were mighty blessings. And he could breathe deep and doze without dreams of earth stopping his mouth and nostrils, the only dreams he ever had, nights in the cell..honor. Power of birth and power of money were contingent, and must be earned lest they be lost..freely, as if they were not material..Ivory clapped his hand to his right leg. A dog's tooth had ripped his breeches at the calf, and a fox. Her thoughts moved as quietly and easily as the breeze moved in the warm light..severity.
