That is of how your readers can be influenced by mcdougal outside of each theory coded in your 21, amongst positive results. And that ebook is had to browse, sometimes detail with detail, so it might be consequently great for both your own life and you. Bihkerd, Story of King, i. 121..? ? ? ? ? v. The Sharpers with the Money-Changer and the Ass dcccciv. Presently a villager passed by [the pit and finding] her [alive,] carried her to his house and tended her, [till she recovered]. Now, he had a son, and when the young man saw her, he loved her and besought her of herself; but she refused and consented not to him, whereupon he redoubled in love and longing and despite prompted him to suborn a youth of the people of his village and agree with him that he should come by night and take somewhat from his father's house and that, when he was discovered, he should say that she was of accord with him in this and avouch that she was his mistress and had been stoned on his account in the city. So he did this and coming by night to the villager's house, stole therefrom goods and clothes; whereupon the old man awoke and seizing the thief, bound him fast and beat him, to make him confess. So he confessed against the woman that she had prompted him to this and that he was her lover from the city. The news was bruited abroad and the people of the city assembled to put her to death; but the old man, with whom she was, forbade them and said, 'I brought this woman hither, coveting the recompense [of God,] and I know not [the truth of] that which is said of her and will not suffer any to hurt her.' Then he gave her a thousand dirhems, by way of alms, and put her forth of the village. As for the thief, he was imprisoned for some days; after which the folk interceded for him with the old man, saying, 'This is a youth and indeed he erred;' and he released him..Now he had a nurse, a foster-mother, on whose knees he had been reared, and she was a woman of understanding and misdoubted of him, but dared not accost him [with questions]. So she went in to Shah Khatoun and finding her in yet sorrier plight than he, asked her what was to do; but she refused to answer. However, the nurse gave not over coaxing and questioning her, till she exacted of her an oath of secrecy. So the old woman swore to her that she would keep secret all that she should say to her, whereupon the queen related to her her history from first to last and told her that the youth was her son. With this the old woman prostrated herself before her and said to her, 'This is an easy matter.' But the queen answered, saying, 'By Allah, O my mother, I choose my destruction and that of my son rather than defend myself by avouching a thing whereof they will not credit me; for they will say, "She avoucheth this, but that she may fend off reproach from herself" And nought will avail me but patience.' The old woman was moved by her speech and her intelligence and said to her, 'Indeed, O my daughter, it is as thou sayst, and I hope in God that He will show forth the truth. Have patience and I will presently go in to the king and hear what he saith and contrive somewhat in this matter, if it be the will of God the Most High.' So they gat them raiment of wool and clothing themselves therewith, went forth and wandered in the deserts and wastes; but, when some days had passed over them, they became weak for hunger and repented them of that which they had done, whenas repentance profited them not, and the prince complained to his father of weariness and hunger. 'Dear my son,' answered the king, 'I did with thee that which behoved me, (205) but thou wouldst not hearken to me, and now there is no means of returning to thy former estate, for that another hath taken the kingdom and become its defender; but I will counsel thee of somewhat, wherein do thou pleasure me.' Quoth the prince, 'What is it?' And his father said, 'Take me and go with me to the market and sell me

and take my price and do with it what thou wilt, and I shall become the property of one who will provide for my support,' 'Who will buy thee of me,' asked the prince, 'seeing thou art a very old man? Nay, do thou rather sell me, for the demand for me will be greater.' But the king said, 'An thou wert king, thou wouldst require me of service.' Then came up El Abbas to the door of the tent, and therein were four-and-twenty golden doves; so he took them, after he had beaten them down with the end of his lance. Then he called out, saying, "Harkye, Zuheir! Doth it not suffice thee that thou hast quelled El Akil's repute, but thou art minded to quell that of those who sojourn round about him? Knowest thou not that he is of the lieutenants of Kunde ben [Hisham of the Benou] Sheiban, a man renowned for prowess? Indeed, covetise of him hath entered into thee and jealousy of him hath gotten possession of thee. Doth it not suffice thee that thou hast orphaned his children (94) and slain his men? By the virtue of the Chosen Prophet, I will make thee drink the cup of death!" So saying, he drew his sword and smiting Zuheir on his shoulder, caused the steel issue, gleaming, from the tendons of his throat. Then he smote the vizier and clove his head in sunder..Moreover, he gave her a complete suit of clothes and raising his head to her, said, "When thou toldest me that which Mariyeh had done with thee, God rooted out the love of her from my heart, and never again will she occur to my mind; so extolled be the perfection of Him who turneth hearts and eyes! It was she who was the cause of my coming out from Yemen, and now the time is past for which I engaged with my people and I fear lest my father levy his troops and come forth in quest of me, for that he hath no child other than myself and cannot brook to be parted from me; and on like wise is it with my mother." When the nurse heard his words, she said to him, "O my lord, and which of the kings is thy father?" "My father is El Aziz, lord of Yemen and Nubia and the Islands (91) of the Benou Kehtan and the Two Noble Sanctuaries (92) (God the Most High have them in His keeping!)," answered El Abbas; "and whenas he taketh horse, there mount with him an hundred and twenty and four thousand horsemen, all smiters with the sword, let alone attendants and servants and followers, all of whom give ear unto my word and obey my commandment." "Why, then, O my lord," asked the nurse, "didst thou conceal the secret of thy rank and lineage and passedst thyself off for a wayfarer? Alas for our disgrace before thee by reason of our shortcoming in rendering thee thy due! What shall be our excuse with thee, and thou of the sons of the kings?" But he rejoined, "By Allah, thou hast not fallen short! Nay, it is incumbent on me to requite thee, what while I live, though I be far distant from thee." Then, in his anger, he walled up the door of the granary with clay, and by the ordinance of God the Most High, there came a great rain and descended from the roofs of the house wherein was the wheat [so that the latter rotted]; and needs must the merchant give the porters five hundred dirhems from his purse, so they should carry it forth and cast it without the city, for that the smell of it was noisome. So his friend said to him, 'How often did I tell thee thou hadst no luck in wheat? But thou wouldst not give ear to my speech, and now it behoveth thee to go to the astrologer and question him of thy star.' Accordingly the merchant betook himself to the astrologer and questioned him of his star, and the astrologer said to him, 'Thy star is unpropitious. Put not thy hand to any business, for thou wilt not prosper therein.' However, he paid no heed to the astrologer's words and said in himself, 'If I do my occasion, (103) I am not afraid of aught.' Then he took the other part of his money, after he had spent therefrom three years, and built [therewith] a ship, which he loaded with all that seemed good to him and all that was with him and embarked on the sea, so he might travel..Sitt el Milah, Nouredin Ali of Damascus and, iii. 3..85. Jaafer the Barmecide and the Old Bedouin cccxcv. Officer's Story, The Seventh, ii. 150..Sindbad the Sailor and Hindbad the Porter, iii. 199..? ? ? ? ? O Amir of justice, be kind to thy subjects; For justice, indeed, of thy nature's a trait..So we went with him till he came to the place where my slave had buried the money and dug there and brought it out; whereat I marvelled with the utmost wonder and we carried it to the prefect's house. When the latter saw the money, he rejoiced with an exceeding joy and bestowed on me a dress of honour. Then he restored the money straightway to the Sultan and we left the youth in prison; whilst I said to my slave who had taken the money, "Did yonder young man see thee, what time thou buriedst the money?" "No, by the Great God!" answered he. So I went in to the young man, the prisoner, and plied him with wine till he recovered, when I said to him, "Tell me how thou stolest the money." "By Allah," answered he, "I stole it not, nor did I ever set eyes on it till I brought it forth of the earth!" Quoth I, "How so?" And he said, "Know that the cause of my falling into your hands was my mother's imprecation against me; for that I evil entreated her yesternight and beat her and she said to me, 'By Allah, O my son, God shall assuredly deliver thee into the hand of the oppressor!' Now she is a pious woman. So I went out forthright and thou sawest me in the way and didst that which thou didst; and when beating was prolonged on me, my senses failed me and I heard one saying to me, 'Fetch it.' So I said to you what I said and he (145) guided me till I came to the place and there befell what befell of the bringing out of the money."..Selim abode in the governance, invested with the sultanate, and ruled the people a whole year, after which he returned to El Mensoureh and sojourned there another year. And he [and his wife] ceased not to go from city to city and abide in this a year and that a year, till he was vouchsafed children and they grew up, whereupon he appointed him of his sons, who was found fitting, to be his deputy in [one] kingdom [and abode himself in the other]; and he lived, he and his wife and children, what while God the Most High willed. Nor," added the vizier, "O king of the age, is this story rarer or more extraordinary than that of the king of Hind and his wronged and envied vizier."..? ? ? ? ? Tis gazed at for its slender swaying shape And cherished for its symmetry and sheen..How many, in Yemameh, dishevelled widows plain! i. 50..On like wise, O king," continued the young treasurer, "is it with thee. If God have written aught on my forehead, needs must it befall me and my speech to the king shall not profit me, no, nor my adducing to him of [illustrative] instances, against the fore-ordinance of God. So with these viziers, for all their eagerness and endeavour for my destruction, this shall not profit them; for, if God [be minded to] save me, He will give me the victory over them."..O son of Simeon, give no ear to other than my say, iii. 36..? ? ? ? ? ? ? ? ? ? ? How many an one, with loss of wealth, hath turned mine enemy!..Some misconception seems to exist as to the story of Seif dhoul Yezen, a fragment of which was translated by Dr. Habicht and included, with a number of tales from the Breslau Text, in the fourteenth Vol. of the extraordinary gallimaufry published by him in 1824-5 as a complete translation of the 1001 Nights (224) and it has, under the mistaken impression that this long but interesting Romance forms part of the Book of the Thousand Nights and One Night, been suggested that a complete translation of it should be included in the present publication. The Romance in question does not, however, in any way, belong to my original and forms no part of the Breslau Text, as will be at once apparent from an examination of the Table of Contents of the latter (see post, p. 261), by which all the Nights are accounted for. Dr. Habicht himself tells us, in his preface to the first Vol. of the Arabic Text, that he found the fragment (undivided into Nights) at the end of the fifth Volume of his MS., into which other detached tales, having no connection with the Nights, appear to have also found their way. This being the case, it is evident that the Romance of Seif dhoul Yezen in no way comes within the scope of the present work and would (apart from the fact that its length would far overpass my limits) be a manifestly improper addition to it. It is, however, possible that,

should I come across a suitable text of the work, I may make it the subject of a separate publication; but this is, of course, a matter for future consideration..As for the governor, he wasted all that was with him and returned to the city, where he saw the youth and excused himself to him. Then he questioned him of what had befallen him and he told him, whereat he marvelled and returned to companionship with him; but the youth ceased to have regard for him and gave him not stipends, as of his [former] wont, neither discovered to him aught of his secrets. When the governor saw that there was no profit for him with the young Khorassani, he returned to the king, the ravisher of the damsel, and told him what the chamberlain had done and counselled him to slay the latter and incited him to recover the damsel, [promising] to give his friend to drink of poison and return. So the king sent for the chamberlain and upbraided him; whereupon he fell upon him and slew him and the king's servants fell upon the chamberlain and slew him..? ? ? ? h. The Drop of Honey dccccclxxxvi."He shall not come in to me. Who is at the door, other than he?" "Heman ben Ghalib el Ferezdec," (55) answered Adi; and Omar said, "It is he who saith, glorying in adultery ..." [And he repeated the following verses:].? ? ? ? All things, indeed, that betide to you are fore-ordered of God; Yet still in your deeds is the source to which their fulfilment is due..To return to El Abbas, when he alighted from his charger, he put off his harness of war and rested awhile; after which he brought out a shirt of Venetian silk and a gown of green damask and donning them, covered himself with a turban of Damietta stuff and girt his middle with a handkerchief. Then he went out a-walking in the thoroughfares of Baghdad and fared on till he came to the bazaar of the merchants. There he found a merchant, with chess before him; so he stood watching him and presently the other looked up at him and said to him, "O youth, what wilt thou stake upon the game?" And he answered, "Be it thine to decide." "Then be it a hundred dinars," said the merchant, and El Abbas consented to him, whereupon quoth he, "O youth, produce the money, so the game may be fairly established." So El Abbas brought out a satin purse, wherein were a thousand dinars, and laid down an hundred dinars therefrom on the edge of the carpet, whilst the merchant did the like, and indeed his reason fled for joy, whenas he saw the gold in El Abbas his possession..? ? ? ? No good's in life (to the counsel list of one who's purpose-whole,) An if thou be not drunken still and gladden not thy soul..Thereupon the folk all prostrated themselves and gave one another joy of this and the drums of good tidings beat before him, and he entered the city [and went on] till he came to the House of Justice and the audience-hall of the palace and sat down on the throne of the kingdom, with the crown on his head; whereupon the folk came in to him to give him joy and offer up prayers for him. Then he addressed himself, after his wont in the kingship, to ordering the affairs of the folk and ranging the troops according to their ranks and looking into their affairs and those of all the people. Moreover, he released those who were in the prisons and abolished the customs dues and gave dresses of honour and bestowed gifts and largesse and conferred favours on the amirs and viziers and dignitaries, and the chamberlains and deputies presented themselves before him and did him homage. So the people of the city rejoiced in him and said, 'Indeed this is none other than a king of the greatest of the kings.'? ? ? ? b. The Singer and the Druggist dccccclxxxviii.On this wise they did three times, and every time [he climbed the tree] the lover came up out of the underground place and bestrode her, whilst her husband looked on and she still said, 'O liar, seest thou aught?' 'Yes,' would he answer and came down in haste, but saw no one and she said to him, 'By my life, look and say nought but the truth!' Then said he to her, 'Arise, let us depart this place, (234) for it is full of Jinn and Marids.' [So they returned to their house] and passed the night [there] and the man arose in the morning, assured that this was all but imagination and illusion. And so the lover accomplished his desire. (235) Nor, O king of the age," added the vizier, "is this more extraordinary than the story of the king and the tither.".King and his Chamberlain's Wife, The, ii. 53..Then they betook themselves to a place without the city, where he builded him a mansion of solid stone and white plaster and stopped its inner [walls] and stuccoed them; yea, he left not therein cranny nor crevice and set in it two serving-women to sweep and wipe, for fear of spiders. Here he abode with his wife a great while, till one day he espied a spider on the ceiling and beat it down. When his wife saw it, she said, 'This is that which the wise woman avouched would kill me; so, by thy life [I conjure thee], suffer me to slay it with mine own hand.' Her husband forbade her from this, but she conjured him to let her kill the spider; then, of her fear and her eagerness, she took a piece of wood and smote it. The wood broke in sunder, of the force of the blow, and a splinter from it entered her hand and wrought upon it, so that it swelled. Then her arm swelled also and the swelling spread to her side and thence grew till it reached her heart and she died. Nor," added the vizier, "is this more extraordinary or more wonderful than the story of the weaver who became a physician by his wife's commandment.".Harour er Reshid, Tuhtet el Culoub and, ii. 203..Officer's Story, The First, ii. 122..When the evening evened, the king bade fetch the vizier and required of him the story of the journeyman and the girl. So he said, "Harkening and obedience. Know, O august king, that.? ? ? ? To me your rigour love-delight, your distance nearness is; Ay, your injustice equity, and eke your wrath consent..? ? ? ? Thus unto thee have I set forth my case; consider well My words, so thou mayst guided be aright by their intent.
