Sometimes, just the thought of getting in the car and venturing into the dangerous world was intolerable. Then he settled into his La-ZBoy and waited for the natural disaster that would soon scrub him off the earth as though he had never existed..He was as solid as any boy. He was in the day but not in the rain. He was moving toward the back of the car..From the corn soup to the baked ham to the plum pudding, he did not speak of his dry walk in wet weather..obsessed with humanity's sorry penchant for destroying itself either by intention or ineptitude--491 suffocated and burned alive on an evening meant for champagne and revelry..He hurt too much to recover quickly and take advantage of the woman's brief vulnerability. Clambering to his feet, he backed away from her and fumbled in a pocket for spare cartridges..If the state police did get involved, and even if they found evidence that the accident was staged, they would most likely point the finger of blame at the man for whom Victoria had been preparing dinner..Stopping at the door without opening it, Vanadium turned to stare at Junior, but said nothing..'She didn't reach into your thoughts and pluck out

the name Rowena. Or Beezil or Feezil! She wanted to tell him not to say these queer things, not to talk this way, yet she couldn't speak those words. When Barty asked her why, as inevitably he would, she'd have to say she was worried that something might be terribly wrong with him, but she couldn't express this fear to her boy, not ever. He was the lintel of her heart, the keystone of her soul, and if he failed because of her lack of confidence in him, she herself would collapse into ruin. The mortician and his assistant had nearly finished dismantling the frame of the winch. Soon a worker would close the hole. Done with dolls for now, Barty and Angel went upstairs to his room, where the book that talked waited patiently in silence. With her colored pencils and a large pad of drawing paper, she clambered onto the cushioned window seat. Barty sat up in bed and switched on the tape player that stood on the nightstand. The paper towels were spotted with butter. He crumpled them and threw them in the trash. "Nonsense," Agnes breezed on, "it's no imposition. You'll be a great help with my baking, the pie deliveries, all the work that I put aside during Barty's surgery and recovery. It'll either be fun, or I'll wear you down to the bone, but either way, you won't be bored. I've got two extra rooms. One for Celie and Angel, and one for Grace. When your Wally arrives, we can move Angel in with Grace, or she can bunk with me." Occasionally he woke in the night and heard himself murmuring the mantra aloud, which apparently he had been repeating ceaselessly in his sleep. "Find the father, kill the son." In April, Junior discovered three Bartholomews. Investigating these targets, prepared to commit homicide, he learned that none had a son named Bartholomew or had ever adopted a child. Freed for the moment from the need to be strong for her sleeping Angel or for Wally, Celestina turned to Tom Vanadium, saw in his gray eyes both the sorrow of the world and a hope to match her own, saw in his ruined face the promise of triumph over evil, leaned against him for support, and finally dared to cry. No one had actually been here. And he still didn't believe in ghosts, so he didn't think that a spirit had been wandering his home in his absence. Junior had thought most other policemen must consider Vanadium to be a loose cannon, a rogue, an outcast. Perhaps the opposite was true-and if it was, if Vanadium was highly regarded among his peers, he was immeasurably more dangerous than Junior had realized. Before the pianist could cry out, Junior drove him between the toilet and the sink, slamming him against the wall hard enough to knock loose his breath and to cause the water to slosh audibly in the nearby toilet tank. She got a can of soda, returned to the table, and sat down as if finished with her explorations. "You're okay, Barty." "You'd never cheat me. I know you. We'd have Christmas twice a year and parties for half birthdays." "But the breed is nervous, dear. With a nervous breed, you just never know, do you?" "And in some of them, maybe I died the night you were born, and you live alone with your dad." HAVING COMPLETED HER English lesson, Maria Elena Gonzalez went home with a plastic shopping bag full of precisely damaged clothes and a smaller, paper bag containing cherry muffins for her two girls. Junior was at critical depth. The psychological pressure was at least five thousand pounds per square inch and growing by the second. Implosion imminent. "Good day, sir," Lipscomb said, closing the door in Neddy's face, possibly compressing his nose and bruising his boutonniere. With one tiny hand, Barty reached up for his mother. She gave him her forefinger, to which the sugar-bag boy clung tenaciously. In adversity lies great opportunity, as Caesar Zedd teaches, and always, of course, there is a bright side even when you aren't able immediately to see it. "Tom, a couple minutes ago," Agnes said, "Celestina mentioned your . . . 'certain awareness.' Which is what exactly?" Then came the Year of the Tiger, 1974. Gasoline shortages, panic buying, mile-long lines at service stations. Patty Hearst kidnapped. Nixon gone in disgrace. Hank Aaron toppled Babe Ruth's longstanding home-run record, and the inflation rate topped fifteen percent, and the legendary Muhammad Ali defeated George Foreman to regain his world-heavyweight title. He stabbed Prosser, however, merely to relieve his frustration and to enliven the dull routine of a life made dreary by the tedious Bartholomew hunt and by loveless sex. In return for more excitement, he'd assumed greater risk, to mitigate risk, he must have insurance. Indeed, he would get through the rest of 1965 without resorting to another homicide. The nonfatal shooting in September would be regrettable, quite messy, painful-but necessary, and calculated to do as little damage as possible. Using all his powers of concentration, which were formidable, Junior sought to silence the phantom Chicane. At first, the voice steadily faded, but soon it grew louder again, and more insistent. Besides, he'd noticed a tendency among dopers to get maudlin, whereupon they sank into a confessional mood, seeking peace through rambling self-analysis and self-revelation. Junior was too private a person to behave in such a fashion. Furthermore, if drugs ever put him in a confessional mood, the consequence might be electrocution or poison gas, or lethal injection, depending on the jurisdiction and the year in which he fell into an unbosoming frame of mind. All these punctures in the wall. Gouges. Slashes. So much rage required to make them. This didn't work for Junior. Strangely, when he focused on a mental image of any fruit-apple, peach, banana-his thoughts drifted to sex. He became aroused and had no hope of clearing his mind. The sidewalks were crowded with businessmen in suits, hippies in flamboyant garb, groups of smartly attired suburban ladies in town to shop, and the usual forgettably dressed rabble, some smiling and some surly and some mumbling but as blank-eyed as mannequins, who might be hired assassins or poets, for all he knew, eccentric millionaires in mufti or carnival geeks who earned their living by biting heads off live chickens. Agnes's sharp intake of breath caused Edom to look up from his nephew's name. Pale, she was, her eyes as haunted as old mansions. To celebrate, upon leaving the gallery, he went to the coffee shop in the Fairmont Hotel, atop Nob Hill, determined to have a beer and a cheeseburger. So they had cooked up this project, math and mayhem, geometry of limbs and branches, arboreal science and childish stunt, a test of strategy and strength and skill-and of the scary limits of nine-year-old bravado. With the stocky detective looming, Junior wasn't able to stroke his imagination into an erotic mood. In his mind's eye, Victoria's ample bosom remained concealed behind a starched white uniform. Paul realized that the kitchen had fallen silent, that the women had turned to the two children and now stood as motionless as figures in a waxworks tableau. Once he had toured the exhibition, managing not to shudder openly, he tried to hang out within hearing distance of Celestina White, but without appearing to be listening with special intensity. Through fog-shrouded hills forested with oaks, maples, madrones, and pepperwoods, through magnificent stands of redwoods that towered three hundred feet, he arrived in Weott on the evening of January 3, 1968, where he stayed the night. If Paul had any northernmost goal for this trip, it was the city of Eureka, almost fifty miles farther-and for no reason, other than to eat Humboldt Bay crabs at their origin, because that was one of his and Perri's favorite foods. If Cain had been attracted to one woman by her looks, surely he would be attracted to the other. And perhaps the sisters shared a quality other than beauty that drew Cain with even greater power. Innocence, perhaps, or goodness: both foods for a demon. Junior didn't slow as he passed the house, but circled the block and drove by the place again. Smiling again, speaking in a voice hardly louder than a whisper, he said, "Got a wedding date to keep." As yet, he hadn't taken either an antiemetic or antihistamine to ward off vomiting and hives, because he wanted to medicate -against those conditions as shortly before the violence as was practical, to ensure maximum

protection. He'd intended to dose himself only after he followed Celestina home from the gallery and could be reasonably certain that he had located the lair of Bartholomew..Because Junior's right arm was encumbered by the bracing board and the intravenous needle, he tugged a mass of tissues from the box with his left hand.. "Maybe," said Angel. "Or maybe to The Monkees ... or maybe to where you didn't get run down by the rhinosharush..".Recalling how the title of the exhibition had resonated with him when first he'd seen the gallery, brochure, Junior felt certain now that a tape-recorded early draft of this sermon was the kinky "music" that accompanied his evening of passion with Seraphim. He couldn't remember one word of it, let alone any element that would have deeply moved a national radio audience, but this didn't mean that he was shallow or incapable of being touched by philosophical speculations. He'd been so distracted by the erotic perfection of Seraphim's young body and so busy jumping her that he wouldn't have remembered a word, either, if Zedd himself had been sitting on the bed, discussing the human condition with his customary brilliance..Instead of answering the question, meaning to imply that he believed Junior already knew the facts, Thomas Vanadium said, "I was able to get a warrant to search your house." Junior thought this must be a trick. No hard evidence existed to indicate that Naomi had died at the hands of another rather than by accident..The hall was deserted. Then a woman came out of one of the offices and walked toward the gallery, without glancing at him..Turning in circles, he tipped his head back, presenting his face to the streaming sky, laughing..Earlier in the week, Junior had looked up Thomas Vanadium in the telephone directory. He expected the number to be unlisted, but it was published. What he wanted more than a number was an address, and he found that as well..Tom didn't attribute supernatural powers to this killer. Enoch Cain was mortal, not all-seeing and all-knowing. Evil and stupidity often go together, however, and arrogance is the offspring of their marriage, as Tom had earlier told Celestina. An arrogant man, not half as smart as he thinks, with no sense of right and wrong, with no capacity for remorse, can sometimes be so breathtakingly reckless that, ironically, his recklessness becomes his greatest strength. Because he is capable of anything, of taking risks that mere madmen wouldn't consider, his adversaries can never predict his actions, and surprise serves him well. If he also possesses animal cunning, a kind of deep intuitional shrewdness, he can react quickly to the negative consequences of his recklessness and can indeed appear to be more than human..The formless apprehension with which she had awakened at 1:50, Tuesday morning, had returned to her from time to time during the past couple days. Now, here it came again, pinching her throat and tightening her chest-at last beginning to take form..Eleven years later, a few months after marrying Agnes, Joey mysteriously invited Edom to accompany him on "a little drive," and took his bewildered brother-in-law to a nursery. They returned home with fifty pound bags of special mulch, jars of plant food, and an array of new tools. Together, they stripped the sod from the side yard, turned the soil, and prepared the ground for the rich variety of hybrid starter plants that were delivered the following week..Slow deep breathing forgotten, gasping like a drowning swimmer, a sudden sweat dripping from his brow, Junior used one foot to prod the fallen man..The search for Cain was secondary. Getting to the revolver took Priority. Regain the gun and then proceed room by haunted room to hunt him down. Hunt him down, if he was here. And if Cain didn't do the hunting first..By the time Agnes opened the driver's door and slumped behind the steering wheel, Barty levered himself onto the seat beside her. Grunting, he pulled his door shut with both hands as she jammed the key in the ignition and started the engine..From Joey's closet, she extracted an old blue blazer that he seldom wore anymore. The lining was sagging, worn..He had not yet disposed of her personal effects. In the dark, he went to the dresser, opened a drawer, and found a cotton sweater that she had worn recently..Repressing a smirk, feigning a respectful solemnity, he dared to glance at Vanadium, but the detective stared into Naomi's grave as though he hadn't heard the mockery-or, having heard it, didn't recognize it for what it was..Worse than the tenderness in the bones, the bleeding gums, the headaches, the ugly bruises, worse than the anemia-related weariness and the spells of breathlessness, was the suffering that her battle caused to those whom she loved. More frequently as the days passed, they were unable to conceal their worry and their sorrow. She held their hands when they trembled. She asked them to pray with her when they expressed anger that this should happen to her-of all people, to her, and she wouldn't let them go until the anger was gone. More than once, she pulled sweet Angel into her lap, stroked her hair, and soothed her with talk of all the good times shared in better days. And always Barty, watching over her in his blindness, aware that she would not be dying in all the places where she was, but taking no consolation from the fact that she would continue to exist in other worlds where he could never again be at her side..No elevator. He didn't have to worry that with no more warning than a ding, doors might slide open, admitting witnesses into the hall..He lived high, on Russian Hill, in a limestone-clad building with carved Victorian detail. His one-bedroom unit included a roomy kitchen with breakfast nook and a spacious living room with windows looking down on twisty Lombard Street..If the angular mass was Neddy, the vaguely warm, damp something must be the strangled man's protruding tongue..When she discovered she was pregnant, Phimie dealt with this new trauma as other naive fifteen-year-olds had done before her: She sought to avoid the scorn and the reproach that she imagined would be heaped upon her for having failed to reveal the rape at the time it occurred. With no serious thought to long-term consequences, focused solely on the looming moment, in a state of denial, she made plans to conceal her condition as long as possible..When Agnes turned her head and saw Maria Elena Gonzalez, she thought she must be dreaming again..After a while, when no plane crashed on top of him, Jacob got up, went into the kitchen, and mixed a batch of dough for Agnes's favorite treats. Chocolate-chip cookies with coconut and pecans..If blood tests revealed that Junior wasn't the father, Vanadium would have a motive. It wouldn't be the right motive, because Junior truly hadn't known either that his wife was pregnant or that she was possibly screwing around with another man. But the detective would be able to sell it to a prosecutor, and the prosecutor would convince at least a few jurors.. "I get frustrated," he admitted. "Trying to learn how to do things in the dark ... I get peed off, as they say..".After coffee had been served, when Celestina and Wally were no longer the center of attention, he indicated the array of desserts with his fork, smiled, and said, "I just want you to know, Celie, that these are sweets enough until we're married..".He lay still, waiting for silence to return, so he could hear whether the great gong had drawn people into the alley.. "There must be something important I'm supposed to do here that I don't need to do everywhere I am, something I'll do better if I'm blind..".Junior was starving, but he didn't trust his bowels enough to risk dinner in a restaurant. The affliction seemed to have passed, but it might recur when he had food in his system again..So the practice of their lore and the teaching of it had become perilous. Those who undertook it were often those already outcast, crippled, deranged, without family, old-women and men who had little to lose. The wise man and wise woman, trusted and held in reverence, gave way to the stock figures of the shuffling, impotent village sorcerer with his trickeries, the hag-witch with her potions used in aid of lust, jealousy, and malice. And a child's gift for magic became a thing to dread and hide..Caesar Zedd recommended not merely seizing the day but devouring

it. Chew it up, feed on the day, swallow the day whole. Feast, said Zedd, feast, approach life as a gourmet and as a glutton, because he who practices restraint will have stored up no sustaining memories when famine inevitably comes..Draped across his midsection, the terrible cold weight had chilled his flesh; but now his bone marrow prickled with ice at the thought of the birthmarked detective sitting silently in the dark, watching. Junior would have preferred dealing with Naomi, dead and risen and seriously pissed, rather than with this dangerously patient man..After Agnes read the final words on the final page, Barty was drunk on speculation, chattering about what-might-have-happened-next to these characters that had become his friends. He talked nonstop while changing into his pajamas, while peeing, while brushing his teeth, and Agnes wondered how she would wind him down to sleep..He prepared his knives and guns. Blades and bullets. Fortune favors the bold, the self-improved, the self-evolved, the focused.
