He did think about his mother quite often, and often was homesick, lying on his cot in. The young man, called Ivory, did not actually have his staff and cloak yet; he explained that he was to be made wizard when he went back to Roke. The Masters had sent him out in the world to gain experience, for all the classes in the School cannot give a man the experience he needs to be a wizard. Birch looked a little dubious at this, and Ivory reassured him that his training on Roke had equipped him with every kind of magic that could be needed in Iria of Westpool on Way. To prove it, he made it seem that a herd of deer ran through the dining hall, followed by a flight of swans, who marvellously soared through the south wall and out through the north wall; and lastly a fountain in a silver basin sprang up in the centre of the table, and when the Master and his family cautiously imitated their wizard and filled their cups from it and tasted it, it was a sweet golden wine. "Wine of the Andrades," said the young man with a modest, complacent smile. By then the wife and daughters were entirely won over. And Birch thought the young man was worth

his fee, although his own silent preference was for the dry red Fanian of his own vineyards, which got you drunk if you drank enough, while this yellow stuff was just honeywater.. "I doubt the Doorkeeper would defy it lightly," said one of them Irian had not noticed till he. "I cannot read them." Otter's voice was toneless. "I cannot go there. No one can enter there in the body but only the King. Only he can read what is written." "And a good thing too!" Golden said roundly. "What's become of that daughter of hers, then? Went. "Do people still live there?" Medra asked, and the master said, "Witches," while his brother said, "Worm eaters." "Once?" she said. "Or twice?". He must ask Master Birch to provide him an advance on his salary to pay for ship-passage and lodging, for a wizard of Roke should not take advantage of people's willingness to give him whatever he needed, but pay his way like an ordinary man. As Birch agreed with this, he had to give Ivory a purse for his journey. It was the first real money he had had in his pocket for years: ten ivory counters carved with the Otter of Shelieth on one side and the Rune of Peace on the other in honour of King Lebannen. "Hello, little namesakes," he told them when he was alone with them. "You and the cheese money will get along nicely." A pause. "This," Diamond said. His voice was level. He was glad to send his wizard along as bodyguard, for the wine was valuable, and though the young king was putting things to rights as fast as he could, there were still gangs of robbers on the roads. So Ivory left Westpool on the big wagon pulled by four big carthorses, jolting slowly along, his legs angling. Down by Jackass Hill an uncouth figure rose up from the wayside and asked the carter for a lift. "I don't know you," the carter said, lifting his whip to warn the stranger off, but Ivory came round the wagon and said, "Let the lad ride, my good man. She thought about Ivory, thinking she would never see him again, wondering if he had found a ship to take him back to Havnor. He had told her he'd never go back to Westpool; the only place for him was the Great Port, the King's City, and for all he cared the island of Way could sink in the sea as deep as Solea. But she thought with love of the roads and fields of Way. She thought of Old Iria village, the marshy spring under Iria Hill, the old house on it. She thought about Daisy singing ballads in the kitchen, winter evenings, beating out the time with her wooden clogs; and old Coney in the vineyards with his razor-edge knife, showing her how to prune the vine "right down to the life in it"; and Rose, her Etaudis, whispering charms to ease the pain in a child's broken arm. I have known wise people, she thought. Her mind flinched away from remembering her father, but the motion of the leaves and shadows drew it on. She saw him drunk, shouting. She felt his prying, tremulous hands on her. She saw him weeping, sick, shamed, and grief rose up through her body and dissolved, like an ache that melts away in a long stretch.
