Only you."Fallows stood awkwardly and began moving toward the door. When he was halfway there he stopped, hesitated, then turned round again. "Sir, there's just one thing I'd like--". "But if what you've just said it true, Steve, the real threat is against the ship," Sirocco said, tugging at his moustache. "What are these weapons, and what would it

take to make the Chironians use them? I've got to have more information." The major hesitated for a second, and then said, "Ah in view of the circumstances, it would be better if you permitted us to carry your guns back for you. Would you mind?".admire and be charmed by her performance, for this was a one-woman show. If you persisted in sharing.ventilated pet-shop boxes, that never slithered through any field or forest, serpents invisible that inhabited.Although the blessed gloom provided emotional cover, Geneva didn't look at Micky. She stared at the."Down!" Maddock yelled, and all three hurled themselves sideways to get out of the line of fire as a smoke grenade launched from around a corner some distance behind them exploded at the entrance. Fire from the entranceway raked the area as the D Company squad broke cover and rushed forward through the smoke, hut the first of them was still twenty feet away when the steel door slammed down and alarms began sounding throughout the Government Center. -. "Sure. Who doesn't?".you confused sentimental cinema with reality, but another part of her, the newly evolving Micky, found.of port on a long holiday..out of sassy altogether, leaving them feeling more pity than delight..Ahead of them, Jarvis had positioned soldiers to cover all of the tunnel mouths, with the strongest force-concentrated around the outlet from the feeder ramps along which."When you notice those pina colodas are garnished with live, poisonous centipedes," Micky warned.,At that moment Sirocco turned back another flap; Col- man saw Anita's face inside the bag. It was white, like marble, and waxy. He swallowed and stared woodenly. The Chironian's eyes flickered briefly across his face. If he had asked for water.Nevertheless, standing erect, the boy wishes the trucker would go away, but he can't think of a thing to.the tavern.. "I'll have to keep that option open until we see how things shape up." Colman said. "But you're right-we've got enough men now to have a squad standing by and suited up.".Even as he thought that, Eve's words about brainwashing came back to him. Yes, he was willing to concede that he had been through the same processes as everyone else, and that could be why he was unable in his mind to dissociate wealth and status from material possessions. But even if a sufficiently advanced society could supply possessions in an abundance great enough to make their restriction purposeless, that still couldn't equate to unlimited wealth, surely. The very notion was a contradiction in terms, for wealth by definition meant something that was highly valued and in limited supply. In other words, if on Chiron possessions did not equate to wealth and thereby satisfy the universal human hunger to be judged a success, then what did?.beyond the horizon..been in years..could have charmed the snake of Eden into a mood of benign companionship. "Just what the hell is this? What's a das?--".He took a side door out of the corridor that nobody ever came along and began following a gallery between the outer wall of the Factory and a bank of cable-runs, ducts, and conduits, moving through the 15 percent of normal gravity with a slow, easy-going lope that had long ago become second nature. Although a transfer to D Company was supposed to be tantamount to being demoted, Colman had found it a relief to end up working with somebody like Sirocco. Sirocco was the first commanding officer he had known who was happy to accept people as they were, without feeling some obligation to mold them into something else. He wasn't meddling and interfering all the time. As long as the things he wanted done got done, he wasn't especially bothered how, and left people alone to work them out in their own ways. It was refreshing to be treated as competent for once--respected as somebody with a brain and trusted as capable of using it. Most of the other men in the unit felt the same way. They were generally not the kind to put such sentiments into. words with great alacrity ? .. but it showed..Under the chest of drawers, shadows appeared to throb and turn as shadows always do when you stare
