He took a hardboiled egg from the basket, cracked, shelled, and ate it..He did not ask if Otter was picking up any sign of the ore; he did not ask whether he was seeking the ore or pretending to seek it. Otter himself could not have answered the question. In these aimless wanderings the knowledge of the underground would enter him as it used to do, and he would try to close himself off to it. "I will not work in the service of evil!" he told himself. Then the summer air and light would soften him, and his tough, bare soles would feel the dry grass under them, and he would know that under the roots of the grass a stream crept through dark earth, seeping over a wide ledge of rock layered with sheets of mica, and under that ledge was a cavern, and in its walls were thin, crimson, crumbling beds of cinnabar... He made no sign. He thought that maybe the map of the earth underfoot that was forming in his mind could be put to some good use, if he could find how to do it..Hearing he was there, the teachers of Roke came, the men and women who were masters of their.He looked at her and said nothing..Serriadh, and was their most precious possession. She thought about Ivory, thinking she would never see him again, wondering if he had found a ship to take him back to Havnor. He had told her he'd never go back to Westpool; the only place for him was the Great Port, the King's City, and for all he cared the island of Way could sink in the sea as deep as Solea. But she thought with love of the roads and fields of Way. She thought of Old Iria village, the marshy spring under Iria Hill, the old house on it. She thought about Daisy singing ballads in the kitchen, winter evenings, beating out the time with her wooden clogs; and old Coney in the vineyards with his razor-edge knife, showing her how to prune the vine "right down to the life in it"; and Rose, her Etaudis, whispering charms to ease the pain in a child's broken arm. I have known wise people, she thought. Her mind flinched away from remembering her father, but the motion of the leaves and shadows drew it on. She saw him drunk, shouting. She felt his prying, tremulous hands on her. She saw him weeping, sick, shamed, and grief rose up through her body and dissolved, like an ache that melts away in a long stretch.
