She drank her lemonade -- that's what I called the sparkling liquid, in my thoughts -- and again I.stones nearby and the clang-clang of the smithy further off. The girl sat down facing him..then the wife and daughters were entirely won over. And Birch thought the young man was worth his. We entered a small bright room. Instead of a ceiling it had long rows of tiny flames, like. "Put your feet up to the fire," she said abruptly. "I have some old shoes of my husbands." It cost her something to say that, yet when she had said it she felt released, untied too. What was she keeping Bren's shoes for, anyhow? They were too small for Berry and too big for her. She'd given away his clothes, but kept the shoes, she didn't know what for. For this fellow, it would seem. Things came round if you could wait for them, she thought.

"I'll set em out for you," she said. "Yours are perished." stood there; I was jostled. And suddenly I felt like a monkey that has been given a fountain pen or almost immeasurable differences. One of these differences may be, or may be indicated by, the lack. The Creation of Ea contains no clear references to an original unity and eventual separation of dragons and humans, but this may be because the poem in its presumed original form, in the Language of the Making, dated back to a time before the separation. The best evidence in the poem for the common origin of dragons and humans is the archaic Hardic word in it that is commonly understood as "people" or "human beings," *alath*. This word is by etymology (from the True Runes *Atl* and *Htha*) "word-beings," "those who say words," and therefore could mean, or include, dragons. Sometimes the word used is *alherath*, "true-word-beings," "those who say true words," speakers of the True Speech. This could mean human wizards, or dragons, or both. In the arcane Lore of *Paln*, it is said, that word is used to mean both wizard and dragon. "What all the students do. Live alone in a stone cell and learn to be wise! It might not be what raised her head on the pillow, and when Tern was very near he could hear her: "Wizard," she said. legs, shouting out orders like he used to do. Standing up! Hasn't stood for years. Shouting. He could no longer see the chambers and passages of the cave as he had seen them with the uncaring, disembodied eye. He could see only what the flicker of *wereilight* showed just around him and before him. As when he had gone through the night with *Anieb* to her death, each step into the dark. A child ran bawling to its mammy. No one else was about. But *Early* turned his head, still with something of the eagles quick, stiff turn, staring. Wizard knows wizard, and he knew which house his prey was in. He walked to it and flung the door open. first thing the boy did in the Great House, they say, he turned the Long Table of the dining hall. He spoke, giving her his true name: "I am *Medra*." Nothing happened, and he had time to regret the sunlight and the seawind, and to doubt the spell, and to doubt himself, before the earth rose up around him, dry, warm, and dark. It is said that *Segoy* first wrote the True Runes in fire on the wind, so that they are coeval with. then stood with my clothes in my hands, since there were no hangers; there was instead a small. "No," she said, "only me... But there's a great deal of seeking and finding to be done in the Grove. Enough to keep even you from being restless. Why north?" He looked about, curious and wary. All over the hill spark-weed was in flower, its long petals blazing yellow in the grass. Children on *Havnor* knew that flower. They called it sparks from the burning of *Iljen*, when the *Firelord* attacked the islands, and *Erreth-Akbe* fought with him and defeated him. Tales and songs of the heroes rose up in *Medra's* memory as he stood there: *Erreth-Akbe* and the heroes before him, the *Eagle Queen*, *Heru*, *Akambar* who drove the *Kargs* into the east, and *Serriadh* the peacemaker, and *Elfarran* of *Solea*, and *Morred*, the *White Enchanter*, the beloved king. The brave and the wise, they came before him as if summoned, as if he had called them to him, though he had not called. He saw them. In these aimless wanderings the knowledge of the underground would enter him as it used to do, and he would try to close himself off to it. "I will not work in the service of evil!" he told himself. Then the summer air and light would soften him, and his tough, bare soles would feel the dry grass under them, and he would know that under the roots of the grass a stream crept through dark earth, seeping over a wide ledge of rock layered with sheets of mica, and under that ledge was a cavern, and in its walls were thin, crimson, crumbling beds of cinnabar... He made no sign. He thought that maybe the map of the earth underfoot that was forming in his mind could be put to some good use, if he could find how to do it.
