That is of how your readers can be influenced by mcdougal outside of each concept amongst positive results. And this ebook is had to read detail by detail, it can be ideal for both you and your own entire life. Then they displayed Shehrzad in the third dress and the fourth and the fifth, and she became as she were a willow-wand or a thirsting gazelle, goodly of

grace and perfect of attributes, even as saith of her one in the following verses: Then she cast the lute from her hand and swooned away; so she was carried to her chamber and indeed passion waxed upon her. After a long while, the Commander of the Faithful sent for her a third time and bade her sing. So she took the lute and sang the following verses: 21. Omar ben Abdulaziz and the Poets cccxxxii. The old woman went out, running, whilst the Khalif and Mesrour laughed, and gave not over running till she came into the street. Aboulhusn saw her and knowing her, said to his wife, "O Nuzhet el Fuad, meseemeth the Lady Zubeideh hath sent to us to see who is dead and hath not given credence to Mesrour's report of thy death; so she hath despatched the old woman, her stewardess, to discover the truth; wherefore it behoveth me to be dead in my turn, for the sake of thy credit with the Lady Zubeideh." Accordingly, he lay down and stretched himself out, and she covered him and bound his eyes and feet and sat at his head, weeping. Beard of the old he-goat, the one-eyed, what shall be, ii. 231. Then he lighted him three candles and three lamps and spreading the drinking-cloth, brought clarified wine, limpid, old and fragrant, the scent whereof was as that of virgin musk. He filled the first cup and saying, "O my boon-companion, by thy leave, be ceremony laid aside between us! I am thy slave; may I not be afflicted with thy loss!" drank it off and filled a second cup, which he handed to the Khalif, with a reverence. His fashion pleased the Khalif and the goodness of his speech and he said in himself, "By Allah, I will assuredly requite him for this!" Then Aboulhusn filled the cup again and handed it to the Khalif, reciting the following verses: Then she came down from the tree and rent her clothes and said, 'O villain, if these be thy dealings with me before my eyes, how dost thou when thou art absent from me?' Quoth he, 'What aileth thee?' and she said, 'I saw thee swive the woman before my very eyes.' 'Not so, by Allah!' cried he. 'But hold thy peace till I go up and see.' So he climbed the tree and no sooner did he begin to do so than up came the lover [from his hiding-place] and taking the woman by the legs, [fell to swiving her]. When the husband came to the top of the tree, he looked and beheld a man swiving his wife. So he said, 'O strumpet, what doings are these?' And he made haste to come down from the tree to the ground; [but meanwhile the lover had returned to his hiding-place] and his wife said to him, 'What sawest thou?' 'I saw a man swive thee,' answered he; and she said, 'Thou liest; thou sawest nought and sayst this but of conjecture.' We abode thus till the setting-in of the time of mid-afternoon, when she said, "Needs must I wash before I go." Quoth I, "Get water wherewithal we may wash," and pulled out from my pocket about a score of dirhems, thinking to give them to her; but she said, "I seek refuge with God!" and brought out of her pocket a handful of silver, saying, "But for destiny and that God hath caused the love of thee fall into my heart, there had not happened that which hath happened." Quoth I, "Take this in requital of that which thou hast spent;" and she said, "O my lord, by and by, whenas companionship is prolonged between us, thou wilt see if the like of me looketh unto money and gain or no." Then she took a pitcher of water and going into the lavatory, washed (111) and presently coming forth, prayed and craved pardon of God the Most High for that which she had done. Accordingly El Merouzi repaired to the market and fetching that which he sought, returned to Er Razi's house, where he found the latter cast down in the vestibule, with his beard tied and his eyes shut; and indeed, his colour was paled and his belly blown out and his limbs relaxed. So he deemed him in truth dead and shook him; but he spoke not; and he took a knife and pricked him in the legs, but he stirred not. Then said Er Razi, 'What is this, O fool?' And El Merouzi answered, 'Methought thou wast dead in very sooth.' Quoth Er Razi, 'Get thee to seriousness and leave jesting.' So he took him up and went with him to the market and collected [alms] for him that day till eventide, when he carried him back to his lodging and waited till the morrow. When the poor man heard the merchant's story, he became desirous of marrying his daughter. So he took her to wife and was vouchsafed of her exceeding love. Nor," added the vizier, "is this story more extraordinary than that of the rich man and his wasteful heir." Quoth Jesus (on whom be peace!), 'Had these dealt prudently, they had taken thought for themselves; but they neglected the issues of events; for that whoso acteth prudently is safe and conquereth, (252) and whoso neglecteth precaution perisheth and repenteth.' Nor," added the vizier, "is this more extraordinary nor goodlier than the story of the king, whose kingdom was restored to him and his wealth, after he had become poor, possessing not a single dirhem." Officer's Story, The First, ii. 122. One day, the Commander of the Faithful's breast was straitened; so he sent after his Vizier Jaafer the Barmecide and Ishac the boon-companion and Mesrour the eunuch, the swordsman of his vengeance; and when they came, he changed his raiment and disguised himself, whilst Jaafer [and Ishac] and Mesrour and El Fezll (164) and Younus (165) (who were also present) did the like. Then he went out, he and they, by the privy gate, to the Tigris and taking boat, fared on till they came to near Et Taf, (166) when they landed and walked till they came to the gate of the thoroughfare street. (167) Here there met them an old man, comely of hoariness and of a venerable and dignified bearing, pleasing (168) of aspect and apparel. He kissed the earth before Ishac el Mausili (for that he knew but him of the company, the Khalif being disguised, and deemed the others certain of his friends) and said to him, 'O my lord, there is presently with me a slave-girl, a lutanist, never saw eyes the like of her nor the like of her grace, and indeed I was on my way to pay my respects to thee and give thee to know of her; but Allah, of His favour, hath spared me the trouble. So now I desire to show her to thee, and if she be to thy liking, well and good: else I will sell her.' Quoth Ishac, 'Go before me to thy barrack, till I come to thee and see her.' So she arose and returned to her house, whilst El Merouzi abode in his place till the night was half spent, when he said to himself, 'How long [is this to last]? Yet how can I let this knavish dog die and lose the money? Methinks I were better open the tomb on him and bring him forth and take my due of him by dint of grievous beating and torment.' Accordingly, he dug him up and pulled him forth of the tomb; after which he betook himself to an orchard hard by the burial-ground and cut thence staves and palm sticks. Then he tied the dead man's legs and came down on him with the staff and beat him grievously; but he stirred not. When the time grew long on him, his shoulders became weary and he feared lest some one of the watch should pass on his round and surprise him. So he took up Er Razi and carrying him forth of the cemetery, stayed not till he came to the Magians' burying-place and casting him down in a sepulchre (42) there, rained heavy blows upon him till his shoulders failed him, but the other stirred not. Then he sat down by his side and rested; after which he rose and renewed the beating upon him, [but to no better effect; and thus he did] till the end of the night. ? ? ? ? ? I'm the keeper of the promise and the troth, And my gathering is eath, without impede. King who lost Kingdom and Wife and Wealth, The, ii. 66. ? ? ? ? ? ed. Story of the Barber's Fourth Brother clii. ? ? ? ? a. The Ox and the Ass. When the damsel heard these verses, she wept till her clothes were drenched and drew near the old woman, who said to her, 'Knowest thou such an one?' And wept and said, 'He is my lord. Whence knowest thou him?' 'O my lady,' answered the old woman, 'sawst thou not the madman who came hither yesterday with the old woman? He was thy lord. But this is no time for talk. When it is night, get thee to the top of the palace [and wait] on the roof till thy lord come to thee and contrive for thy deliverance.' Then she gave her what she would of perfumes and returning to the chamberlain, acquainted him with that which had passed, and he told the youth. 31. The Scavenger

and the Noble Lady of Baghdad cclxxxii. ? ? ? ? ? a. The First Officer's Story dccccxx. Then he returned to the city and forgot the youth; so the servants went in to him and said to him, 'O king, if thou keep silence concerning yonder youth, who would have slain thee, all thy servants will presume upon thee, and indeed the folk talk of this matter.' With this the king waxed wroth and saying, 'Fetch him hither,' commanded the headsman to strike off his head. So they [brought the youth and] bound his eyes; and the headsman stood at his head and said to the king, 'By thy leave, O my lord, I will strike off his head.' But the king said, 'Stay, till I look into his affair. Needs must I put him to death and the slaying of him will not escape [me].' So he restored him to the prison and there he abode till it should be the king's will to put him to death.. To his beloved one the lover's heart's inclined, iii. 22.. Poets, The Khalif Omar ben Abdulaziz and the, i. 45.. When it was the day of the going-in, (110) Bihzad, of his haste and lack of patience, betook himself to the wall, which was between himself and the princess's lodging and in which there was a hole pierced, and looked, so he might see his bride, of his haste. But the bride's mother saw him and this was grievous to her; so she took from one of the servants two red-hot iron spits and thrust them into the hole through which the prince was looking. The spits ran into his eyes and put them out and he fell down aswoon and joyance was changed and became mourning and sore concern. See, then, O king," continued the youth, "the issue of the prince's haste and lack of deliberation, for indeed his haste bequeathed him long repentance and his joy was changed to mourning; and on like wise was it with the woman who hastened to put out his eyes and deliberated not. All this was the doing of haste; wherefore it behoveth the king not to be hasty in putting me to death, for that I am under the grasp of his hand, and what time soever thou desirest my slaughter, it shall not escape [thee]." Then they displayed Dinarzad in a second and a third and a fourth dress and she came forward, as she were the rising sun, and swayed coquettishly to and fro; and indeed she was even as saith the poet of her in the following verses:. 114. The Angel of Death and the Rich King cccclxii. ? ? ? ? ? Some with religion themselves concern and make it their business all; Sitting, (53) they weep for the pains of hell and still for mercy bawl!. ? ? ? ? ? b. Story of the Enchanted Youth xxi. When it was the Nine hundred and thirtieth Night, Shehrzad said, "O king, there is present in my thought a story which treateth of women's craft and wherein is a warning to whoso will be warned and an admonishment to whoso will be admonished and whoso hath discernment; but I fear lest the hearing of this lessen me with the king and lower my rank in his esteem; yet I hope that this will not be, for that it is a rare story. Women are indeed corruptresses; their craft and their cunning may not be set out nor their wiles known. Men enjoy their company and are not careful to uphold them [in the right way], neither do they watch over them with all vigilance, but enjoy their company and take that which is agreeable and pay no heed to that which is other than this. Indeed, they are like unto the crooked rib, which if thou go about to straighten, thou distortest it, and which if thou persist in seeking to redress, thou breakest it; wherefore it behoveth the man of understanding to be silent concerning them." Benou Tai, En Numan and the Arab of the, i. 203.. Then Ishac seized upon her hand and carrying her into the house, said to her, 'Take the lute and sing; for never saw I nor heard thy like in smiting upon the lute; no, not even myself!' 'O my lord,' answered she, 'thou makest mock of me. Who am I that thou shouldst say all this to me? Indeed, this is but of thy kindness.' 'Nay, by Allah,' exclaimed he, 'I said but the truth to thee and I am none of those on whom pretence imposeth. These three months hath nature not moved thee to take the lute and sing thereto, and this is nought but an extraordinary thing. But all this cometh of strength in the craft and self-restraint.' Then he bade her sing; and she said, 'Hearkening and obedience.' So she took the lute and tightening its strings, smote thereon a number of airs, so that she confounded Ishac's wit and he was like to fly for delight. Then she returned to the first mode and sang thereto the following verses:. One of the host am I of lovers sad and sere, ii. 252.. 100. The Lovers of the Benou Tai ccccc. ? ? ? ? ? How long shall I thus question my heart that's drowned in woe? I'm mute for my complaining; but tears speak, as they flow.
