That is of how mcdougal could influence your readers outside of each theory among positive results. And that ebook is excessively had to read through detail with detail, it can be ideal for both your entire life and you. When he was gone, the old man bade the trooper wash the kitchen-vessels and made ready passing goodly food. When the king returned, he set the meat before him, and he tasted food whose like he had never known; whereat he marvelled and asked who had dressed it. So they acquainted him with the old man's case and he summoned him to his presence and awarded him a handsome recompense. (207) Moreover, he commanded that they should cook together, he and the cook, and the old man obeyed his commandment..? ? ? ? Thou that wast absent from my stead, yet still with me didst bide, Thou wast removed from mine eye, yet still wast by my side..? ? ? ? ? To whom save thee shall I complain, of whom relief implore, Whose image came to visit me, what while in dreams I lay?.The king marvelled at what he saw and questioned him of [how he came by]

the knowledge of this. 'O king,' answered the old man, 'this [kind of] jewel is engendered in the belly of a creature called the oyster and its origin is a drop of rain and it is firm to the touch [and groweth not warm, when held in the hand]; so, when [I took the second pearl and felt that] it was warm to the touch, I knew that it harboured some living thing, for that live things thrive not but in heat.' (209) So the king said to the cook, 'Increase his allowance.' And he appointed to him [fresh] allowances..Hardly was the night come, when he went in to his wife and found her lying back, [apparently] asleep; so he sat down by her side and laying the hoopoe's heart on her breast, waited awhile, so he might be certified that she slept. Then said he to her, 'Shah Khatoun, Shah Khatoun, is this my recompense from thee?' Quoth she, 'What offence have I committed?' And he, 'What offence can be greater than this? Thou sentest after yonder youth and broughtest him hither, on account of the desire of thy heart, so thou mightest do with him that for which thou lustedst.' 'I know not desire,' answered she. 'Verily, among thy servants are those who are comelier and handsomer than he; yet have I never desired one of them.' 'Why, then,' asked he, 'didst thou lay hold of him and kiss him!' And she said, 'This is my son and a piece of my heart; and of my longing and love for him, I could not contain myself, but sprang upon him and kissed him.' When the king heard this, he was perplexed and amazed and said to her, 'Hast thou a proof that this youth is thy son? Indeed, I have a letter from thine uncle King Suleiman Shah, [wherein he giveth me to know] that his unck Belehwan cut his throat.' 'Yes,' answered she, 'he did indeed cut his throat, but severed not the windpipe; so my uncle sewed up the wound and reared him, [and he lived,] for that his hour was not come.' King of Ind and his Vizier, The, ii. 105..? ? ? ? ? g. The King's Son and the Ogress dlxxi. When she had made an end of her song, she wept and Nouredin wept also. Then she took the lute and improvised and sang the following verses: ? ? ? ? ? c. Story of the Chief of the Old Cairo Police dcv. Woman, The Thief and the, i. 278..? ? ? ? ? 'Twas not of wine that I had drunk; her mouth's sweet honeyed dews It was intoxicated me with bliss and ravishment..Accordingly, Shefikeh went out and repairing to the nurse's house, found her clad in apparel other (100) than that which she had been wont to wear aforetime. So she saluted her and said to her, "Whence hadst thou this dress, than which there is no goodlier?" "O Shefikeh," answered the nurse, "thou deemest that I have gotten (101) no good save of thy mistress; but, by Allah, had I endeavoured for her destruction, I had done [that which was my right], for that she did with me what thou knowest (102) and bade the eunuch beat me, without offence of me committed; wherefore do thou tell her that he, on whose behalf I bestirred myself with her, hath made me quit of her and her humours, for that he hath clad me in this habit and given me two hundred and fifty dinars and promised me the like thereof every year and charged me serve none of the folk." As an instance of the extreme looseness with which the book was edited, I may observe that the first four Vols. were published without tables of contents, which were afterwards appended en bloc to the fifth Volume. The state of corruption and incoherence in which the printed Text was placed before the public by the two learned Editors, who were responsible for its production, is such as might well drive a translator to despair: the uncorrected errors of the press would alone fill a volume and the verse especially is so corrupt that one of the most laborious of English Arabic scholars pronounced its translation a hopeless task. I have not, however, in any single instance, allowed myself to be discouraged by the difficulties presented by the condition of the text, but have, to the best of my ability, rendered into English, without abridgment or retrenchment, the whole of the tales, prose and verse, contained in the Breslau Edition, which are not found in those of Calcutta (1839-42) and Boulac. In this somewhat ungrateful task, I have again had the cordial assistance of Captain Burton, who has (as in the case of my "Book of the Thousand Nights and One Night") been kind enough to look over the proofs of my translation and to whom I beg once more to tender my warmest thanks..Moreover, he gave her a complete suit of clothes and raising his head to her, said, "When thou toldest me that which Mariyeh had done with thee, God rooted out the love of her from my heart, and never again will she occur to my mind; so extolled be the perfection of Him who turneth hearts and eyes! It was she who was the cause of my coming out from Yemen, and now the time is past for which I engaged with my people and I fear lest my father levy his troops and come forth in quest of me, for that he hath no child other than myself and cannot brook to be parted from me; and on like wise is it with my mother." When the nurse heard his words, she said to him, "O my lord, and which of the kings is thy father?" "My father is El Aziz, lord of Yemen and Nubia and the Islands (91) of the Benou Kehtan and the Two Noble Sanctuaries (92) (God the Most High have them in His keeping!)," answered El Abbas; "and whenas he taketh horse, there mount with him an hundred and twenty and four thousand horsemen, all smiters with the sword, let alone attendants and servants and followers, all of whom give ear unto my word and obey my commandment." "Why, then, O my lord," asked the nurse, "didst thou conceal the secret of thy rank and lineage and passedst thyself off for a wayfarer? Alas for our disgrace before thee by reason of our shortcoming in rendering thee thy due! What shall be our excuse with thee, and thou of the sons of the kings?" But he rejoined, "By Allah, thou hast not fallen short! Nay, it is incumbent on me to requite thee, what while I live, though I be far distant from thee." Barmecides, Haroun er Reshid and the Woman of the, i. 57..Thy loss is the fairest of all my heart's woes, iii. 43..? ? ? ? ? b. The Second Voyage of Sindbad the Sailor dxliii. ? ? ? ? ? Him I beseech our loves who hath dissevered, Us of his grace once more to reunite..Then she turned to the old man who had delivered her from the pit and prayed for him and gave him presents galore and among them a myriad of money; (9) and they all departed from her, except her husband. When she was alone with him, she made him draw near unto her and rejoiced in his coming and gave him the choice of abiding with her. Moreover, she assembled the people of the city and set out to them his virtue and worth and counselled them to invest him with the charge of their governance and besought them to make him king over them. They fell in with her of this and he became king and took up his abode amongst them, whilst she gave herself up to her religious exercises and abode with her husband on such wise as she was with him aforetime. (10) Nor," added the vizier, "is this story, O king of the time, more extraordinary or more delightful than that of the journeyman and the girl whose belly he slit and fled." There abode once, of old days and in bygone ages and times, in the city of Baghdad, the Abode of Peace, the Khalif Haroun er Reshid, and he had boon-companions and story-tellers, to entertain him by night Among his boon-companions was a man called Abdallah ben Nan, who was high in favour with him and dear unto him, so that he was not forgetful of him a single hour. Now it befell, by the ordinance of destiny, that it became manifest to Abdallah that he was grown of little account with the Khalif and that he paid no heed unto him; nor, if he absented himself, did he enquire concerning him, as had been his wont. This was grievous to Abdallah and he said in himself, "Verily, the heart of the Commander of the Faithful and his fashions are changed towards me and nevermore shall I get of him that cordiality wherewith he was wont to entreat me." And this was distressful to him and concern waxed upon him, so that he recited the following verses: ? ? ? ? ? ? ? ? ? ? How many an one, with loss of wealth, hath turned mine enemy! ? ? ? ? ? Yea, wonder-words I read therein, my trouble that increased And caused emaciation wear my body to a shred.
