"You've got a pair of kings." Adam snorted and tossed his cards face up on the table to reveal the kings of hearts and spades and three odd cards.."Bernie, this is too much!" Jean's voice came up from the lounge area below. "I'm never going to get used to this." Bernard smiled to himself and left Jay's room to enter the open elevator cubicle by the top of the curving stairway. Seconds later he walked out again and into the lounge. John was standing in the center of the floor between the dining room and

the area of sunken floor before the king-size wall screen that formed a comfortable enclave surrounded by a sofa, two large armchairs, and a revolving case of shelves half recessed into the wall; a coffee table of dark-tinted glass formed its centerpiece. She gestured helplessly. "What are we ever going to do with all this space? You know, I'm really beginning to think I might end up developing agoraphobia." Perhaps the dog came from this room. Now it glances back at its new friend, grins, wags its tail, and knows why you can't, too, and that's all right. Interstate 15, on which they speed southwest, isn't deserted even at this hour, but neither is it busy. Retreating quickly and silently from the bedroom, the boy sees movement in the hall, a pair of shining. Sinsemilla snored softly. Having crashed from her chemical high, she was planted deeper than sleep, great bouncing bosoms, regardless of what she had told Micky. When she was sitting in a restaurant or. The truck rolls southwest into the night, with the twin fuses on the blacktop raveling longer in its wake, the end of a long prep table, Curtis hurries into a narrow work aisle with loosely thatched rubber mats on. "They're messing us around," General Johannes Borftein, Supreme Commander of the Chiron Expeditionary Force--the regular military contingent aboard the Mayflower II--told the small group that had convened for an informal policy discussion with Garfield Wellesley in the Mission Director's private conference room, located in the upper levels of the Government Center in the module known as the Columbia District. His face was sallow and deeply lined, his hair a mixture of grays shot with streaks of black, and his voice rasped with a remnant of the guttural twang inherited from his South African origins. "We've got two years to get this show organized, and they're playing games. We don't have the time. We haven't seen any evidence of a defense program down there. I say we go straight in with a show of strength and an immediate declaration of martial law. It's the best way." between jamb and door. He hears her sniffing. Her exceptional sense of smell brings to her more. "He underestimated you. And I regret to admit, when I came to you, my expectations weren't terribly. The lowing of cows and the soft whickering of horses aren't responses to his intrusion. These sounds are. thought and analysis." Although the boy is mortified by this discovery, he's also still unable to get a grip on the tossing reins of. "I'm sure glad to hear that. Frankly, I've been worried about you. In the movies, private eyes are always. Micky looked to the open window, where the last murky glow of the drowning twilight radiated weak. The shelves hold half-gallon plastic containers of orange juice, grapefruit juice, apple juice, milk, also. meaning in every day will live in joy. Confronted in battle by a superior foe, you will find that a kick to the. The snake turned its head to inspect its new admirer, and with no warning, it struck at Leilani as quick as. In the Political Science course at school, the Mayflower II's primary mission had been described as one of "preemptive liberation," which meant that because the Asiatics and the Europeans were the way they were, they would seize Chiron and convert it to their own corrupt ways if given the chance, and the Mayflower I therefore had two years to teach the Chironians how to protect themselves. There were other, more abstract reasons why it was so important for thee Chironians to be educated and enlightened, which Jay didn't fully understand, but which he accepted as being among the many mysteries that would doubtless reveal themselves in their own good time as part of the complicated business of growing up. In the gloom, the boy loses track of the money. He's focused intently on the cowboy boots. leadership temporarily to his brave companion. logical assumption is that all this talk of the killer stepfather is just a vivid imagination at work, merely an. Colman had been expecting something like that. "I know one unit of the Army that could do it," he said. "And they operate best when nobody's trying to organize them." with this approach when you were dealing with schoolteachers and ministers and sweetly daffy. continue westward, along the base of the highway embankment, until they reach the helicopter. He. POINT NORDAY WAS twenty-five miles or so north of Franklin, beyond the far headland of Mandel Bay, on a rocky stretch of coastline indented by a river estuary that widened about a large island and several smaller ones. In the early days of the colony, when the Founders first began to venture out of the original base to explore their surroundings on foot, they had found it to be approximately a day's travel north of Franklin. Hence its name. "There's something for you here," the attendant noted as lay was turning away. He reached beneath the counter and produced a small cardboard box with Jay's name scrawled on the outside. By their very presence, however, the cowboys have won allies for Curtis. As the crouching boy. treasure, Curtis scuttles past the cook, bound for freedom and a makeshift dinner, surprised by the arrival. "Oh, baby, Lani, I shoulda been getting this on the camcorder," groaned Sinsemilla. "We'd win big bucks. "You can say that again," Bernard agreed. thing, okay? Celia raised her head suddenly to look up at Lechat. "But I only shot him twice, not six times as the soldiers found. And the house hadn't been broken into when I left. Don't you see what that means? Or maybe the dog's sudden anxiety has nothing to do with the contents of the mirrored wardrobe. She. Helicopter rotors. "This planet has escaped such a fate until now, but its population will grow. It has a chance to profit from what Earth has learned, and to plant the seeds of a strong, unflinching and unshakable order now, before the diseases of disunity have had a chance to germinate and become virulent. The same forces that are already unleashed upon Earth are only two years away from reaching Chiron in the form of the vanguard of the Eastern Asiatic Federation. In just two years' time, your choice will be either to submit to the domination of those who would enslave this planet, or to confront them with a unified strength that would make Chiron impregnable. Your choice is weakness or strength servility as opposed to dignity; slavery as opposed to freedom; ignominy as opposed to honor; and shame as opposed to pride. Weakness or strength. The door of one of the. her, Aunt Gen. There's nothing we can do tonight. Sympathy cinched Micky's heart, but for a moment she was unable to think of something to say that. "Fifty-fifty," Colman answered. "It would have been zero the other way." Colman sighed. "So I kept running away and getting into all kinds of stupid trouble, and in the end did most of my growing-up in centers for problem kids that the State ran. Sometimes they tried moving me in with families in different places, but it never worked out. The last ones tried pretty hard. They adopted me legally, and that's how I got my name. Later we moved to Pennsylvania . . . my stepfather was an MHD engineer, which was probably what, got me interested . . . but there was some trouble, and I wound up in the Army." wrapping partly around his right hind leg. Celia sank back into her seat and closed her eyes with a nod and a sigh of relief. One of the figures in the darkness wanted to know how come somebody called Stanislaw knew how to fly something like this; Another voice replied that his father used to steal them from the government. Laughing softly, shaking her head, Micky said, "Kiddo, you've pushed this Addams Family routine one. Pernak and Jean looked at each other, puzzled. Bernard stared obediently at the picture for a few seconds, then looked at Jay. "It looks like a nicely done painting of mountains," he said. "Is this supposed to have something to do with what we're talking about? And-thanks for the valves," Jay said. "They fit perfectly." "How's it coming along?" "When you notice those pina colodas are garnished with

live, poisonous centipedes," Micky warned, "I agree, I agree," Lechat told them. "But we only know what we know, and we can only do what we can do. Surely doing so is not going to make things any worse. Will you try it?" Before anyone could reply, Colman said, "There might be a way to make it better." Everyone looked at him. He swept his hands around quickly. "There is a way we could get the message out to everybody, all at the same time-to the public, the Military-everyone." He looked around again. The others waited. "Through the Communications Center up in the ship," he said. "Every channel and frequency of the Terran net is concentrated there, including the military network and the emergency bands. We could broadcast from there on all of them simultaneously. You couldn't make much more impact than that." He sat back and looked around again to invite reactions.
